BITS and PIECES

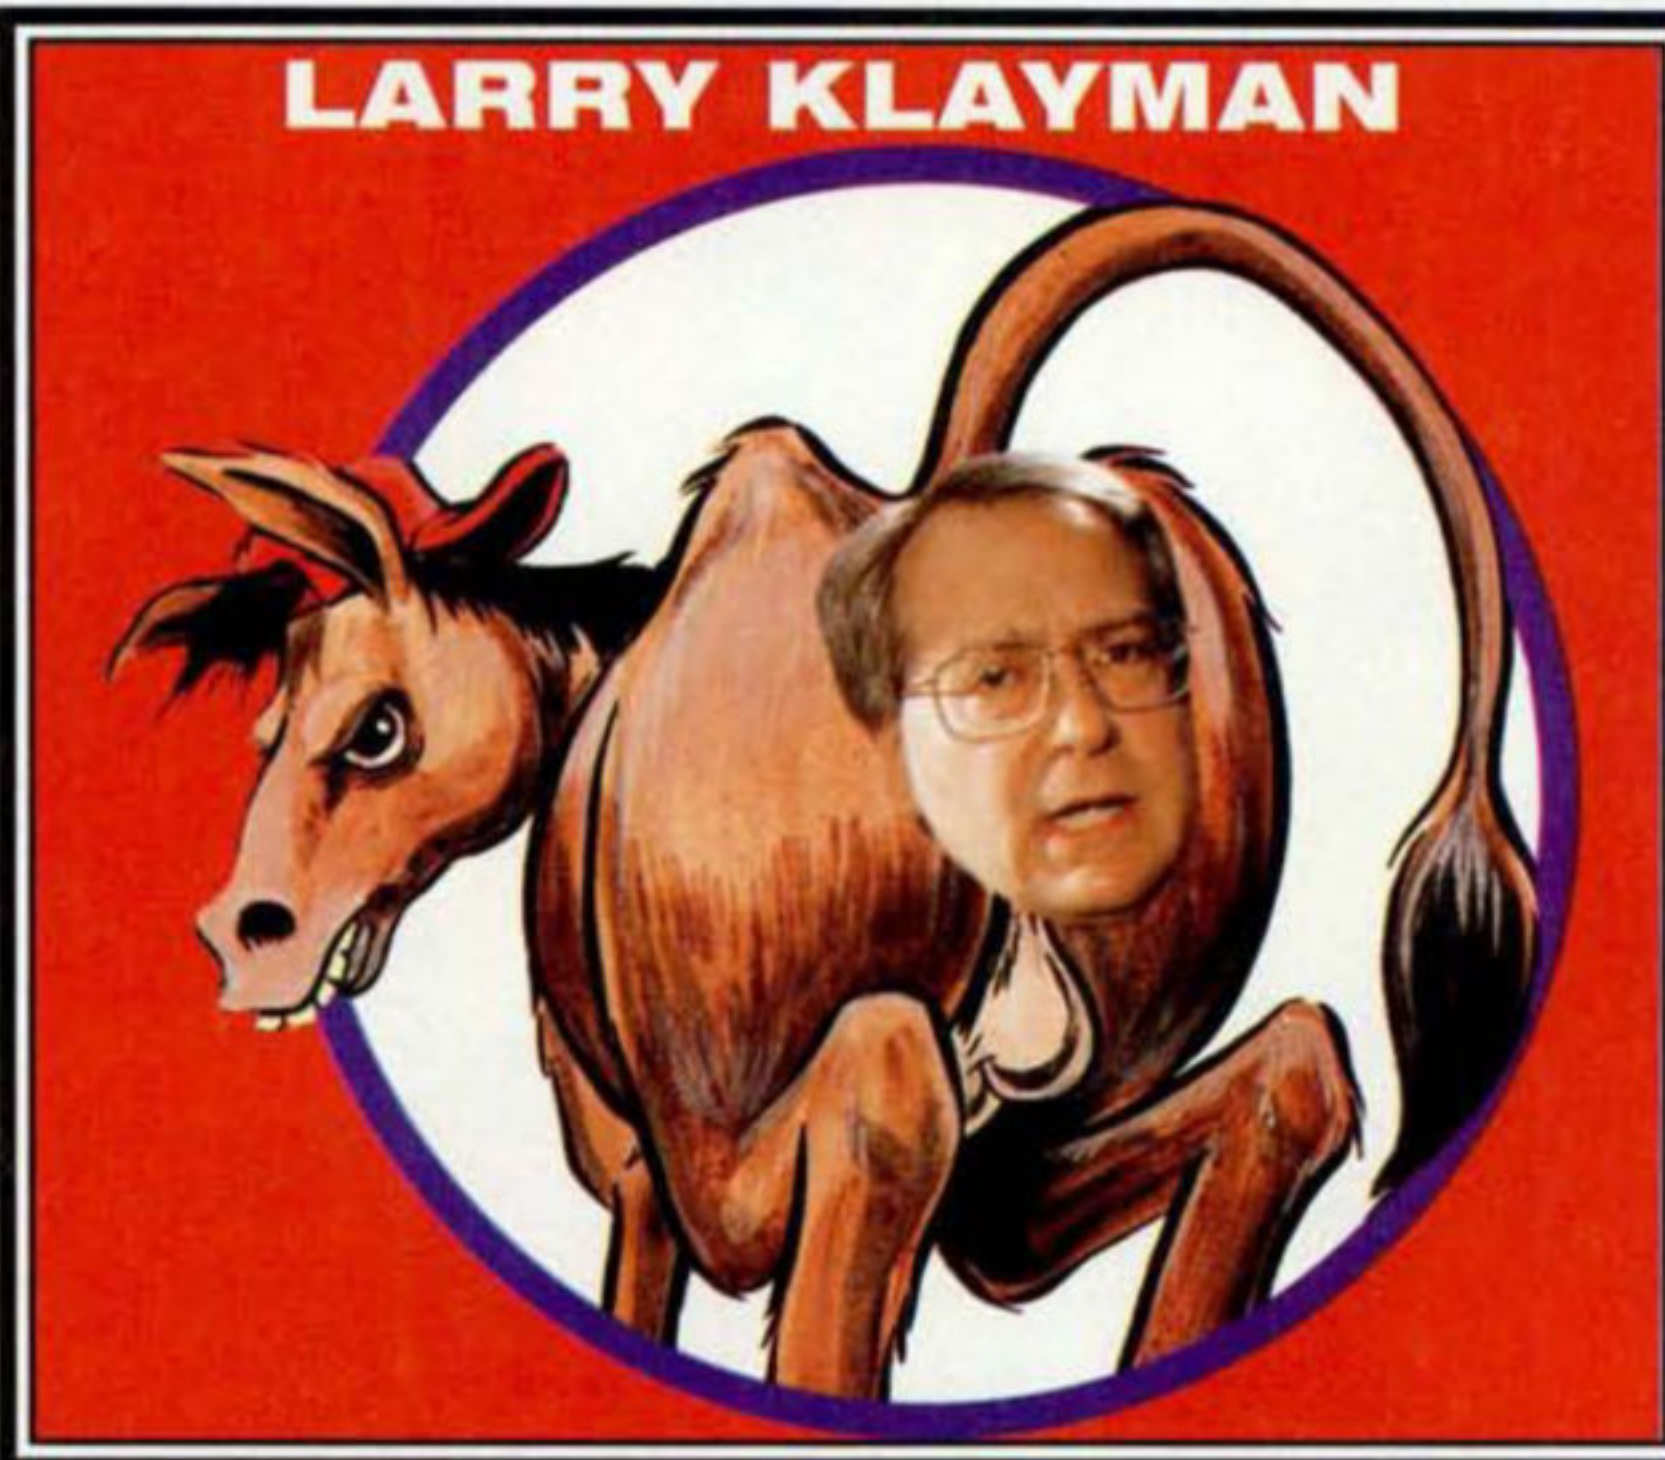

ASSHOLE OF THE MONTH

Within the Washington, D.C., beltway thrives a plague of butt suckers and shit smearers who are superior in vileness to the denizens of hell's most putrid circle. The Capitol loop is like a cosmic sphincters infected with feces-eating parasites. These political vermin gobble the droppings of public debate and puke up nuggets of crap for the newspapers and TV. The reigning king of offal regurgitators is Larry Klayman, a master of the fecal blurb, a lawyer and HUSTLER's Asshole of the Month for October 1998.

The world's great thinkers since the time of Shakespeare have advised, "The first thing we do, let's kill all the lawyers." Larry Klayman makes such counsel seem moderate. "I'm not proud of my profession," says Klayman of the calling that he has shamed. "I'm not proud of it."

The 47-year-old Larry Klayman is chairman and general counsel of Judicial Watch, a rabid-Right group of lawyers founded in 1994. Though it claims to be "a nonpartisan ethical and legal 'watchdog' group," the organization is apparently dedicated to impeding the functioning of the United States government by miring it in legal proceedings. At last count, Judicial Watch has filed 18 costly, time-consuming lawsuits against the Clinton Administration. Advisers and aides have been deposed and grilled by Klayman about TV-viewing habits and the murders at a Starbucks store in Georgetown. The typical Klayman deposition keeps its subject away from work for six hours.

Larry Klayman flits from *Rivera Live* to *Charles Grodin* to Pat Robertson's

700 Club, describing himself as "a conservative Ralph Nader," intent upon restoring accountability and responsibility to the government.

The Commerce Department, according to Klayman, "is selling off taxpayer-financed assets: services which taxpayers pay millions of dollars to have the Commerce Department do. You can't sell what you and I pay for."

Responding to Klayman's numerous actions against various U.S. agencies is expensive for the U.S. government. These considerable costs are paid for with funds extracted from the average American worker's paycheck.

"We want to change the legal system to make it much less expensive," boasts Klayman.

His actions generate high legal fees, saddling his victims, often innocent, third-party witnesses, with thousands of dollars in attorney bills.

Judicial Watch seems to be immune to money woes of its own. Edwin J. Feulner Jr., a confederate of billionaire Richard Mellon Scaife, disclosed that Judicial Watch was awarded a 1997 grant from a Scaife foundation. Scaife is a former drunk who seems to have replaced his booze fixation with an obsession to nail Bill Clinton.

Klayman is tight-lipped about Judicial Watch funding. "I just don't get into that because of the current political climate."

He prefers to talk about something concrete, such as the theoretical

shooting death of Commerce Secretary Ron Brown. Brown died in April 1996 when the Air Force jet he was flying in crashed into a Croatian mountain. Klayman, according to published statements and Judicial Watch fund-raising fliers, suggests that Brown might have survived the crash intact. Klayman leaves the inference to be drawn that an emissary of the White House scaled the mountain and shot Brown in the head.

No less a sage than Geraldo Rivera says of Klayman, "I must say, he sounds shockingly reasonable." What's shockingly reasonable to Geraldo may be shocking bullshit to anyone who has not inhaled the air of Al Capone's vault.

"Unfortunately, in this world, people don't take you seriously unless you threaten litigation," says Klayman. Correction: No one takes Klayman seriously. People who behave responsibly, accountably and ethically are taken seriously.

Klayman is a stickler for ethics. He sued his mother, Shirley Feinberg, through his collection agency for \$40,000 over money spent caring for his dying grandmother. "I wish we could have settled it in the family, but we couldn't," explains Klayman. "I don't relish having to bring an action against my mother." However, he felt an "ethical obligation."

Some ethicists might wonder how a mother-suing scumbag can live with himself.

"I really love what I'm doing now," says Klayman, who is in talks for his own Fox TV show. "I've found my calling." And that calling is the sound of one Asshole erupting.

William Ginsburg: Monica Lewinsky's former lawyer, a specialist in medical malpractice, pleads that he was not fired by the former White House intern, but quit voluntarily. Prior to his termination, Ginsburg published an open letter to Prosecutor Kenneth Starr, who is squeezing Lewinsky for an

FARTS IN THE WIND

admission that she had sex with President Clinton and then lied about it at the President's urging. Ginsburg's letter states, "Congratulations, Mr. Starr! ...you may have succeeded in unmasking a sexual relationship between two consenting adults." The statement reads

like a voluntary admission that Ginsburg is an Asshole.

Johnnie Cochran: O. J.'s defense attorney apparently felt that the Lewinsky circus needed one more clown. Cochran threw his ring into the fray by announcing that he had declined the case. Who asked the Asshole?

Pressed Flesh

There are two things I especially want from HUSTLER. HUSTLER should publish photos of nude celebrities like they do in *Playboy* or *Celebrity Skin*. Secondly, HUSTLER should write an article about past porn stars, describing where they are now. I know HUSTLER will tell their entire story, including all the juicy details.

—P. L.

Alma, Arkansas

Ask, and you shall receive. October HUSTLER includes a limited-edition bonus digest providing the bare essentials of six sexy Hollywood starlets, including Pamela Anderson Lee. Poon of June

I have been buying HUSTLER and BARELY LEGAL for more than four years. This is the first letter I've written to Larry Flynt Publications. I want to congratulate the staff for the June 1998 issue. I went absolute crazy when I saw Daisy (*Daisy: Fetish Peddler*). I love the shot of her beautiful, plump pussy lips releasing a golden stream of pee. The photo of Daisy sticking the dildo in her luscious, pink cunt sends me over the edge. The set of Cheyenne also kicks ass (*Cheyenne: One Dick at a Time*). I immediately shot my load when I saw her hand shoved deep into her snatch. I'd love to stick my tongue into her sweet, dripping honeypot. Please excuse me. I need to jerk off to the gorgeous ladies of June again. Thanks for an excellent issue.

Rape Tape

HUSTLER's pages contain the hottest women in the world. The informative articles and outrageous humor blow *Playboy* and *High Society* out of the water. The July '98 issue mentions a club in New York where people watch

"Japanese schoolgirl rape tapes" (*Peep-a-Boo: Grabbing Snatch at Times Square's Last Great Sex Emporium*). I have looked long and hard for rape tapes and come up empty-handed. I've tried writing porn companies and distributors,

but no one ever replies. Can HUSTLER point me in the right direction? —G. F. APO, AE

Since rape is an illegal activity, mainstream porn companies avoid this taboo topic. Extend your search to a local porn shop. Max Hardcore's videos violate the decency of stork-bodied starlets. Better yet, purchase a plane ticket during your next 48-hour leave, and tap the smut source. New York's Peepland is located on 7th Avenue between 48th and 49th.

HUSTLER's Slutty Sister

I just picked up the May 1998 issue of CHIC. I loved the blonde and black layout (*Dickie and Janelle: Let's Get It On*). The photos by Daniel Mayor look so hot! The sexy girl made my dick hard, and the guy took care of business. Keep up the good work! CHIC sizzles.

—A. W.

Allentown, Pennsylvania

CHIC offers the finest silicone-free fun available. Call 1-800-328-6704 for a subscription to HUSTLER's slutty little sister.

Take the Pee out of Pussy

I have read and enjoyed HUSTLER for several years. Recently, I noticed a trend toward women peeing. My question is, *why?* I realize that people's opinions of what's sexy and erotic differ, but I fail to

Cheyenne: One Dick at a Time

FEEDBACK

understand the allure of a woman urinating. I imagine I'm not the only man who feels this way. What's next? Shots of a woman shitting on the sidewalk? The only liquid that should squirt from a woman's pussy is orgasmic ejaculate. Please, keep the toilet behavior in the bathroom and out of America's Magazine.

—S. C.
Ashland, Kentucky

We apologize for pissing you off, S. C., but pounds of fan mail irrefutably prove that HUSTLER readers find pee appealing.

Ducats Down the Drain

As a huge fan of the pee photos, I commend HUSTLER for the recent golden girls sets. Buying quality pictures of watersports is expensive. For years, I have relied on Danish and German publications, paying out the nose for yellow pleasure. I hope HUSTLER continues to publish these kinky photos for such a bargain price.

—C. M.
Lakewood, New York

November HUSTLER promises a wet set for all the pee brains intelligent enough to purchase the best bargain on the newsstand.

Rainbow Copulation

Fuck you, HUSTLER. It's bad enough that every white male in America bears the burden of those worthless black bastards. Nappy-haired monkeys chase white women in malls, dance clubs and restaurants. Now HUSTLER prints a fucked-up interracial spread (*Kerri and Jeffrey: White Girl's Burden*, August '98)? You dickless, liberal nigger lovers. Blacks screw up America, especially for white males.

—N. H.
Jacksonville, Florida

HUSTLER represents the reality of race relations in the United States. Interracial photo-sets portray the curiosity, sexual tension and attraction between people of different ethnic groups. If you don't like what you see, N. H., hide from the real world by pulling your white hood down over your eyes.

69 Equality

How about a little sexual equality in your interracial sets? In the *Mandingo* spread (*Mandingo: Damned if He Do*, December '97), the white girl really tongues the black guy's schlong. In the salt-and-pepper set in January 1998, the black chick

hardly kisses the white guy's pecker (*Karl and Shondra: Shining Example*). There's a huge space between her big lips and his pale pole.

—R. J.
Bristol, Virginia

We beg to differ. Both sets show penetration. HUSTLER Honeys give studs of all colors a fair lick.

Critical Claims

I am writing this letter in response to Mitch Shepard's review of *Mind Games* in the July 1998 *Erotic Entertainment*. Shepard's vicious attack on Christi Lake appalls me. I'm a huge fan of Lake. Unless there are two Christi Lakes in the business, Shepard talks out of his ass. Lake's tits do not resemble "yogurt sacks," nor is she "rodent-faced." If Lake's acting sucked, the critic should say so. But don't talk shit about a beautiful woman who loves to fuck. Thousands of fans adore Christi Lake.

—R. J.
Florence, Arizona

Critics state subjective opinions shaped by their individual point of view. Readers must then interpret the significance of their written words. Remember, R. J., one man's princess is another man's whore.

Cream Beaver

Beaver Hunt in the July '98 issue introduced me to the woman of my dreams. Genie, the fuckable babe from New York, blows my mind! Genie possesses the type of pussy a guy could live in 24 hours a day. HUSTLER needs to give this brown-skinned hottie a layout of her own.

—B. W.
Jamestown, New York

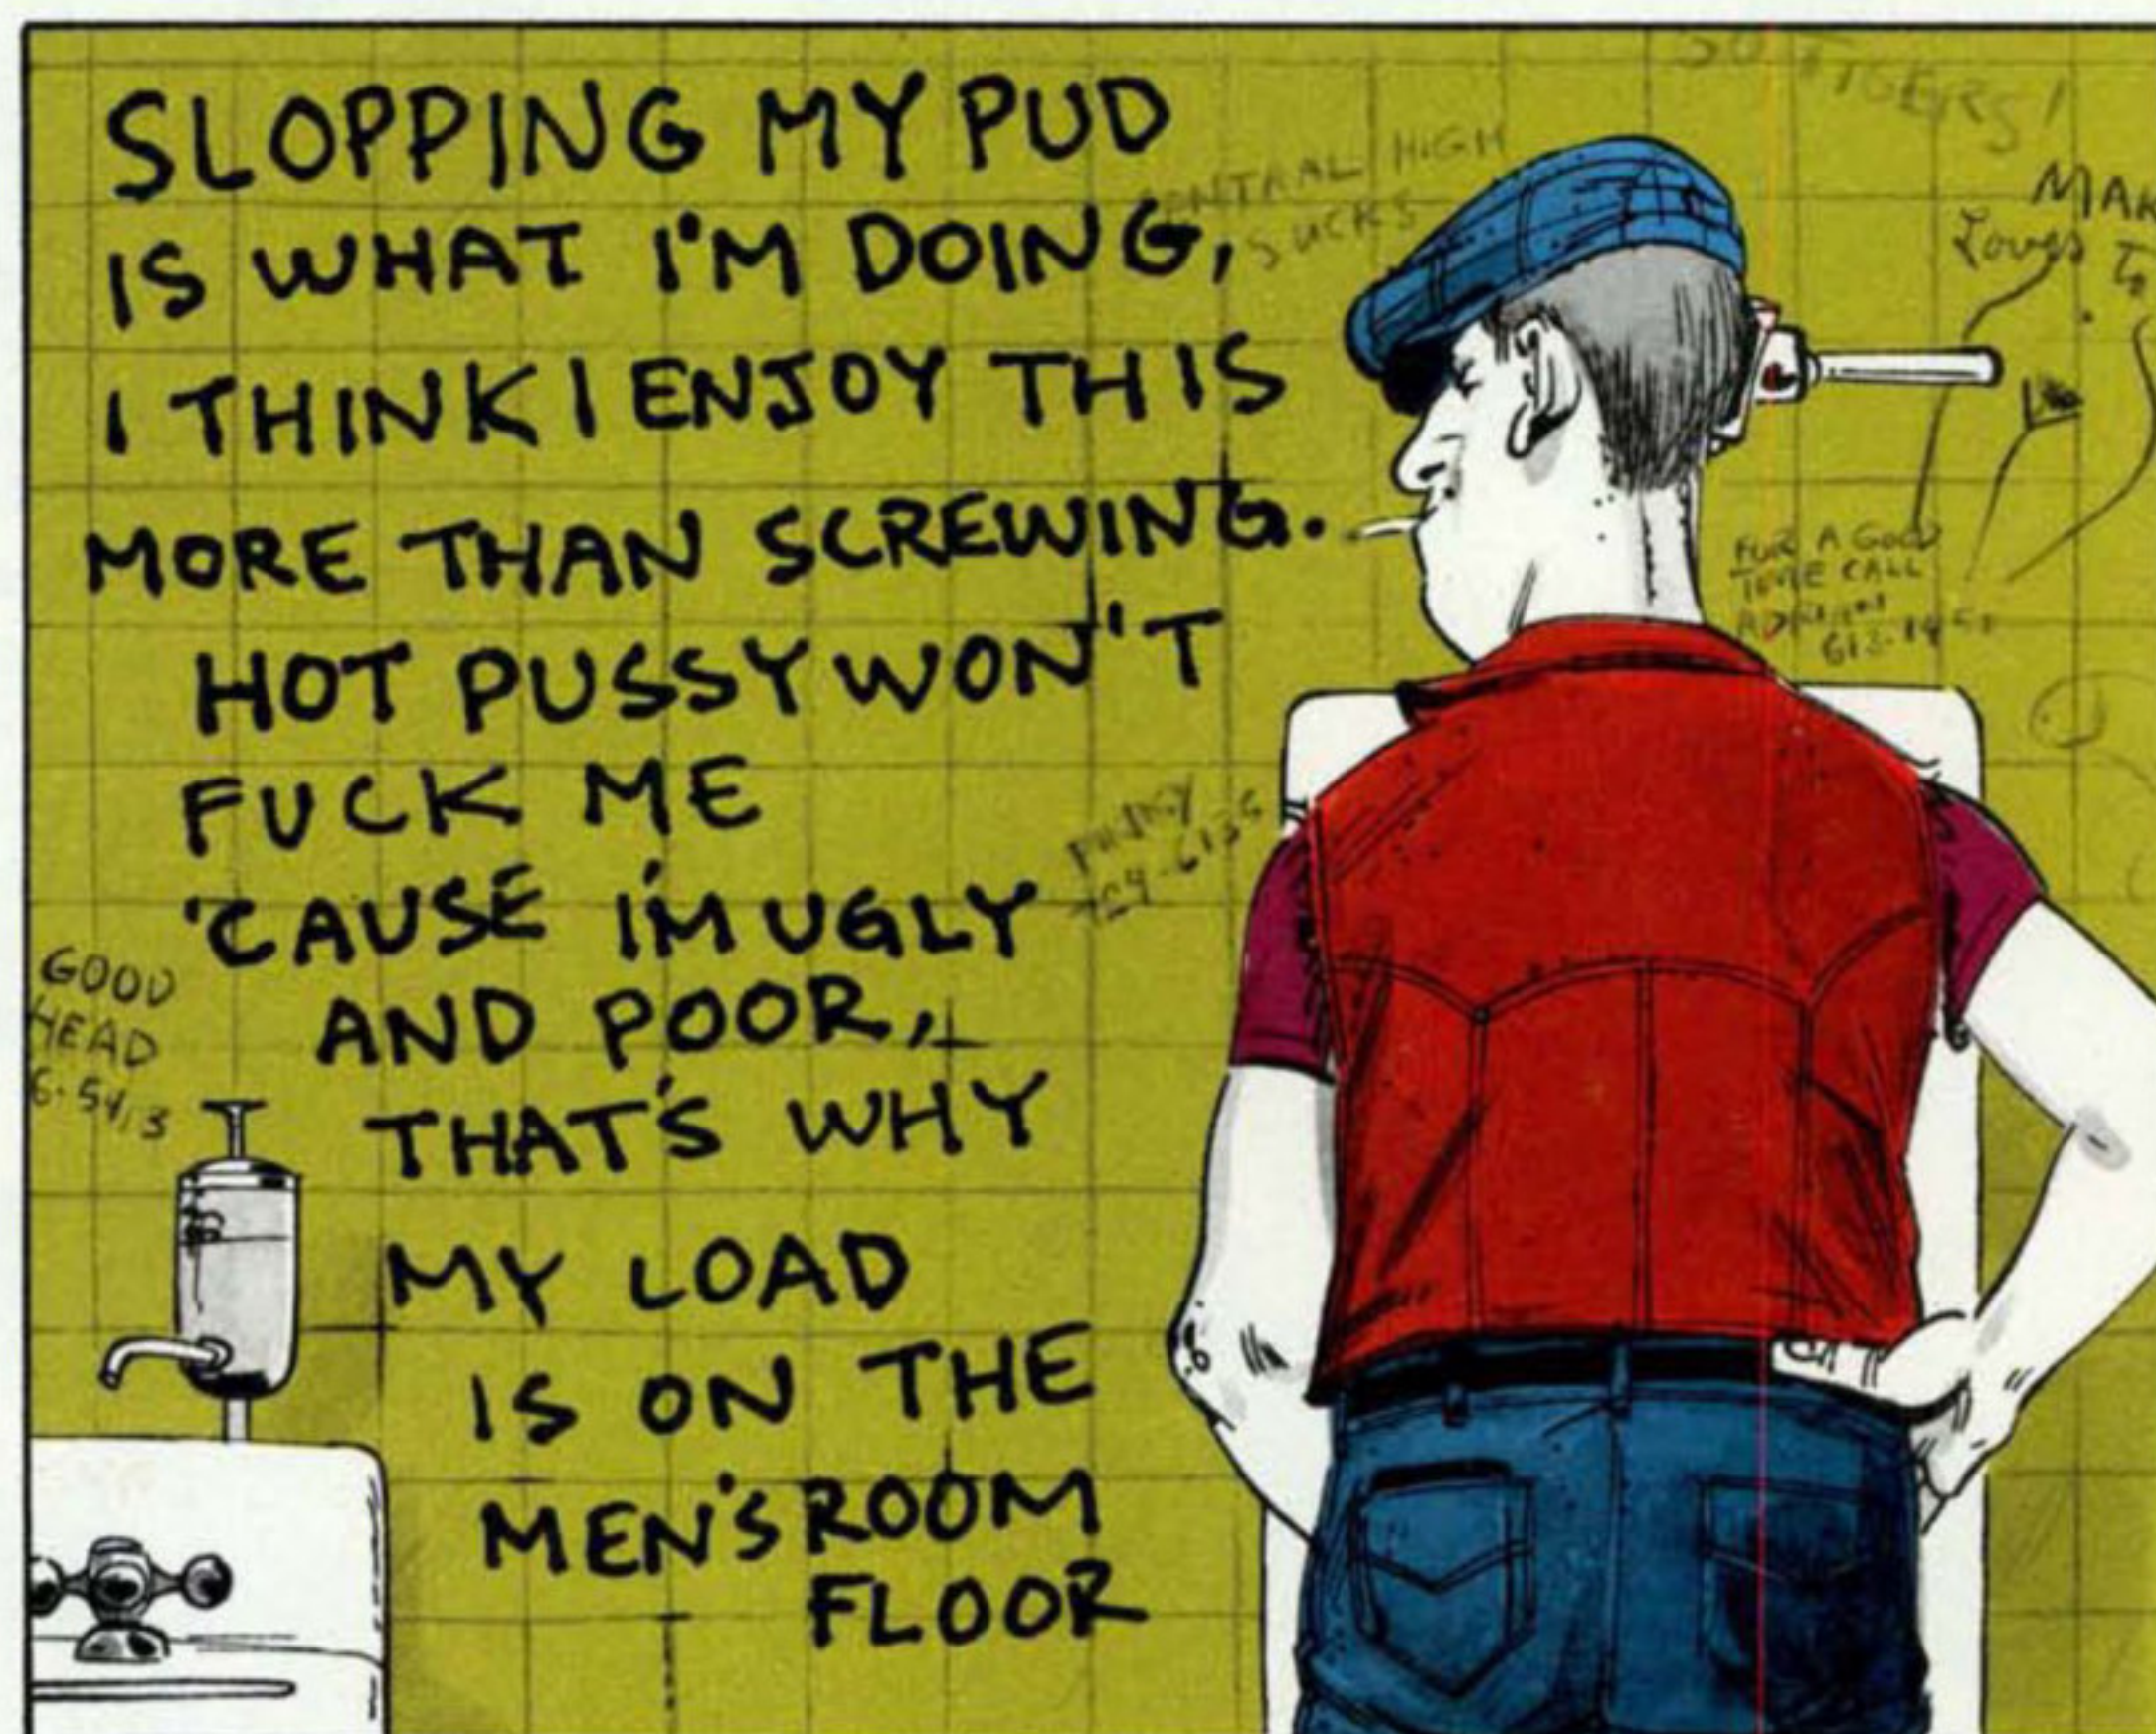

Cast your Beaver ballots as soon as possible. Only one spot remains in the Beaver Hunt finals.

Calling All Cunts

I read the sex cities article in the August '98 issue (*Sex Cities, USA: America's Top Ten Cities Selling Sex*). From the prices that Larry Wichman quoted, I'm staying at home. Literally. One phone call brings pussy to my front porch. How good is the gash? The girl appeared in *Beaver Hunt* in 1997. Two hundred dollars buys two hours of fucking, sucking, pictures and a video. I also have a 20-year-old, sweet, blond honey who rocks my house for \$140. What do they have in common besides my cock and cash? They're strippers from small towns in middle America. Fact: Porn movies are produced at such an incessant rate that the combined length of last year's releases totals almost two years of running time.

The formulaic adult-video medium has produced a market saturation of assembly-line semen pageantry.

By stealing from VH-1's video recycling program, *Pop-Up Video*, where trivial factoids turn outdated glam-rock videos into high-rated television, we've come up with a way to make those knockoff skin flicks worthy of their incessant production.

The annual direct and indirect costs of treating cases and controlling outbreaks of hepatitis A in the United States are estimated to be \$200 million.

The average starting salary for a licensed proctologist is more than \$100,000 per year. The typical male porn star earns \$150 day.

According to the Standards of Practice for Tattooing and Body Piercing, any procedure involving penetration of the skin that is not performed hygienically can be the means of transmitting organisms that cause AIDS, hepatitis B and hepatitis C.

Annual Recycling Day falls on November 15.

In some Eastern religions, semen loss is considered deadly...

To circumvent depletion of essential fluids, adepts press on a spot between the anus and the scrotum to reroute the ejaculate into the bladder.

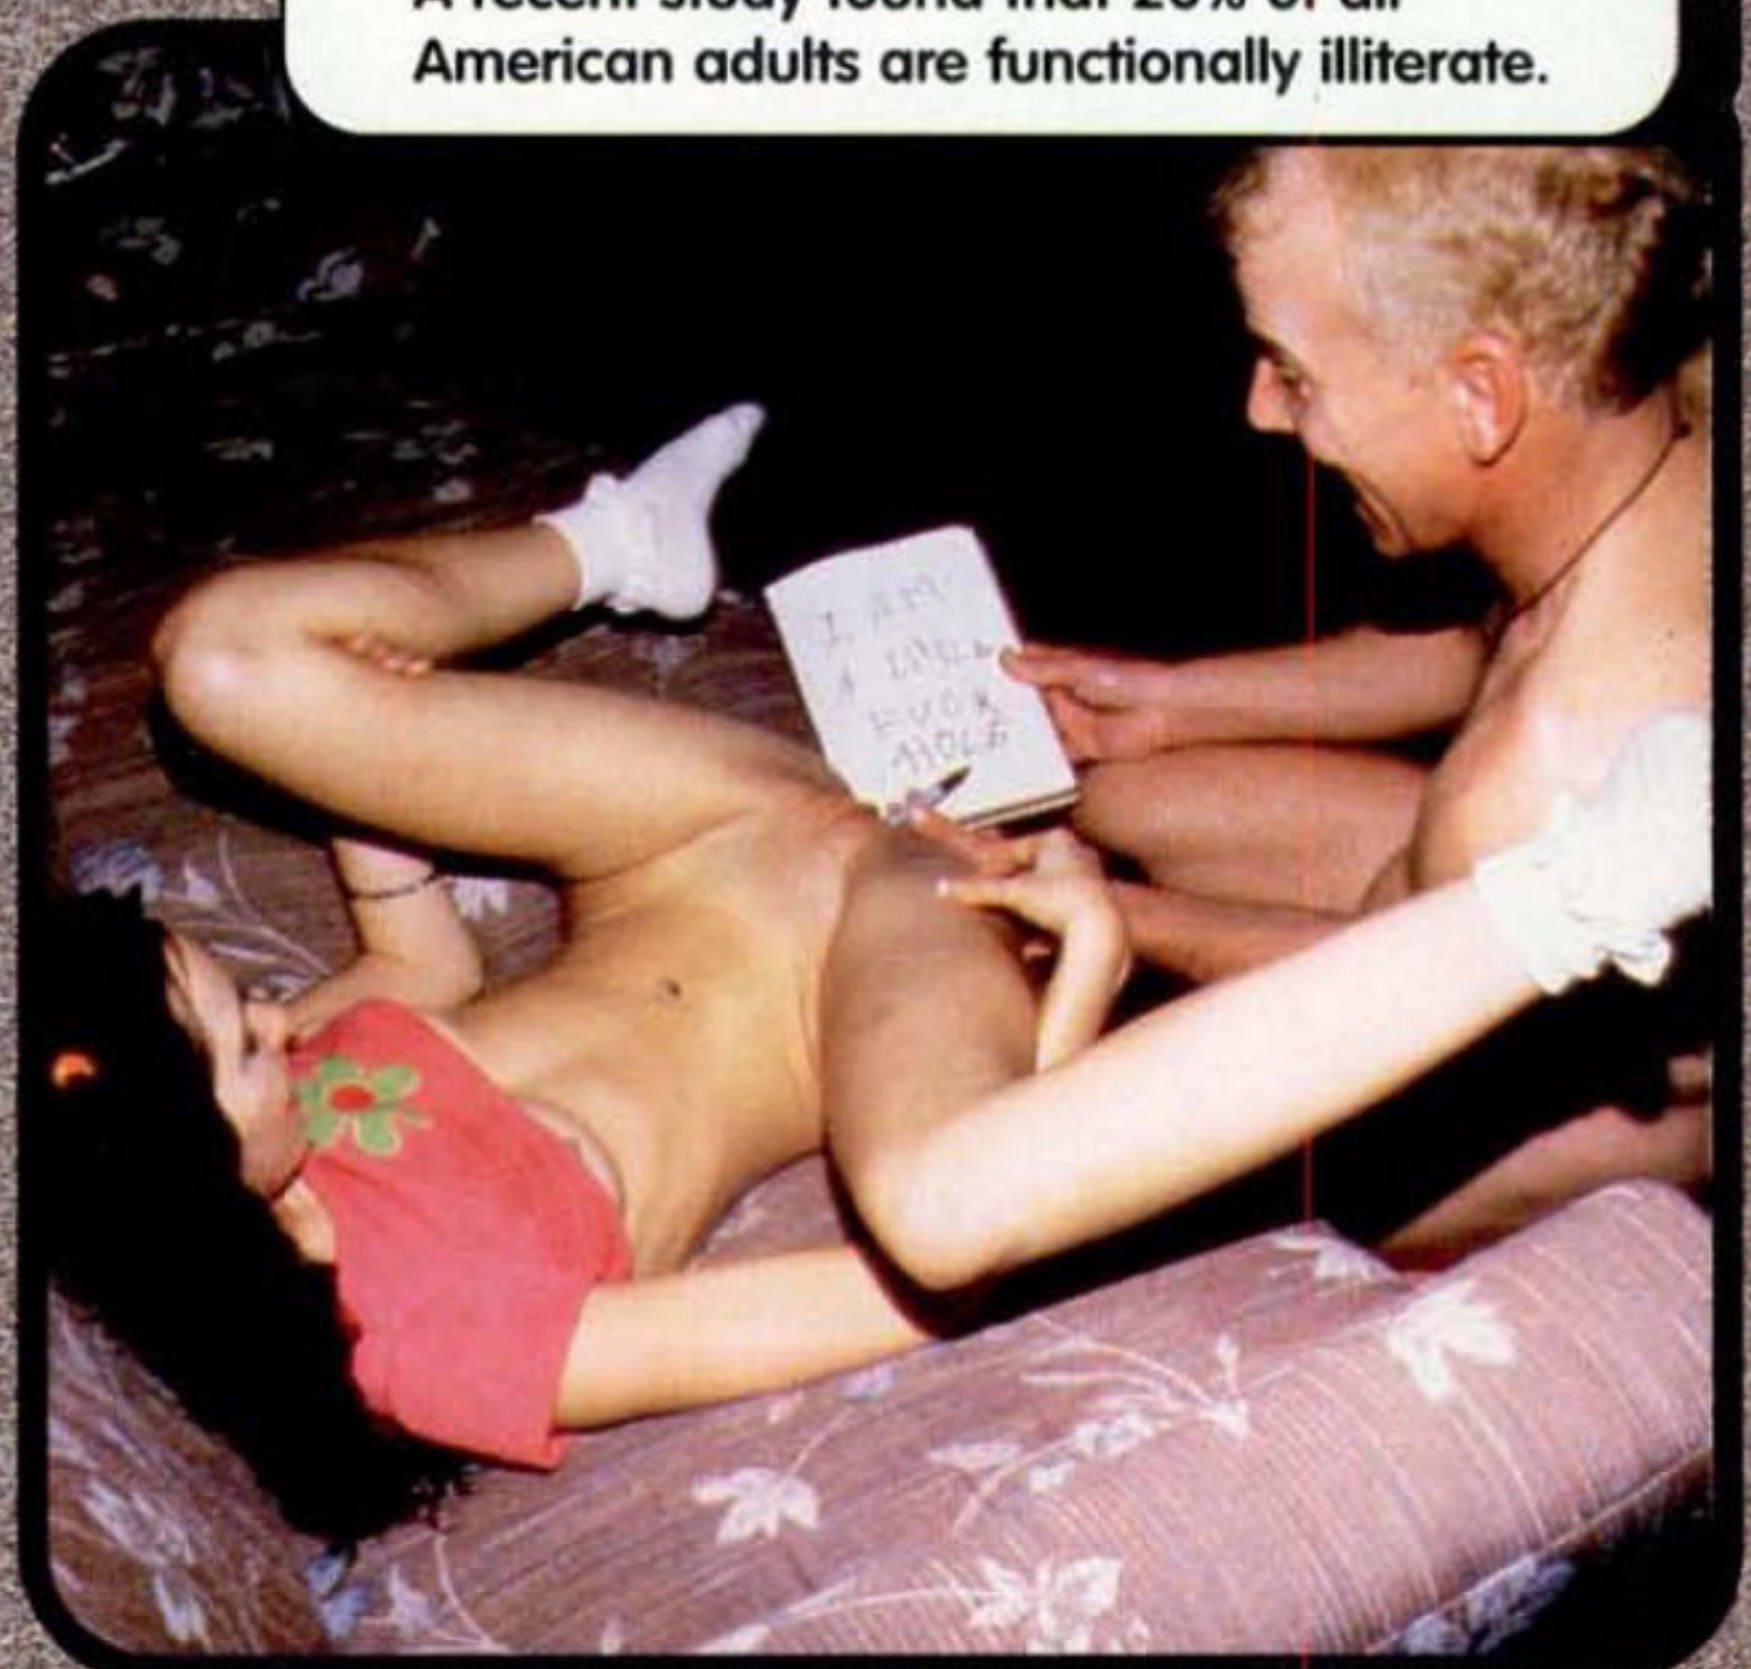

In the 19th century, beaver pelts were a standard medium of exchange. More recently, beavers have been hunted for a liquid called *castoreum*, which is used in perfumes.

A recent study found that 20% of all American adults are functionally illiterate.

Robert De Niro's last ten films have grossed more than \$300 million worldwide.

There are a few places Alec Metro cannot come, no matter how hard he tries. Pursuant to a restraining order that was filed on May 14, 1998, one of those places is the Flynt Building, in Beverly Hills, California.

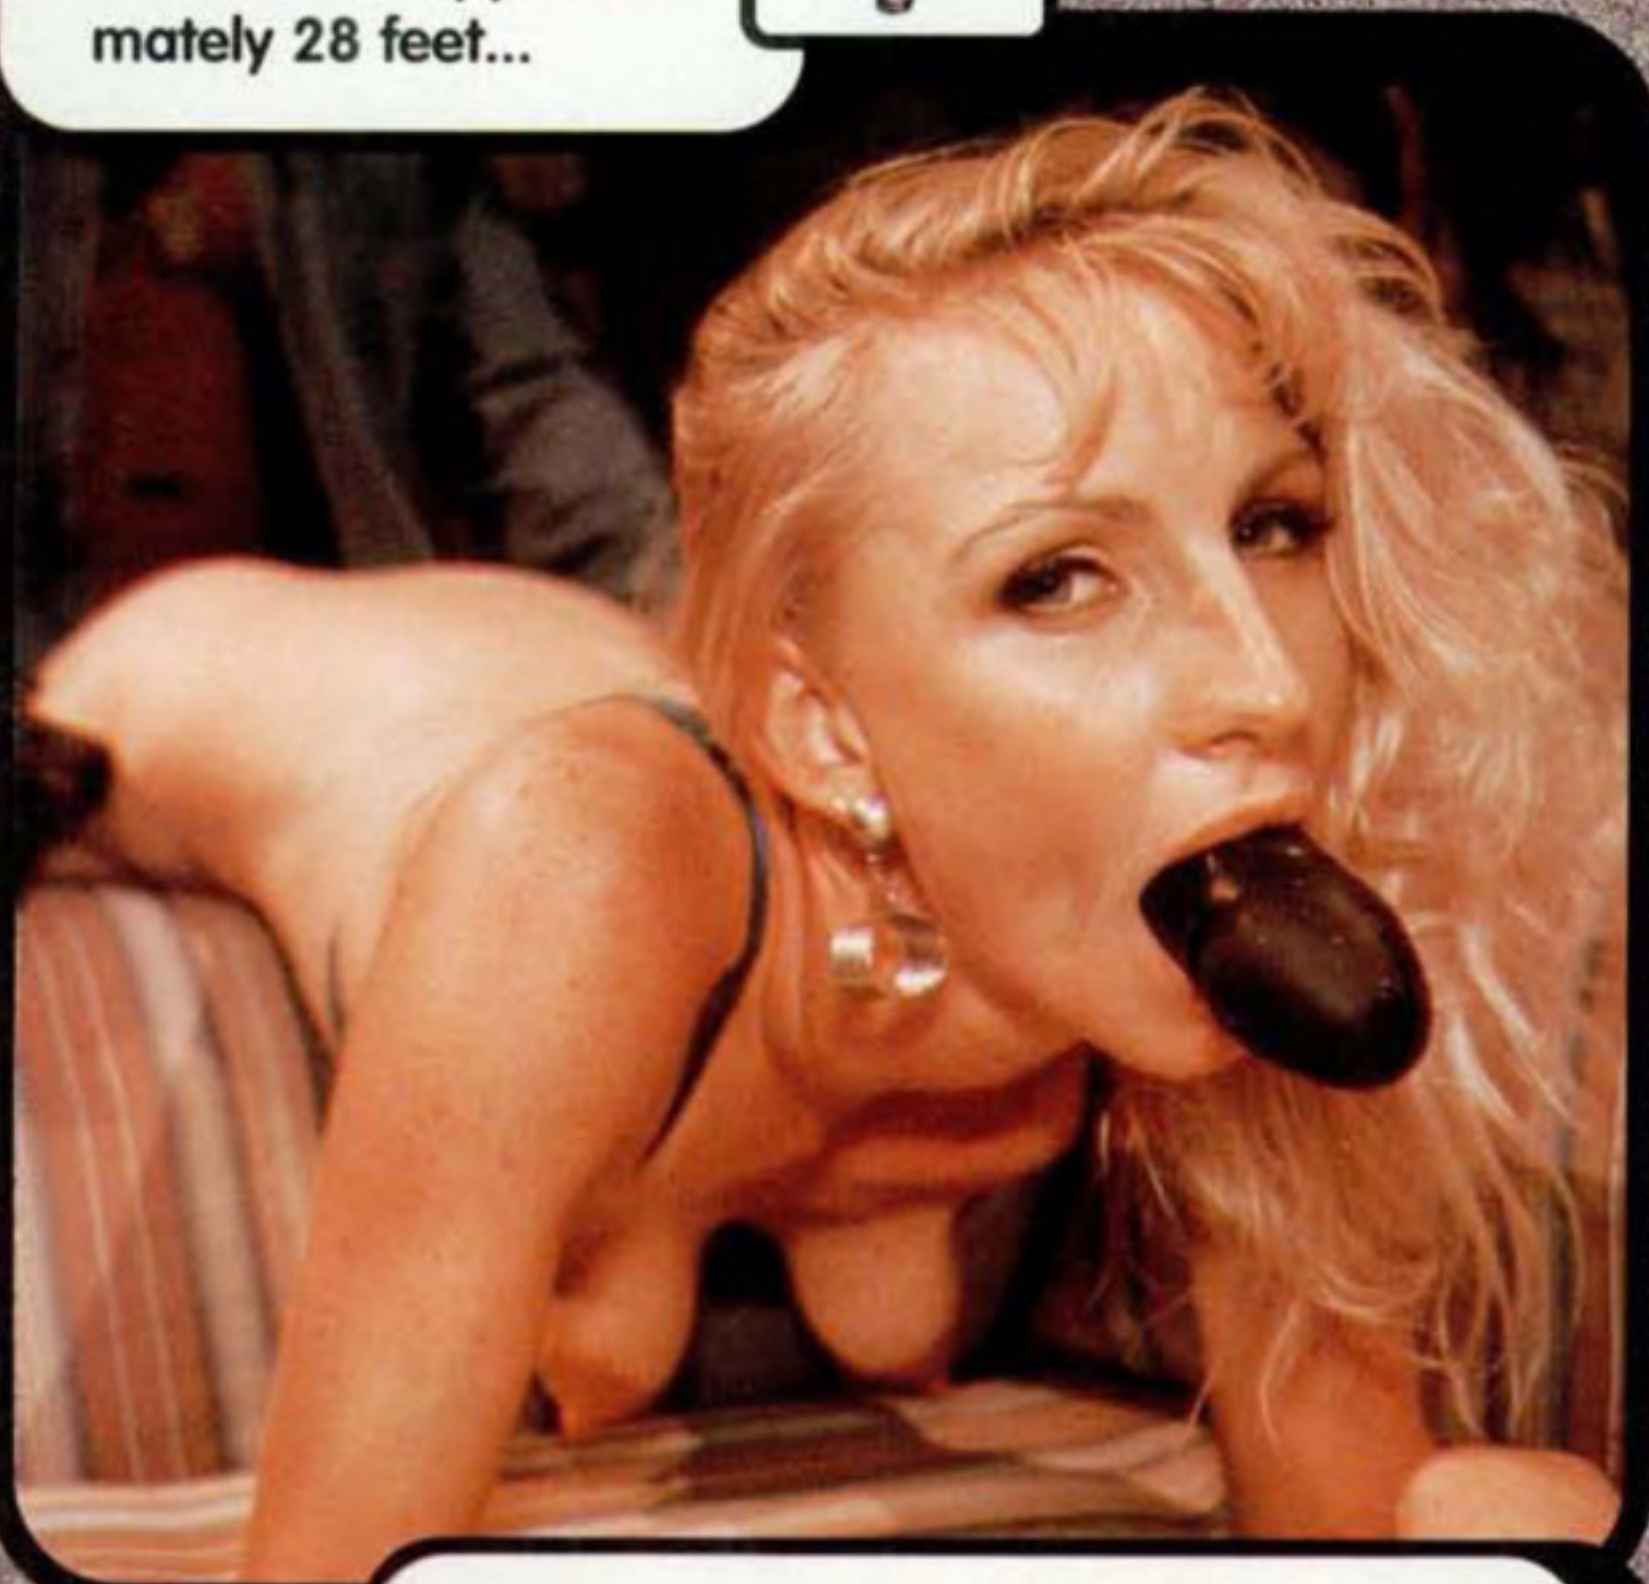

Kathy Lee Gifford's maiden name is Epstein.

Pale or light-colored stool is often a sign of a serious intestinal disorder.

Including the small and large intestines, the distance from an adult human's anus to its mouth is approximately 28 feet...

Marilyn Martin, pictured here, was reported recently to have thrown up on Alex Sanders's dick during a shoot.

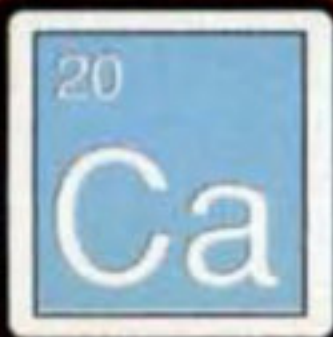

Projectile semen has been clocked at 28 miles per hour.

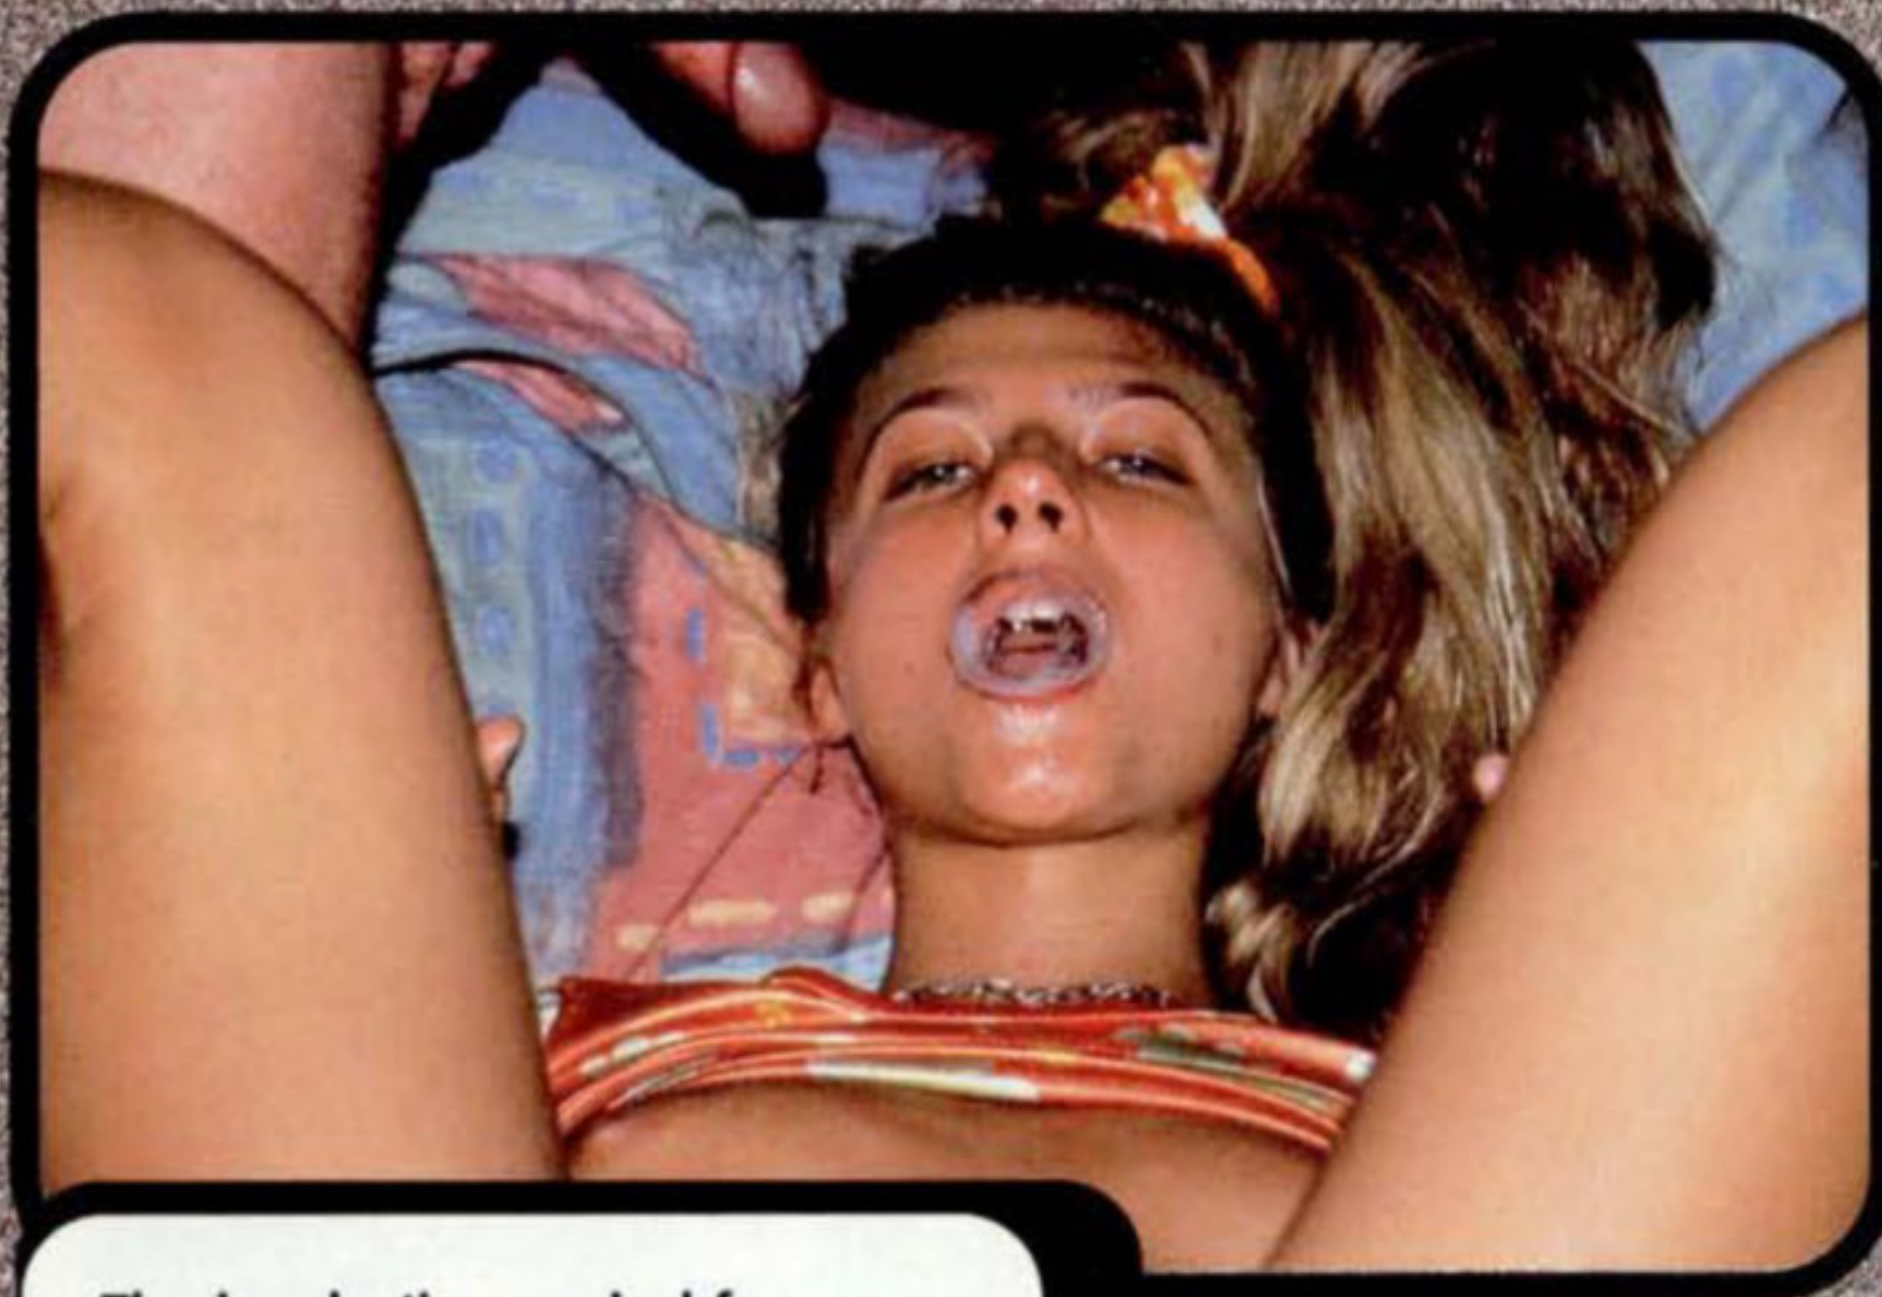

Radar detectors have been linked to testicular cancer.

A recent survey listed missing keys as the fourth most common reason for late arrival to work in 1997.

Besides fructose, potassium and zinc, semen contains calcium, which is good for teeth.

The incubation period for rabies in humans can range from five days to more than a year. Primary symptoms include fever, headache, malaise, decreased appetite and vomiting. The secondary symptoms leave the victim unable to swallow, disoriented and hydrophobic. Telltale signs of secondary infection include foaming at the mouth.

Dear SLUT

JEANNA FINE TELLS THE
FUCKING TRUTH

This month in her regular column, porn legend Jeanna Fine responds to readers seeking erotic enlightenment. She invites you to drop her a line and join her on the fearless quest for the fucking truth.

TUMMY LUMP

Do porn girls ever become pregnant from on-set sex?

—J. R.
Salinas, California

I'm sure a few bimbos have forgotten to take their birth-control pills for a week or two and suffered the consequences. Girls rarely mention these slipups to one another. I've never seen any on-set offspring from porn parents. In both the sex business and real life, there is no excuse except stupidity for accidental pregnancy.

SHINING SHOES

I worship women's feet. I should have starred as Forrest Gump's best friend, the way I love to shrimp. My uptight girlfriend thinks I'm gross. She doesn't understand when I ask to suckle her toes. Where does my infatuation with feet come from, and how can I loosen up my girlfriend?

—N. K.
Aberdeen, South Dakota

Who knows where a fetish for feet originates? Kids love to play with Mommy's shoes and sniff smelly sneakers. Many women feel uncomfortable with the natural body odors that men find arousing. Romance your girlfriend before fondling her feet. Buy her a new pair of sexy shoes. Bathe her so she won't worry about the aroma. Blindfold her. Break out the champagne, strawberries, chocolate syrup and ice cubes. Start at the bottom and work your way to the top. If you lavish her with lovely pedicures and spiked heels, your girlfriend should be a shoe in.

I DREAM OF WEENIE

Jeanna, often while fucking my girlfriend, I imagine sex with you to bust a nut. Do porn stars use mental fantasies to stave off or achieve orgasms?

—A. R.
Chambers, Texas

Yes, porn actors often fantasize while filming sex scenes. Some of my fantasies might cause a shy man's nuts to shrivel. To climax, I imagine myself with a giant cock dangling between my legs. I fuck my partner with my rigid, fleshy unit. I also imagine an eyeball embedded in my cervix. I watch my partner's dick penetrate my soft, moist folds.

DREAM RAPE DATE

My wife and I role-play during sex. Usually, our sex scenarios are relatively tame. However, I am interested in playing rapist and housewife. Is there any chance that my wife will participate in my rape fantasy without thinking that I'm psycho?

—C. S.
Seattle, Washington

Women want to lose control and inhibition to a powerful sexual force. In the age of political correctness, most people would hesitate to label these desires as rape fantasies. For men, sexual dom-

ination through physical force is even more taboo. If your wife is an open, understanding person, explain your role-playing request to her. Fantasies between two loving, consenting adults should be limitless, regardless of prudish societal constraints.

SLEEPING WITH DOGS

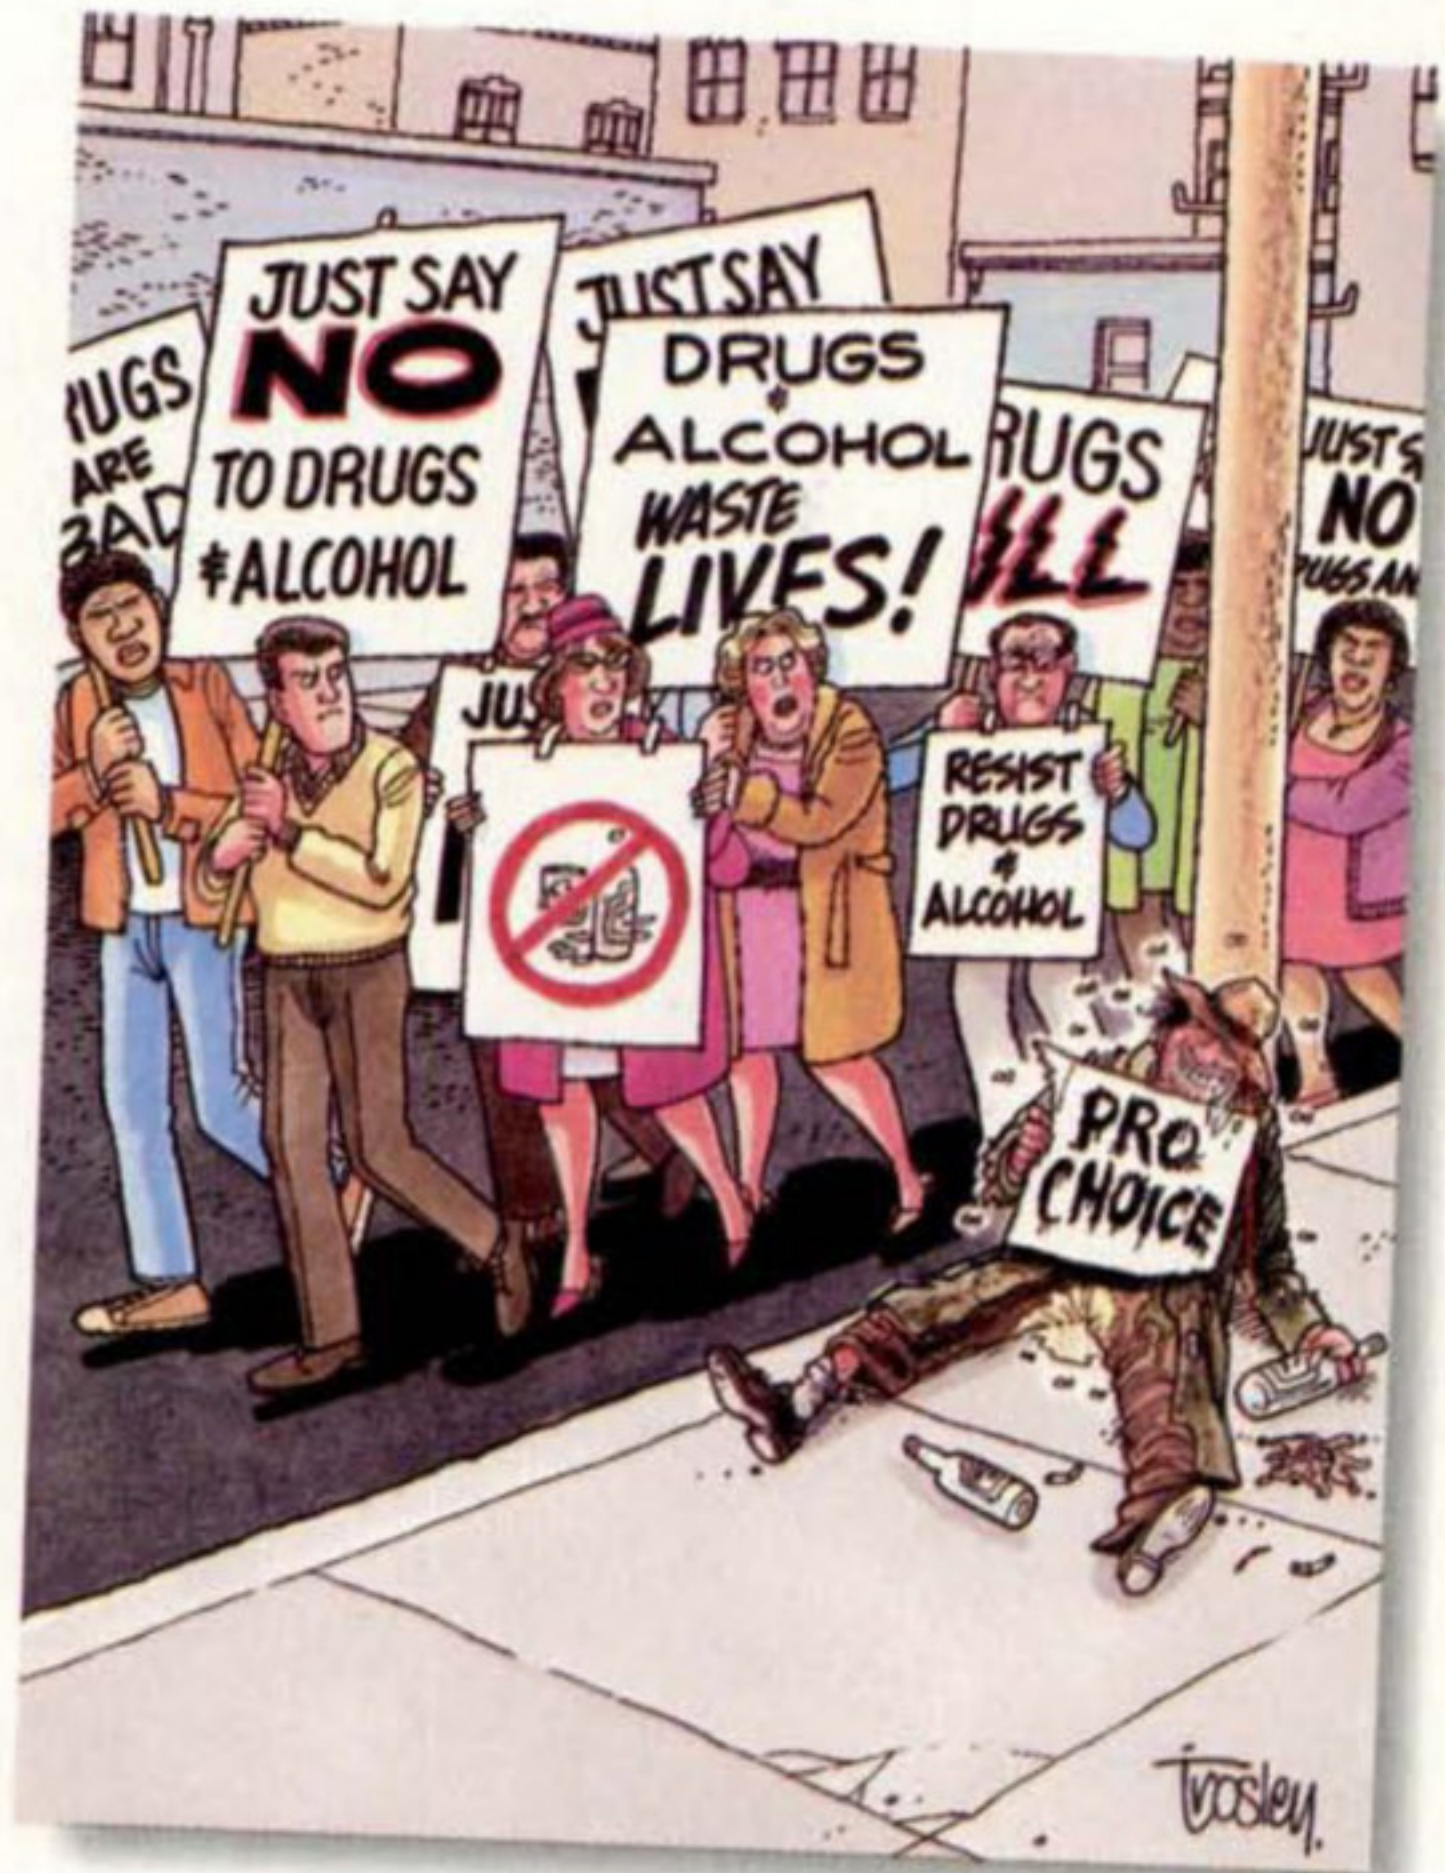

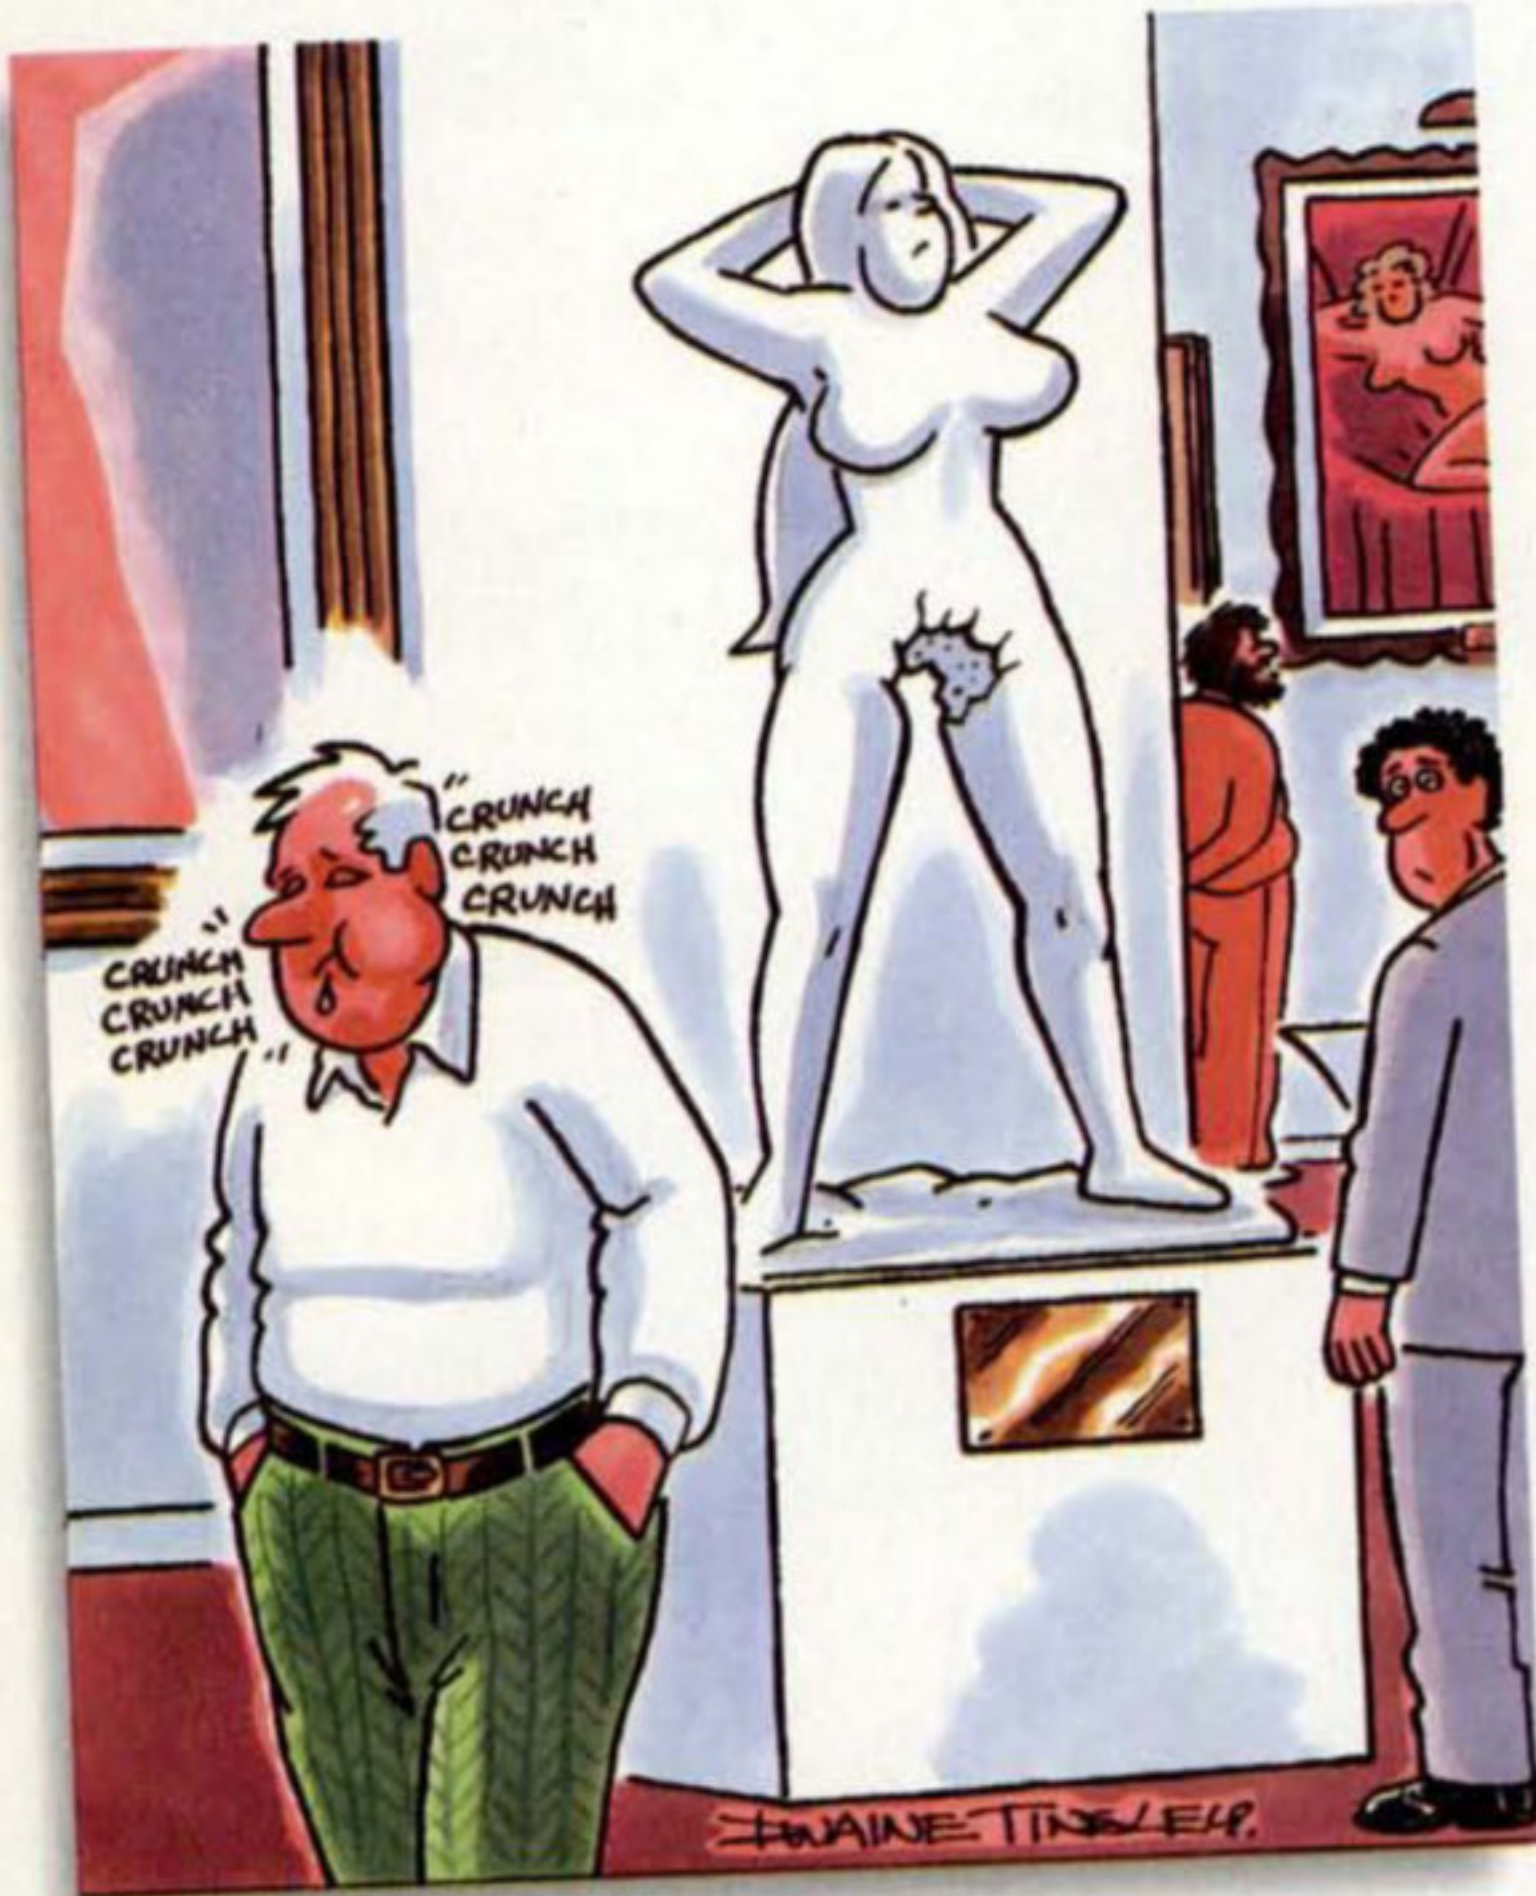

My cousin recently told me that he saw my girlfriend of three years kissing another guy at the bar. My girlfriend denies any such encounter and claims my cousin tried to seduce her. They refuse to be in the same room to sort out the mess. Whom do I believe?

—P. J.
Phoenix, Arizona

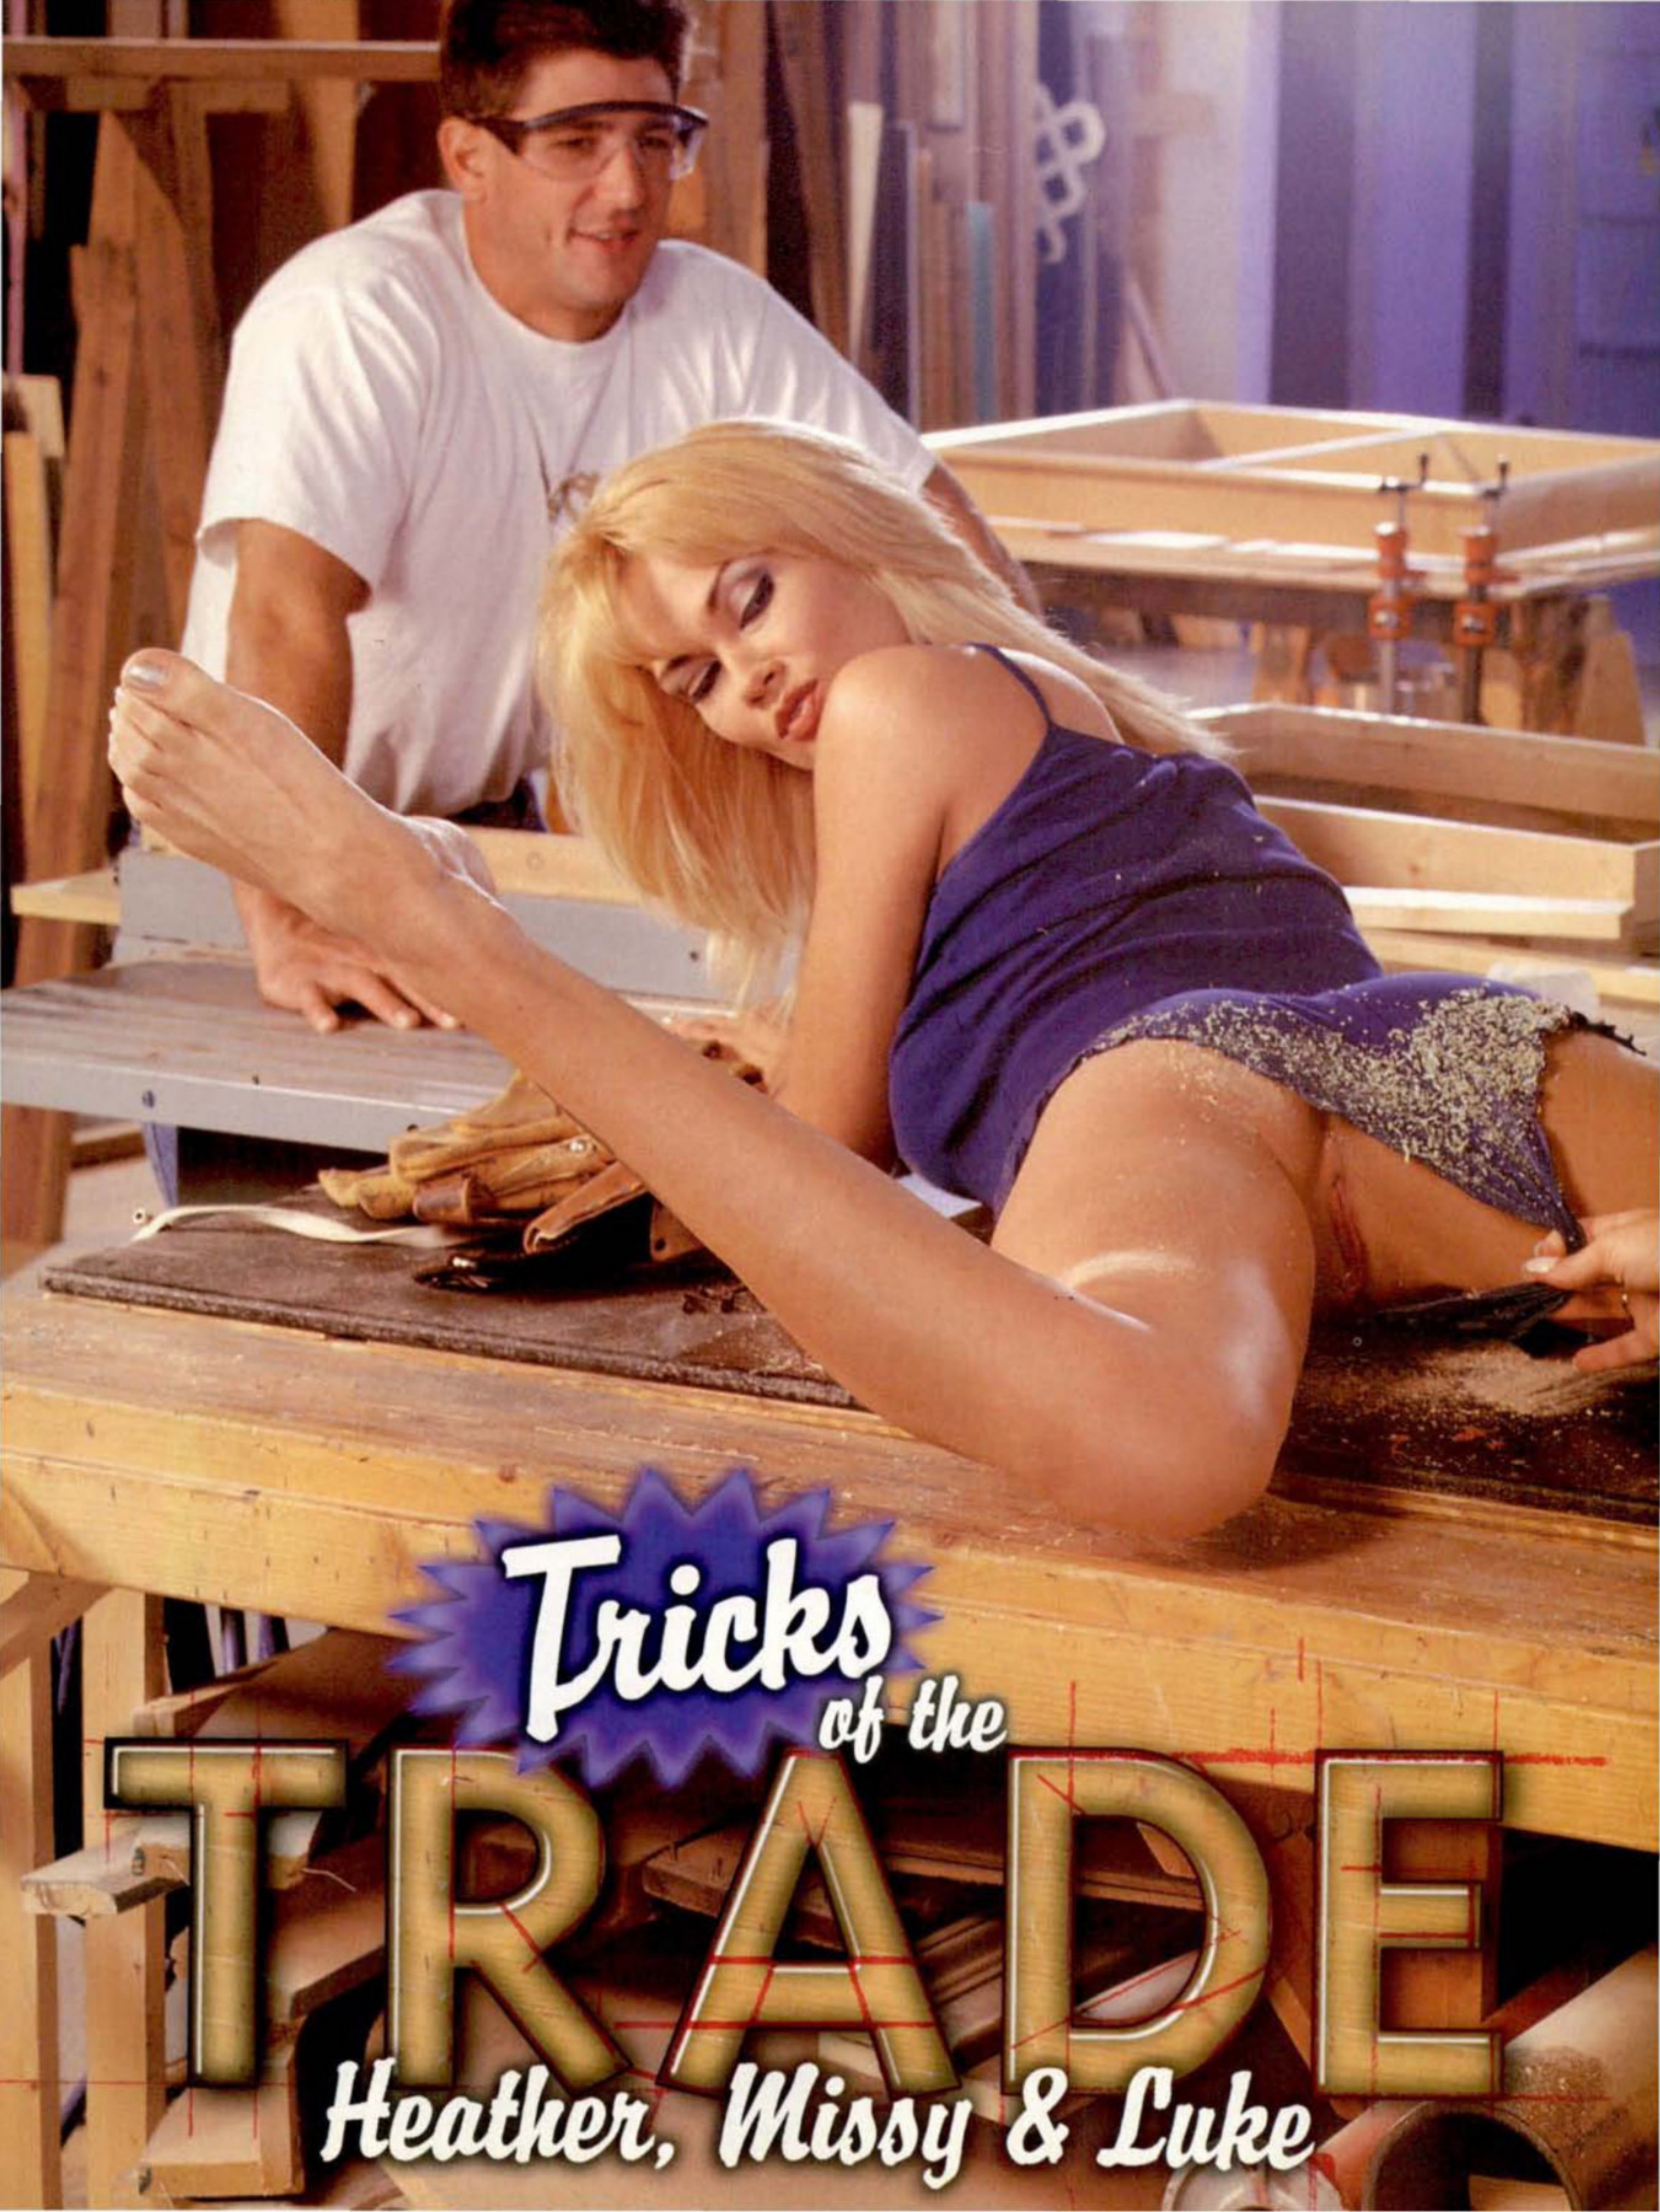

Is your cousin a slimeball? Does your girlfriend have a history of cheating on her lovers? Listen to what your gut instinct tells you. But remember—before you accuse anyone, stupid things happen in bars when alcohol and the opposite sexes mix together. If you didn't see the infidelity firsthand,

TRADE

Heather, Missy & Luke

PHOTOGRAPHY BY MATTI KLATT

Carpenter turned wood-shop instructor Luke teaches ex-hookers Heather and Missy the skills they need to make an honest living. Busty Missy giggles, leaning over the workbench. "What's today's lesson, master?"

"Let's practice woodworking," Luke replies, brandishing his swollen timber.

The carpenter's cock-hungry apprentice falls to her knees before her mentor's dick.

Luke slides his plank into Missy's lip lathe.

"Use a gentle, even motion for the smoothest results."

"You two perfect that doweling," Heather says, parting Missy's thighs. "I'll work on the art of tongue and groove."

HOT SWEATY PHONE SEX WITH THE GIRL OF YOUR DREAMS!!!

Dear Slut

(continued from page 20)

Leakage of lube and other detritus occurs with any amount of anal sex. Some women give themselves enemas to avoid taking partners on a messy log ride.

allowing sleeping dogs to lie might be your best bet.

GAY FOR GIRLS

Guys enjoy watching two girls fuck. Does watching two guys hide the salami make women's pussies wet? —D. D.
Via Internet

Yes, sexually liberated women enjoy watching two gorgeous hunks pleasure each other. We also relish viewing two beautiful women fuck. In the sexually repressive 1990s, straight people are afraid to watch people of the same gender engage in intercourse, especially men. Many straight men conceal their deepest sexual desires for fear of being ridiculed as queer or weak. I've done videos where I strap on a dildo and fuck a man in the ass. These videos sell extremely well with straight couples. Attractive individuals appeal to both men and women. Sex turns people on. Don't fight the feeling.

ASS CATASTROPHE

I love watching anal movies, but the gaping assholes concern me. Does a stretched butthole leak shit after doing hard-core anal scenes? Can too much anal sex cause irreparable damage?

—R. C.
Allegany, New York

Years and years of rough anal sex causes rectal damage. The butthole lacks the elasticity of the vagina and tears easily. But the average couple participating in cautious butt-fucking need not worry. Leakage of lube and other detritus occurs with any amount of anal sex. Some women give themselves enemas to avoid taking partners on a messy log ride.

VALUABLE VAGINA

Jeanna, why are guys such pricks? They tell you they love you, and they shower you with attention. But after a few weeks of fucking, they split and never call again. How can a girl avoid this horrible pattern?

—B. Y.
Vallejo, California

Be smart. Don't give away the pussy for free. Guys dodge desperate, clinging women. Men love to chase. If you give up the coochie to a lazy man, your pussy loses value. Intrigue men with mystery while cultivating a mutual friendship. If you're looking for a commitment, weed out assholes by being extremely selective with bed buddies. I'm not advising

anyone to play mind games to snag a mate. But men know not to buy the bar if they can drink beer for free.

ONLINE SCAM

I have cybersex with another man at least three times a week. My wife doesn't know about my online relationship. My friends tell me that cybersex is cheating, but I don't agree. What do you think?

—V. P.
Hennepin, Minnesota

Concealing an intimate sexual relationship with another person from your wife sounds like cheating to me. Cyberspace is a wonderful place to explore fanciful sexuality, but the marriage vows you took are real.

BANG OFF

Would you ever consider doing a gang-bang like Jasmin St. Claire? —P. T.
Grand Island, Nebraska

I would never entertain a gang-bang of that size. I fucked 16 guys at once and realized that I feel crowded and harried by too many partners. My clit is between my eyes as well as my legs. I'm very ver-

bal when I fuck. I can't speak or function with dicks crammed ruthlessly into every orifice. I'm not out to break any records with assembly-line sex.

LITTLE YELLOW LIE

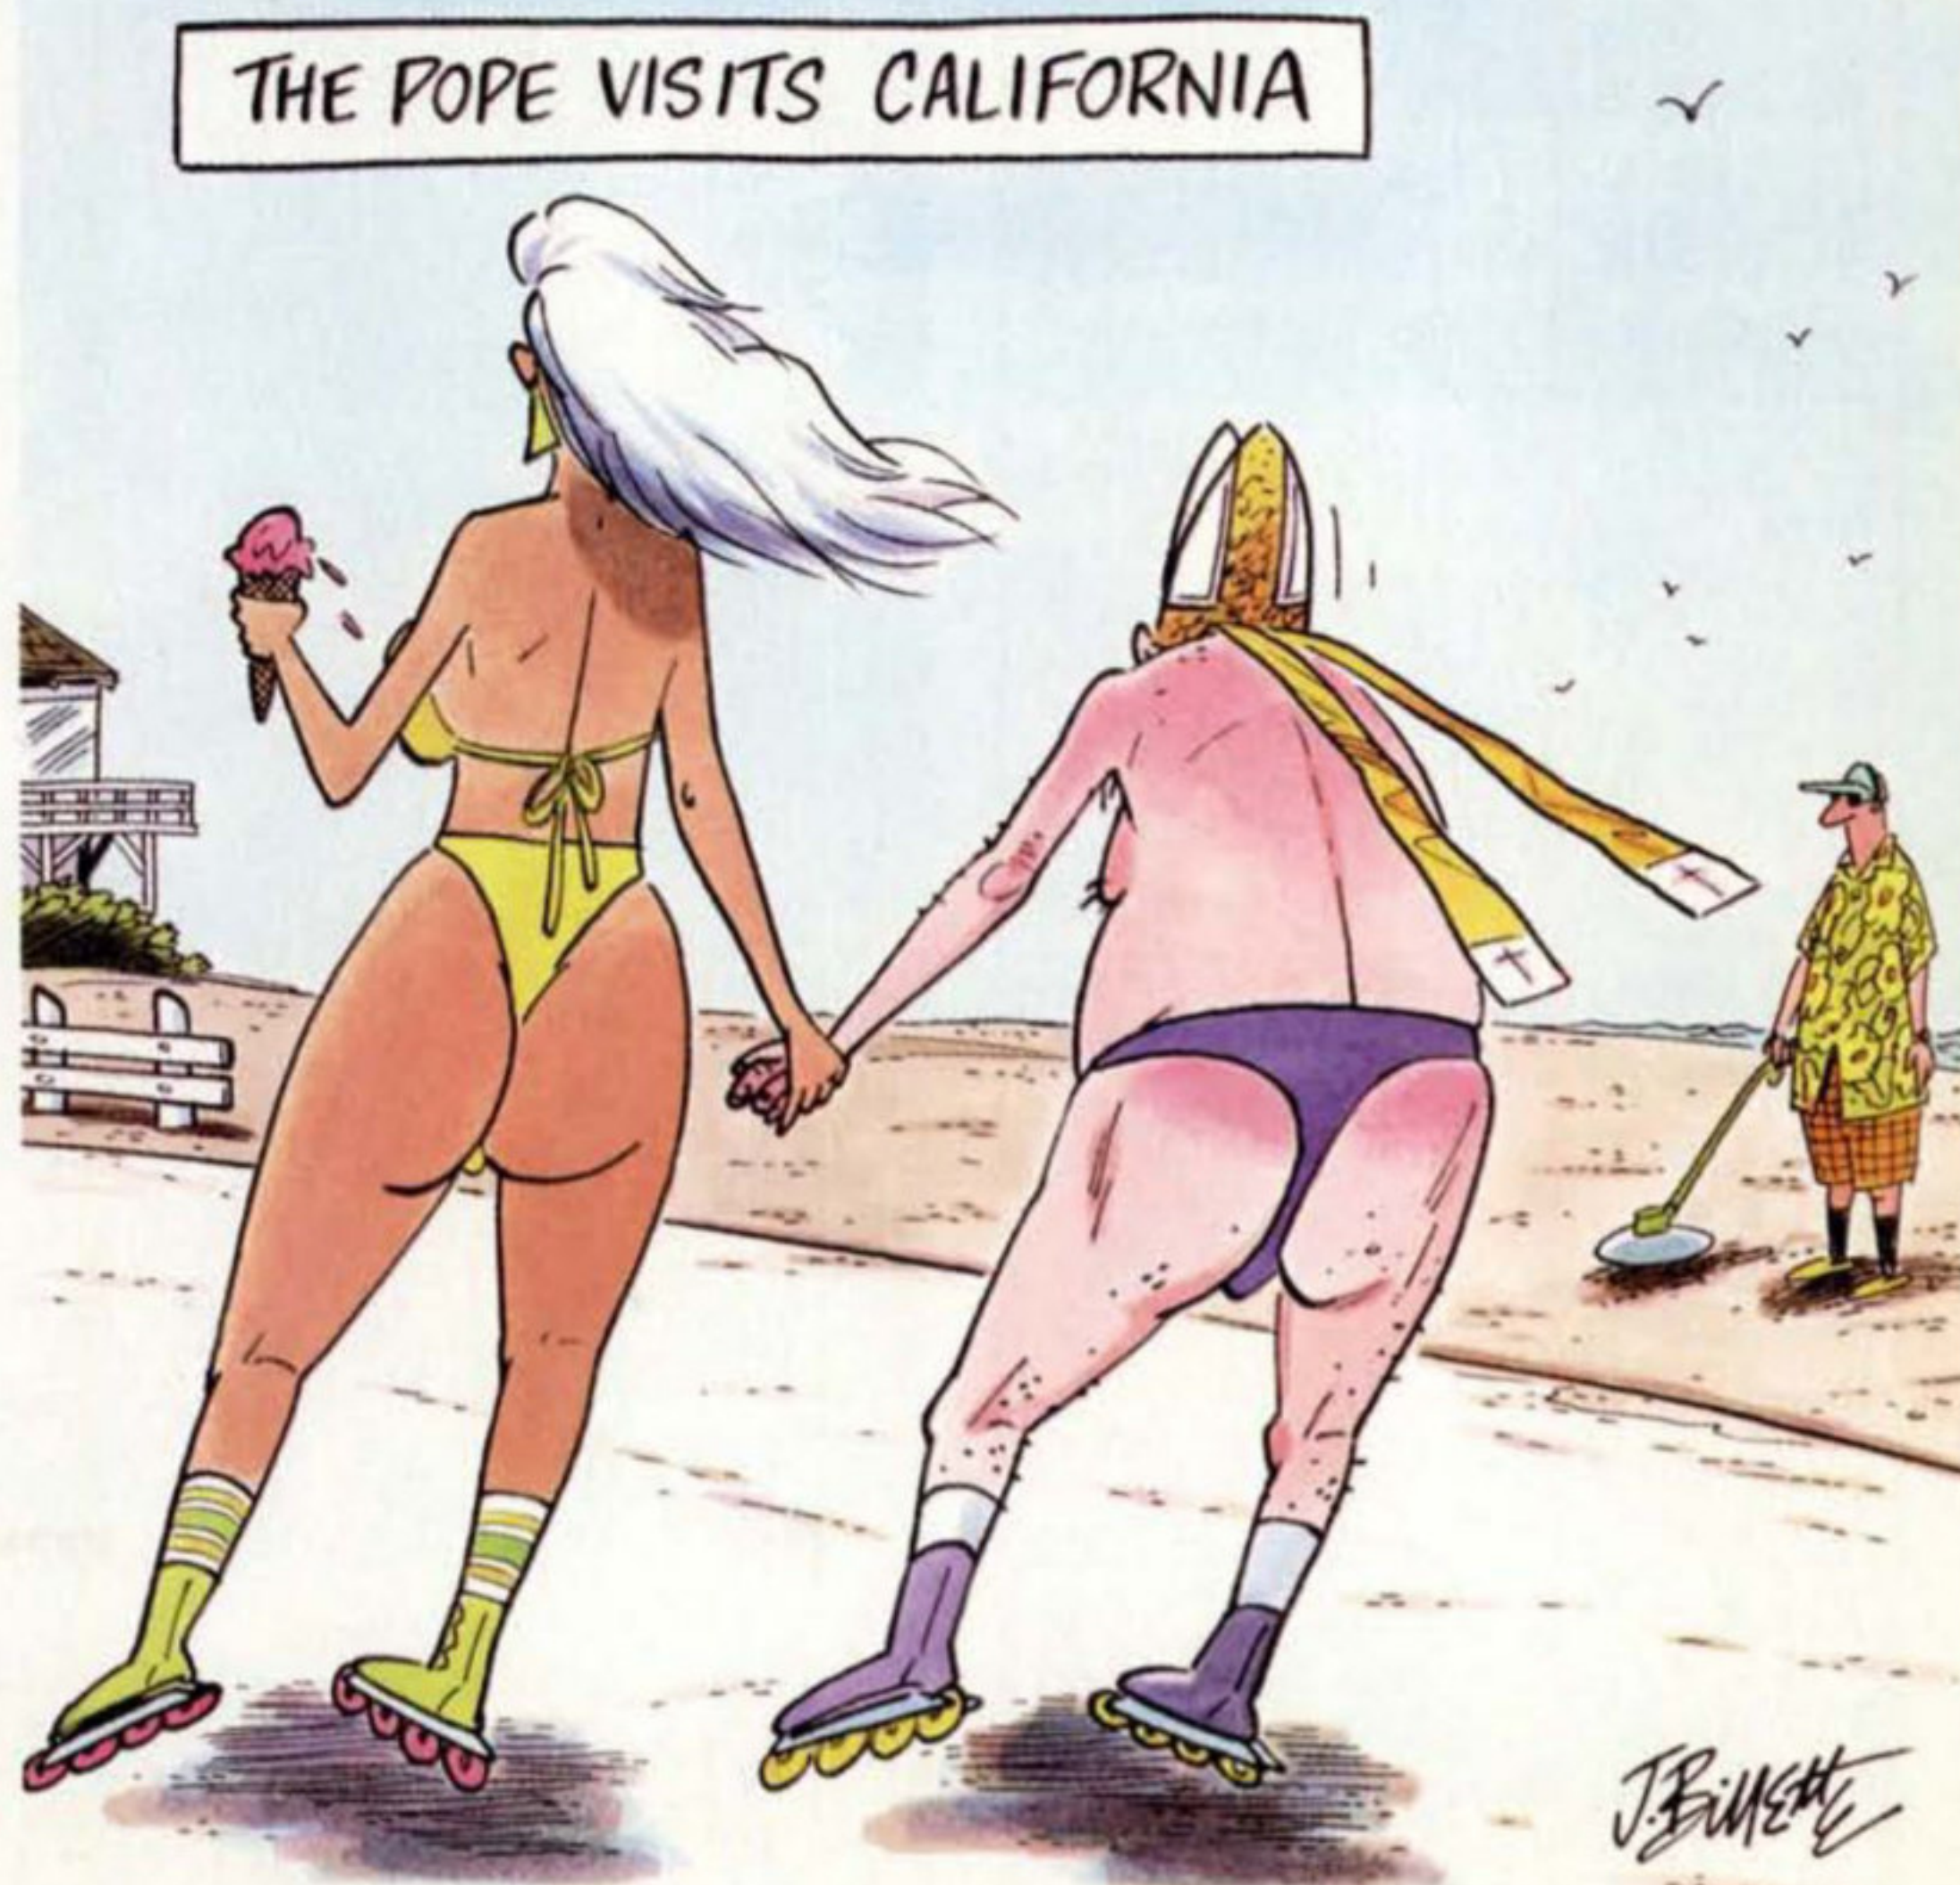

My friend claims that you don't need to use condoms for the prevention of disease during sex. He says it's enough to take a piss after fucking and flush the germs out that way. Is there any truth to his assertion?

—A. L.
Berea, Kentucky

No, but peeing after sex does eliminate some bacteria exchanged through intercourse. Urinating will not protect you from gonorrhea or syphilis. The only way to avoid STDs is abstinence or, at a minimum, condoms.

FEEDBACK

(continued from page 13)

loud and dangerous club. I've never experienced any problems with the cops. HUSTLER should finance some small-town twat for me. I'll give the readers of America's Magazine an article of vagina value without the legal straps. —J. A. Wausau, Wisconsin

HUSTLER acquires vital and fresh articles from talented writers by pressing an ear to the ground and listening to the beat of the streets. If readers have an idea for an interesting article, write to HUSTLER (8484 Wilshire Boulevard, Suite 900, Beverly Hills, CA 90211) to obtain writer's guidelines and submission specifications.

Looking for Original Sin

I want to purchase a classic HUSTLER Magazine that ran in the 1970s. I called the Subscription Department. They told me that I need to know the month and year of the issue. I'm unable to remember the exact date of the magazine I want. I remember a boy/girl set of a black stud and his Georgia peach. Does that description ring any bells? —J. C. Atlanta, Georgia

The infamous interracial Butch: A Black Stud and His Georgia Peach appeared in the December 1975 issue.

The Sleazy Way Out

I am a 22-year-old blonde. I am 5-6 and weigh 101 pounds. The other day, I saw the July 1998 issue of HUSTLER lying on my friend's coffee table. I looked through the pages and spotted *Beaver Hunt*. I jotted down the address. I have current photos of me spread naked, using a dildo and allowing two male friends to double penetrate my pussy and rectum. What picture should I send? —M. P. Salem, Massachusetts

For God's sake, woman, send them all. Professional Beaver handlers decide the most promising pose to grace the pages of America's Magazine. Please remember to include two forms of identification and the signed model release on page 112. If we select your pictures, you'll receive a check for \$250 along with newfound national notoriety.

HUSTLER Pimps Playboy

In the July 1998 *Feedback*, you referred to Hugh Hefner as a pussy ("Hustled by Playboy"). Please, put down the crack.

Hef is the man, but Larry is the pimp. Thank God for the both of them. —R. K. Lehigh Valley, Pennsylvania

You're right, R. K. Hef's hard-core performance in the August 1998 Bits & Pieces ("Porn From the Playboy Past") proves that he's no pussy, although his pretentious rag lacks balls.

Little Douche Coup

I think the beautiful models of HUSTLER would look even sexier if they showed a small amount of white discharge between their pussy lips. Ask the models to avoid douching a few days before the shoot. The accumulated cunt cream

gives women a more natural look that could take HUSTLER to new heights.

—K. K. Lawrence, Kansas

Although HUSTLER appreciates the natural functions of a beautiful woman's body, we prefer smegma-free centerfolds.

Do you have a comment or complaint? We want to hear it. Send your letters (typed or neatly handwritten) to HUSTLER Feedback, 8484 Wilshire Boulevard, Suite 900, Beverly Hills, CA 90211, or E-mail to hustler@lsp.com. Include a phone number if you want your letter considered for publication.

ALL TAINT'S EVE

For 364 nights each year, offering candy to children makes me a pervert. On Halloween, I pass out a few moldy Mallomars, and I'm the hero of the neighborhood. Americans can be so hypocritical; sometimes I think I should move to France, Thailand or some other country with a sensibility as refined as my own.

I was about to settle in for an evening of watching refined porn tapes when a knock at the door startled me. The hour was well past midnight; and the porn was extremely refined, German smut...the kind they have laws against on these crypto-fascist shores. In a state of advanced hyperventilation, I threw my VCR into the closet, zipped up my pants and attempted to appear calm while greeting what I prayed would not be a uniformed caller. I need to fall prey to another sting operation like I need a hole in my fucking head!

The mysterious visitor turned out to be clad in official gear, but not the type that comes with a badge and a colon-fitted nightstick. She was a small-framed beauty poured into an extremely tight schoolgirl uniform, flaunting every curve of her vivacious, succulent figure. Pleated, plaid fabric hugged her hips; a see-through blouse crowned her torso. From her raven-black hair to her sassy, C-cup bosom to her leather pumps, the naughty bobby-soxer undoubtedly qualified as a piece of ass. I smiled at her politely; she responded with a lip-curling leer that was

suggestive enough to be a criminal act in several less progressively minded states.

"Trick or treat," whispered the bodacious beggar. In her hands, the tiny tart clutched a toy jack o' lantern, strategically positioned before the crotch of her skirt. I dropped a few candy bars into the plastic pumpkin, patted the sweet young thing on her head and shut the door with a slam. Finally, I could return to the *fräuleins* of my German fuck flick! Thank goodness, the extra-large drum of Vaseline had not grown cold in my absence.

As soon as I reconnected the VCR to my television, another louder knock rattled my living room. Groaning heavily, I opened the door to be greeted by the same schoolgirl who had already interrupted my masturbatory "me time." The pale skin of her comely face had turned a hot red, and her eyebrows were cruelly arched. The

angry woman looked like trouble—and I'm not talking about the kind of jail bait trouble I enjoy.

"Goddamn it," she yelled a bit too loud for comfort. "I've been trying to catch your eye ever since I moved down the block. I know what kind of kinky shit floats your boat; so I thought this stupid costume would finally grab your attention...or something. Why did you slam the fucking door in my face?" Reluctantly, I yanked my uninvited guest inside; the last thing I needed was another neighborhood-watch report about screams coming from my house. I couldn't help chuckling at the way she angrily tapped her foot.

"Forgive me," I pleaded, laying a friendly hand on her shoulder. "I don't mean to laugh. It's just that you're—well, you're so old. Which isn't necessarily a

EDITED BY EVAN WRIGHT

Ben Dover's Crack Attack

**FULLY
ERECT**

Directed by Ben Dover; starring Kelly, Emma, Christina, Lucy, Michelle, Holly Bush, Omar, Bob Scott, Pat Bateman, Pascal White, Nick Kersdown and Ben Dover. Videocassette: VCA Platinum.

An excited quiver affects Ben Dover's narration when he comes in close proximity of a sexy chippie with a hot, sweet pussy. Dover's nervous prattle with the beautiful video first-timers creates the illusion of tension; he successfully cultivates the possibility of rejection, making the cum-spewing conquest even more enjoyable to watch. Dover flatters naive nymph Lucy and introduces her to his well-hung mate Omar. Lucy appears nervous and inexperienced, unsure if she wants to continue. Omar licks her licorice-colored labes and slides his fat, black baton into her juicy quim. She queefs and hides her blushing face. A bell rings. Two of Dover's chums unexpectedly arrive. They join the couple mid-coitus. Turgid cocks demand pleasure from all Lucy's available orifices. Dover crams her soiled panties into Lucy's spunk-drenched cunt. *Crack Attack* is addictive. —Mitch Shepard

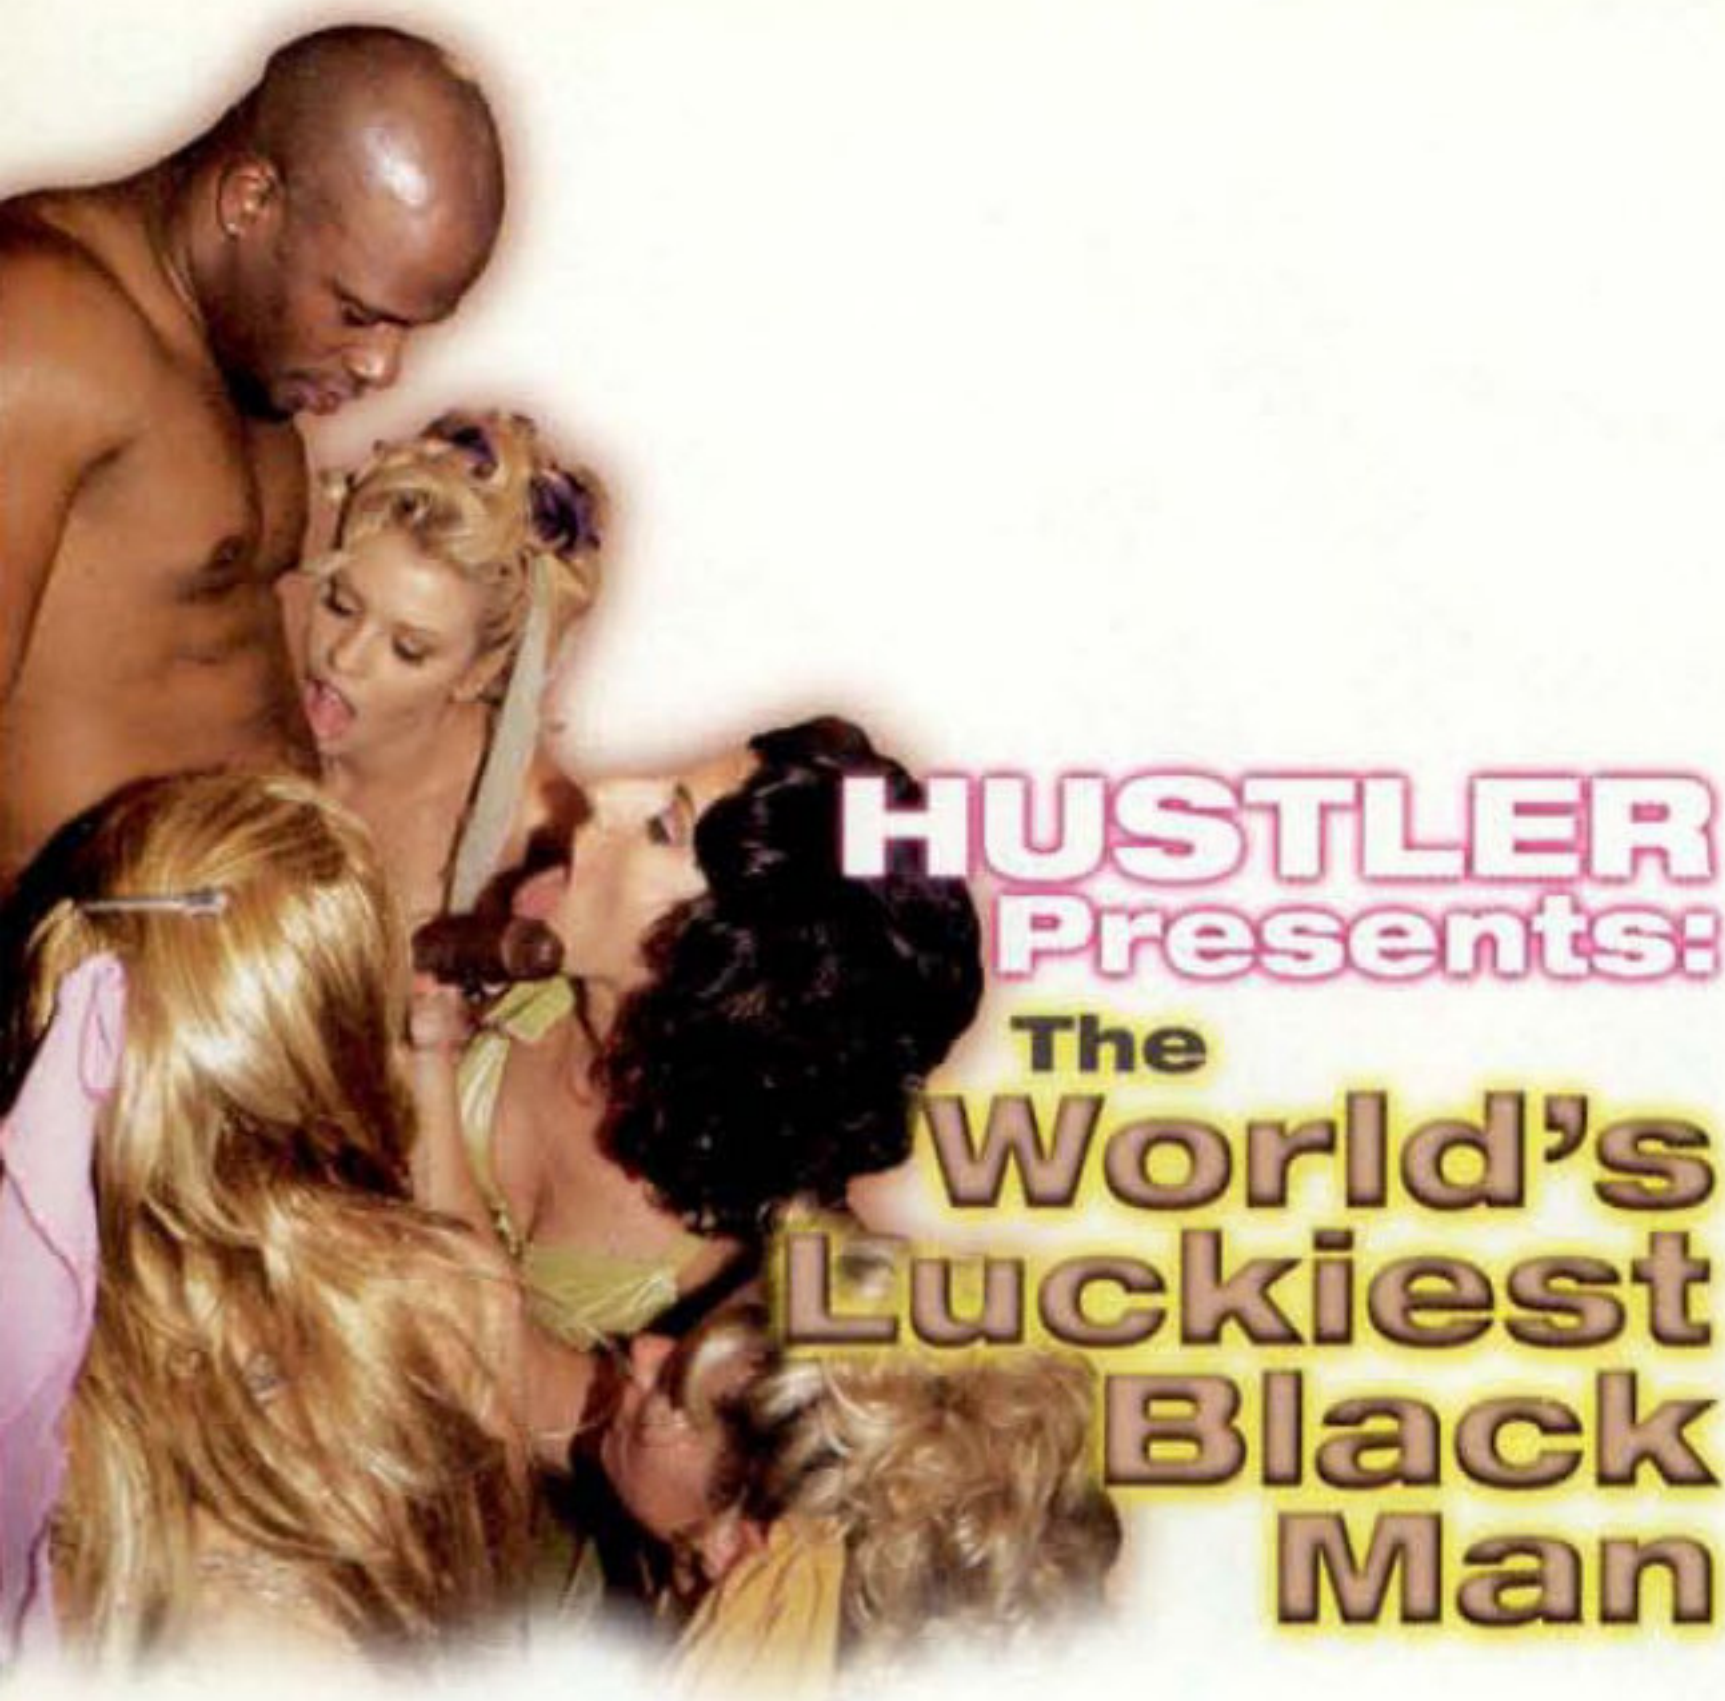

CRACK ATTACK: Emma, portrait of an English slut.

CRACK ATTACK: Omar feasts on Kelly.

CRACK ATTACK: Christina's pre-ass-fuck smile.

HUSTLER Presents: The World's Luckiest Black Man

"Biggest Interracial Gang-Bang in History"

"His dick does not get soft," marveled the cameraman lensing Mr. Marcus during the two-day shoot for HUSTLER Video's production of *The World's Luckiest Black Man*. Mr. Marcus plays an African sultan with a multiethnic harem of 101 cunts. The challenging role requires Mr. Marcus to fondle, fuck, beaver-lick and sodomize 101 day-rate slatterns in a 48-hour period. On the second day, during one of the innumerable blowjob scenes, as four blond heads bobbed over his lap, Mr. Marcus appeared to nod off. His eyes grew heavy, and his head slumped, but his manhood remained upright.

"I'm not claiming to be nobody great," declared Mr. Marcus shortly after coaxing out his 18th and final pop-shot. "My job is like being a basketball player. It takes practice."

"I'm not even hung like some of the other guys in the business. My dick is only about nine inches long. It is thick, and girls seem to like the way it

catches in their pussies."

Mr. Marcus, who worked as a forklift operator prior to entering the adult business, now sees himself as a pioneer for equal rights. Four years ago, when he began in the porn business, many white girls refused to work with black talent, and some producers wouldn't hire him. "This HUSTLER Video production is probably the world's biggest interracial gang-bang in history. It's about time the adult business caught up with reality. There's interracial sex every day in the real world—Jewish people with Irish, Russians with Australians—why not this?"

"I'm proud of what I do." Mr. Marcus cracked open a beer at the end of his second day. "But I didn't tell my mom about this 101-girls shoot. My mom's pretty religious, and she'd probably kick my ass."

HUSTLER Presents: The World's Luckiest Black Man will be available October 1.

Mr. Marcus drills his harem.

White Trash Whore 6

HALF
ERECT

Directed by Jim Powers; starring Cassidy, Alyssa Allure, Almond Joy, Brian Surewood, Johnny Thrust, Byron Long, Rick Masters, Buck Adams, Jay Dogg, Notorious D and Tony Eveready. Videocassette: JM Productions.

White Trash Whore is a refreshingly honest title, and Cassidy, the starring fuck hole, lives up to low expectations set by the misspelled box-cover copy that reads in part, "Come one [sic] smile you fucking pig whore!" Cassidy smiles. The blue-eyed white girl's grin stretches around five African American putzes before her shit-pit is gang-packed atop piles of refuse in a junkyard. The train of black dongs cramming into Cassidy's caboose leaves her turd rings gaping like a mushy doughnut hole. The brothers unload their ball sacs on Cassidy's head, and she goes home to her trailer where, for comic relief, Buck Adams jams her face into a TV dinner. Next stop is a pickup-truck bed on which pint-size helion Alyssa Allure does her impression of a grunting hog while two white apes double penetrate her lower slop holes. *White Trash Whore* stinks pretty good.

—Mack Assarian

The Wish of a Porn Star

TOTALLY
LIMP

Directed by Chad Bahama; starring Lexi Eriksson, Kimberly Cummings, Nici Sterling, Shawna Edwards, Charlie, Kimberly Jade, Morgan Fairlane, Kyle Stone, Jonathan Morgan, Ian Daniels, Joey Edwards and Jack Hammer. Videocassette: VCA Platinum Plus.

Porn fans willingly suspend disbelief with every push of the PLAY button. Fist fuckers know the shortcomings of real-life sex and seek release through fantasy. *The Wish of a Porn Star* fucks up the fantasy with the reality wishes of its players. Nici Sterling wishes that adult entertainers reveal the

truth behind the filming of sex scenes. Sterling's request transforms fun-loving fucking into an urgent trip to the VD clinic. Reality is a scary place where assholes leak chunky sewage and snaggle teeth scrape dicks during botched blowjobs. Ian Daniels parks his pecker in a pimply, blond skank. She snarls, "Is it in yet? Your dick feels small." A close-up on Nici Sterling's cunt looks like a spooky cave full of bat guano. More queer than a football bat, Kyle Stone ad-libs jokes too gay to mention. *The Wish* is a nightmare come true. —M. S.

Tatiana 3

FULLY
ERECT

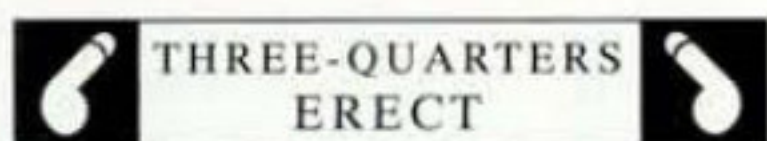

Directed by Pierre Woodman; starring Tania Russof, Caroline, Inga, Bettina, Rita, Katalyn, Gabriella Black, Jennifer Red, Keri, Magalie, Timea, Nora, Suzanna, Attila, Bemondo, Bruno SX, Franck Versace, Frank Gunn, Jean Michel, Mephisto, Rezeo, Tibor, Vincent Winner, Jean-Yves le Castel, David Perry, Andrew Youngman and Alain DeLoin. Videocassette: Private.

If porn were a war between the U.S. and Europe, it would be time for the American army of implant-blown, beat-up, bottle-blond porn skanks to raise the white cum rag of defeat. *Tatiana 3* blasts competing U.S. sleaze vids out of the toilet. *Tatiana's* strategy is simple: Assail the viewer with a small, highly depraved cadre of fresh, sleek, unmarred-by-surgery Euro gash. The invading cunts come equipped with firm, model-perfect asses, long legs, achingly beautiful eyes and firm, naturally full milkers. They wear silly-ass Marie Antoinette costumes and ride around castles in horse-drawn carriages, but cheesy, Euro-fag settings are quickly forgotten as the assault of hellacious anal degradations begins. Blue-eyed milk maidens raise their silk ruffles and wriggle like demons, their colons swollen with chuds. Wad splats across fuck-mangled sphincters; smiles glitter with coatings of scum. Bitches are keistered in castles and gang-banged in the woods. Beauteous abominations of deviant sex filth continue through eight nut-busting scenes. *Tatiana 3* slays stiff pricks. —M. A.

WHITE TRASH: Bucks crowd for some free white girl.

Some Like It Hot

Directed by Kovi;
starring Anita Blonde, Anita Dark,
Evelyn, Claudia, Ani, Frank Gunn,
Zenza Raggi, Reinhard and Pat.
Videocassette: VCA.

In America, double-dipping offends hygiene-conscious porn starlets. In Eastern Europe, the sexual zeitgeist differs. The stunt cocks in *Some Like It Hot* hole hop with aplomb, like greedy children plunging their fingers into the center of chocolate candies to taste the hidden inner contents. Dicks sample mouths, pussies and asses in one continuous take. Frank Gunn and Zenza Raggi double penetrate a maid and enjoy a mean-spirited joust in her muddy netherlands. A hot blonde lovingly tongue-polishes Reinhard's bumpy bullhorn before he drills for crude in her satin-skinned seat. The natural-titted slut sucks her butt scum off Reinhard's blood-engorged bratwurst. Freckled Anita Dark deep-throats Raggi's rigid rod and hums his furry balls. Dark's salmon sandwich looks delicious. After a happy meal at the drive-thru, Raggi snacks at Dark's brown cafe. *Some Like It Hot* burns up the blue screen. —M. S.

Thrust Fault

Directed by Wesley Emerson;
starring Missy, Alexis Dane, Randi Rage,
Claudine, Roxanne Hall, Steve Hatcher,
Kyle Stone, Jonathan Morgan,
Mickey G. and Michael J. Cox.
Videocassette: VCA.

God bless drooling sluts. The VCA skin-sausage mill cranks out dozens of vanilla-sex XXX soap operas, but *Thrust Fault* is a little better than the rest, thanks to the enthusiastic dick-slurping displayed by its cast of slobbering hootchies. The spit flies when crow-haired harlot Randi Rage grabs Jonathan Morgan's boffer, hawking on it, smearing it between her slimy mitts and splashing the tip in the puddles of slaver accumulated between her cleavage. Rage flashes her gooey smile at the camera, pleased with herself, like a tot innocently gumming a rattle. The lensman lingers on Rage's juicy suckjob, properly drawing it out as would a viewer if he were on the receiving end of the self-lubricating bitch's oral affections. The vaginal and anal encounters that follow are equally saturated with frothy élan. Despite the lame earthquake plot, *Thrust Fault* induces seismic eruptions of spunk. —M. A.

THE WISH OF A PORN STAR: Charlie slides into turd base.

SOME LIKE IT HOT: Ani, Claudia and Reinhard trade licks.

TATIANA: Katalyn, butt-stuffed.

THRUST FAULT:
A slobbering Rage.

Make Your Wife a Porn Star

Homegrown Video Releases
500th Amateur Fuck Vid

Your wife gives really good head. Despite the two kids, she has a firm body, beautiful tits and cute nipples that poke out when she's hot. Your wife in something low-cut on the street turns you on. Other guys look at her. You own a video camera. When you tape the little woman in the privacy of your bedroom, she turns into a hellion. Isn't it strange how a video cam brings out her exhibitionist side? Aim a lens at her, and she acts just like a porn star. She even takes it in the ass. Wouldn't it be cool if other people could see what a hot slut you're married to? There is a company that will pay you up to 20 bucks a minute for homemade XXX loops, professionally edit and package the footage, then sell it around the world.

Homegrown Video has been in the business of turning couples' XXX dreams into hard-core reality since it was founded in 1982. This year Homegrown, a subsidiary of the San Diego, California, adult-video manufacturer Xplor Media, releases its 500th all-amateur raunch video, making it the longest-running

hard-core amateur series in America.

"Most of the tapes we receive are from fairly average couples," says Farrell Timlake, the owner of Homegrown and, along with his wife, a former contributor of homemade fuck films to the company. "We recently had a woman withdraw a tape she and her husband had sent in because she was up for election on her PTA. She did a DP with her husband and a 12-inch dildo that would have earned her my vote."

What tapes don't make the cut?

"We had a guy who sent in a video of himself inserting screwdrivers up his penis. We sent that one back."

The Homegrown/Xplor Media catalog offers more than 500 titles, featuring exhibitionist couples, amateur plumpers, hairy girls, neighborly gang-bangs, as well as a full range of professional titles. The catalog costs five bucks. For information on ordering the catalog or submitting your homemade XXX tapes, contact Homegrown/Xplor at 1-619-541-0280 or www.homegrown-video.com.

Stardust 10

ONE-QUARTER
ERECT

Directed by Michael Zen;
starring Janine, Dyanna Lauren,
Melissa Hill, Jen Teal, Sahara Sands,
Steven St. Croix, T. T. Boy,
Jon Dough and Tony Tedeschi.
Videocassette: Vivid.

A plumber who refuses to handle pipes finds himself unemployed and destitute. The same applies to a useless baseball player who won't swing a bat. If this logic follows, then Janine should never work in the adult-entertainment industry again. Janine has made a career eschewing the very object that pays her rent: a man's penis. Looking like Cindy Crawford's reflection in a fun-house mirror, Janine bestows an occasional bored pussy slurp. Along with a sick box-cover bitch who won't ingest dick, *Stardust* offers a convoluted plot, asinine in-jokes and grade-school special effects. The sex sucks too. As Steven St. Croix humps Sahara Sands's lumpy lap, her tits stand at attention on her chest like pink-concrete statues. Beautiful Jen Teal's guest-gash appearance is wasted on Janine. *Stardust* should collect shelf dust at the video store. —M. S.

Hidden Desire

ONE-QUARTER
ERECT

Directed by Cash Markman;
starring Roxanne Hall,
Amythiest Stone, Morgan Fairlane,
Randi Lee, Nikki Neals, Alyssa Allure,
Ian Daniels, Tony Tedeschi,
John Decker, Steve Drake,
Rod Fontana and Jay Ash.
Videocassette: VCA.

Hidden Desire opens on a brunette, with a face like a funny-looking cunt, as she goes down on a schlong whose owner's zit-scarred head is not improved by the toupee capping his craggy dome. Cunt Face and Zit Head slobber on each other's genitalia and play hide the salami until Zit Head sprays

ball puss on Cunt Face's crack. If the unappetizing human participants of *Hidden Desire* were meat, they would be recalled before they infected vast regions of the nation with germs. The cavalcade of bipped oddities features chicks with butt cheeks like textured mounds of cottage cheese, fucked-up tit-job victims with kooky, lopsided nerps, stretch-mark skanks with floppy, Cream of Wheat chest sacks and a couple of used-up B-girls with weird vaginas that look like they were in car wrecks. *Hidden Desire* is best left in the dark.

—M. A.

Gutter Mouths 6

ONE-QUARTER
ERECT

Directed by Jim Powers;
starring Riana Star, Meridian,
Liza Harper, Micky Lynn,
Chris Charming, J. J. Michaels,
Johnny Thrust, Dave Hardman,
Buck Adams and Lenny Fetish.
Videocassette: JM Productions.

Gutter Mouths invites starlets to talk as dirty and often as they please. The free-form dialogue quickly becomes problematic. Dim-witted talent can hardly remember a simple script, let alone spontaneously invent one. Dirty talk becomes a spew of nonsensical expletives, like apoplectic phone sex from a homeless person speaking into an imaginary receiver. Starlets not only talk dirty, they look unclean. Riana Star's fat flies during a double penetration with Buck Adams and Johnny Thrust. Her gray pussy brings to mind stepped-in gum from the bathroom floor of a Reno whorehouse. Micky Lynn, in true trailer-trash form, sheds her acid-wash cut-offs to reveal a pudgy form so pale, she could double for Frosty the Snowman with paper plates as tits. Spreading a gash the size of a machete wound, Meridian coherently conveys her desire for dick as Dave Hardman mounts her thick form like a jet ski. *Gutter Mouths* is more gross than filthy.

—M. S.

BEST FRIENDS: Vouyer anally subdues Julie Rage.

HIDDEN DESIRE: Daniels and Allure rub uglies.

STARDUST: St. Croix slams Sands.

Best Friends

Directed by Toni English;
starring Lene, Johnni Black, Julie Rage,
Jacklyn Lick, Monique, Jon Dough,
Ian Daniels and Vince Vouyer.
Videocassette: Vivid Video.

If Planet Slut invaded Earth with warrior bimbo fuckbots to enslave humankind by sucking men's souls out through the tips of their cocks, the first attack might look like Julie Rage's throaty assault on Vince Vouyer's schnitzel in *Best Friends*. Rage is a high-intensity blonde, with a carnivorous kisser and long, sharp legs like scissors. The saline bombs on her chest rock explosively as she froths on Vouyer's crank. Vouyer strains to unjam his manhood before it disappears down Rage's gullet, then wrestles her into canine submission while she unleashes a torrent of sincere-sounding gutter talk. Vouyer frantically pumps her shit bucket, finally silencing the fuckbot with a wad blast to her mug. Unfortunately, the fury of the Rage/Vouyer coupling is not repeated; the ensuing dyke pile-up is downright tedious, and *Best Friends* proves a distant second best.

X-Treme Sadie

TOTALLY LIMP

Directed by Cash Markman; starring Sadie Sexton, Timber, Bobbi Bliss, Liza Harper, Mike Horner, Christian Todd and Mike Hurt. Videocassette: Midnight Video.

Box-cover girls accept a huge responsibility. The featured starlet becomes symbolic of the success or failure of the entire video. Such is the case for Sadie Sexton. *X-Treme Sadie* acts as an elongated index finger down the viewer's throat. Sadie's beauty mark looks like an errant booger fallen from her vulpine snout. Dicks scamper freely through Sadie's hollow pussy like rats through a storm drain. Her blubber-filled ass shimmies with every frictionless thrust. Sadie doesn't moan in ecstasy; she whines. In an attempt to appear seductive, Sadie bows her head and averts her eyes, like a child growing up in a world of open palms and unlooped belts. Always aware of the camera, Sadie comes off like a stupid, self-absorbed girl who never tires of celebrating the constant miracle of herself. *X-Treme Sadie* is extremely shitty. —M. S.

Models

TOTALLY LIMP

Directed by Kris Kramski; starring James Bonn, Dru Berrymore, Nancy Vee, Tina Tyler, Katie Gold, Anita Blonde, Diane Sleek, Michael J. Cox and J. D. Videocassette: Sin City. Shot on film.

In *Models*, Nancy Vee co-stars with a toilet plunger. Vee, deathly thin, with sunken cheeks and a hollow, predatory gaze, exudes a macabre allure. She slinks into the frame looking like a blood-starved vampiress who has filed off her fangs and is attempting to pass as human. Vee's bravura performance centers on butt-fucking herself with the 16-inch handle of a plumber's helper. Vee forces the pole up her bowels, cringes spasmodically, rolls her eyes and vomits slimy chunks into the toilet. The moment is as erotic as an autopsy, an execution or watching a freak nail his tongue to the wall.

X-TREME SADIE: Horner shakes Timber.

MODELS: Sleek readies for horn solo.

Models is billed as an exposé of the adult industry; the director exposes himself as a maker of an allegedly straight XXX that seems queer. Copulation is shunned in favor of sexless bung-hole impalation; close-up shots are lavished on a hapless dude's

wang injected with a hypodermic needle. Is *Models* a gay underground film? *Models* could only have been worse if the director had filmed himself shoving a plunger up his own ass—or maybe that would have been an improvement. —M. A.

Hot Letters

(continued from page 35)

She dug her heels into the carpet and screeched, "Advanced age? I'm 19 fucking years old! Christ, I got off on the fact that you're a freak, but you may be sicker than I thought!"

bad thing; you've held up remarkably well for your advanced age. For instance, your obviously oversized nipples are quite pleasing to the eye. Unfortunately, I find the idea of having sex with you somewhat...repulsive, frankly." Having said as much, I guided her toward the exit, applying a firm push to her round and ample ass.

She dug her heels into the carpet and screeched, "Advanced age? I'm 19 fucking years old! Christ, I got off on the fact that you're a freak, but you may be sicker than I thought!" Now I was angry. Mysteriously, so was my cock. Perhaps this hag needed to be taught a dick-driven lesson. I whipped her body around to meet my furious gaze; our loins ground together, and my boner leaped to proportions that would cripple my regular dream partners.

"Sick?" I spat. "I'll tell you what's sick. The age of consent laws in this backward country are sick. Wrinkles are sick. Gross, fully developed sacks of chest meat like these are sick." To illustrate the point, I grabbed the sizable boobs before me and squeezed their creamy mass. The slutty schoolgirl moaned in unwilling, enthralled ecstasy. Then I lifted her skirt and added, "Bushy, hairy cunts are sick." Dark, panty-free pubes bristled in defiance of my rant. Pure pussy aroma infiltrated my nostrils; it's been a long time since I experienced such a pungent womanly scent. I almost hate to admit how arousing I found the fumes.

My playmate obviously sensed the excitement in my trousers, because she also raised an inarguable contradiction: "If I'm so physically repulsive, then why is your middle finger massaging my snatch lips?" My God, the old bag spoke the truth! Like a hand possessed, my digits worked their way into the steamy, slimy crevice. Poon slop dribbled down my arm; the teenage twat was worked up and ready for a beef injection. My hardness was in a state that could not argue. I resigned myself to tossing the withered crone a mercy fuck. With a deep sigh, I whipped out my manhood and roughly shoved my houseguest's head toward the pulsating tip.

Most of the fantasy babies I bang love to suckle my penile pacifier. In stark, naked contrast, this bitch resisted my forceful efforts...before flipping me onto my back and tearing off every stitch of my clothing!

"You're about to get fucked by a real woman," she growled. I thought it was somewhat ironic that these words were

spoken by a 19-year-old, but such commentary was pointless: She had already shoved a swollen teat into my mouth. The tart taste shocked my overheated system; I hadn't wrapped my lips around such a significant hooter since I was an infant. "Suck my big bazooms! Let's see if you know what to do with anything bigger than a mosquito bite."

The room was spinning. I couldn't breathe! Warm, doughy flesh engulfed my face as hysteria gripped my heart. What if I suffocated? How could anyone possibly gobble such a milky mountain without gagging? Instinct kicked in, and I desperately licked and bit the nipples. Simultaneously, the twin spouts stiffened. I must have done something correctly. My mammarian oppressor withdrew her weighty weapons.

"Not bad," admired the hot-and-bothered coed. "Think you can satisfy an actual-size quim...on a woman who has been around the cock block?" In all honesty, the prospect was terribly intimidating. I always prided myself on my massive wang; somehow, the happy wiener didn't seem so overpowering when faced with a fuck buddy bigger than Billy Barty. Nevertheless, I felt up to the stiff challenge. The schoolgirl straddled my pole and sat squarely on my balls, bucking and

thrashing wildly. I bit my lip, astonished to realize I could explode in orgasm any second.

"Oh, my," I gasped. "That's good. Your snizz is convulsing inside. The way it slides up and down—I've never felt anything like it." Normally, I smear a lot of butter-flavored Crisco onto my member before intercourse. This horny skeeve provided her own steaming, sticky lubrication, which came as a groin-sizzling surprise. Maybe all older women are equally exciting; I'm not the right person to ask. All I know is that a 19-year-old vagina can feel even better than a younger girl's puckered butthole. I know, I know—I never would have believed it either.

I thrust back at the aggressive orifice swallowing my shaft. The schoolgirl screamed, "Harder, you disgusting pervert!" I did my best, but porking a full-grown chick is quite tiring. Eventually, I simply lay there while the grunting, sweating, clawing she-creature atop my prong did all the work. Each bounce of her bottom caused her skirt to fly up and down, allowing me flashes of the hirsute mound I once criticized so harshly. Fifteen minutes later, and I was a full-blown convert to furry coochie. The transformation was so complete, I felt

With Elsie's permission, I unloaded upon her bowels. My creaming spasms ceased, but the piss just kept on coming. Elsie's urethra bathed us for a solid, sexy minute.

the first blast of scum firing from my testicles.

I cried out and splattered fresh jizz within the fishy confines. Seemingly endless spurts followed, accompanied by the schoolgirl's orgasmic squeals. Our parts squished together even after my joint had grown flaccid; somehow, I just felt good about being inside a female who was born before the Bush Administration.

These days, I try to stay away from the young stuff—especially since the school-girl and I are talking about tying the knot. After all, she's pregnant!

HOT WETTERS

Glad to see that the piss fetish has finally taken HUSTLER's readers by storm. I don't want to sound jaded, but my wife, Elsie, and I were peeing when peeing wasn't cool. Perhaps our experiences can give novice piddlers some new ideas.

One night I came up with the utterly raunchy concept of urinating into a saucepan and cooking Ramen noodles in my fluid. Elsie would then serve the steaming soup to her unknowing sister, a hot tramp I'd love to hook up for a threeway. Sadly, Elsie shot the idea

down; she always gets jealous about her sexy sibling.

"Lighten up," I begged as Elsie and I got ready for bed. "I'll make it up to you with a nice, long back rub." After 12 years of marriage, I know how to placate the seething, inner bitch. Elsie laid her long, slender form on top of the covers. She's got a body that can still stop traffic—especially those amazing gams, which I've sprinkled so many times.

"Lower," gasped Elsie as my soothing touch worked over the tight muscles between her shoulders. Within minutes, I had my wife completely relaxed. Her flesh was like putty, and her breathing had grown heavy. A little baby oil was all I needed to finish the job. When I stood up to fetch the greasy stuff from the bathroom, Elsie stopped me.

She offered, "Let me get it. I've got to pee anyway. You relaxed my body so much, I nearly let go on the bed." To my ears, the words were better than any symphony; I'd rather hear Elsie tinkle on the piano than some fruit like Mozart. I ordered my wife to stay exactly where she was and not to squeeze out a precious drop. Then I grabbed the baby oil and lubed my thickening erection.

Gingerly, I applied the rest of the goop to Elsie's tush. I rubbed and massaged the

plump cheeks, occasionally allowing a finger to dip inside her wet, tender hon-ey-pot. Elsie panted and pivoted her abdomen. She made a few noises of protest, but I beseeched her to hold her flow just a little while longer.

I instructed Elsie to lie on her back. Then I lifted her long, luscious legs by the ankles. My cock jutted before me like an exclamation point, looking to punctuate her sphincters. The tip of my rod knocked at Elsie's bung.

"Push harder," Elsie allowed. Her heavy eyelids and parted lips let me know she was grooving on the colon-stuffing sensation. Elsie sent a few fingers south to twiddle her clit, but I firmly brushed away her hand.

"Don't touch yourself," I ordered. "If you do, the muscles of your cooze will contract, and you won't be able to squirt." Recognition flashed in Elsie's eyes; she knew what kind of dirty game I was playing, and she dug it. Instantly, I had an easier time entering her bad place. My length slid home; I was balls-deep in her big muddy.

Hard thrusts followed. Each joust of my anal lance was met with Elsie's howls of approval. I rocked the poop box with a steady, smooth style of fucking. In my opinion, sodomy is a science. For instance, I had to choose the precise moment to let go of Elsie's leg and press my hand into the soft contours of her gut.

Taken by surprise by my weight against her bladder, Elsie burst, "Whuuuf!" As I had hoped, a golden jackpot followed. The yellow arc gushed and splattered against my abdomen. I savored the hot trickle, which served to further soak my rectal gouging.

"Gonna come in your tight asshole," I blurted—followed by a polite, "Is that okay, honey?" Never let it be said that I'm less than a gentleman. With Elsie's permission, I unloaded upon her bowels. My creaming spasms ceased, but the piss just kept on coming. Elsie's urethra bathed us for a solid, sexy minute.

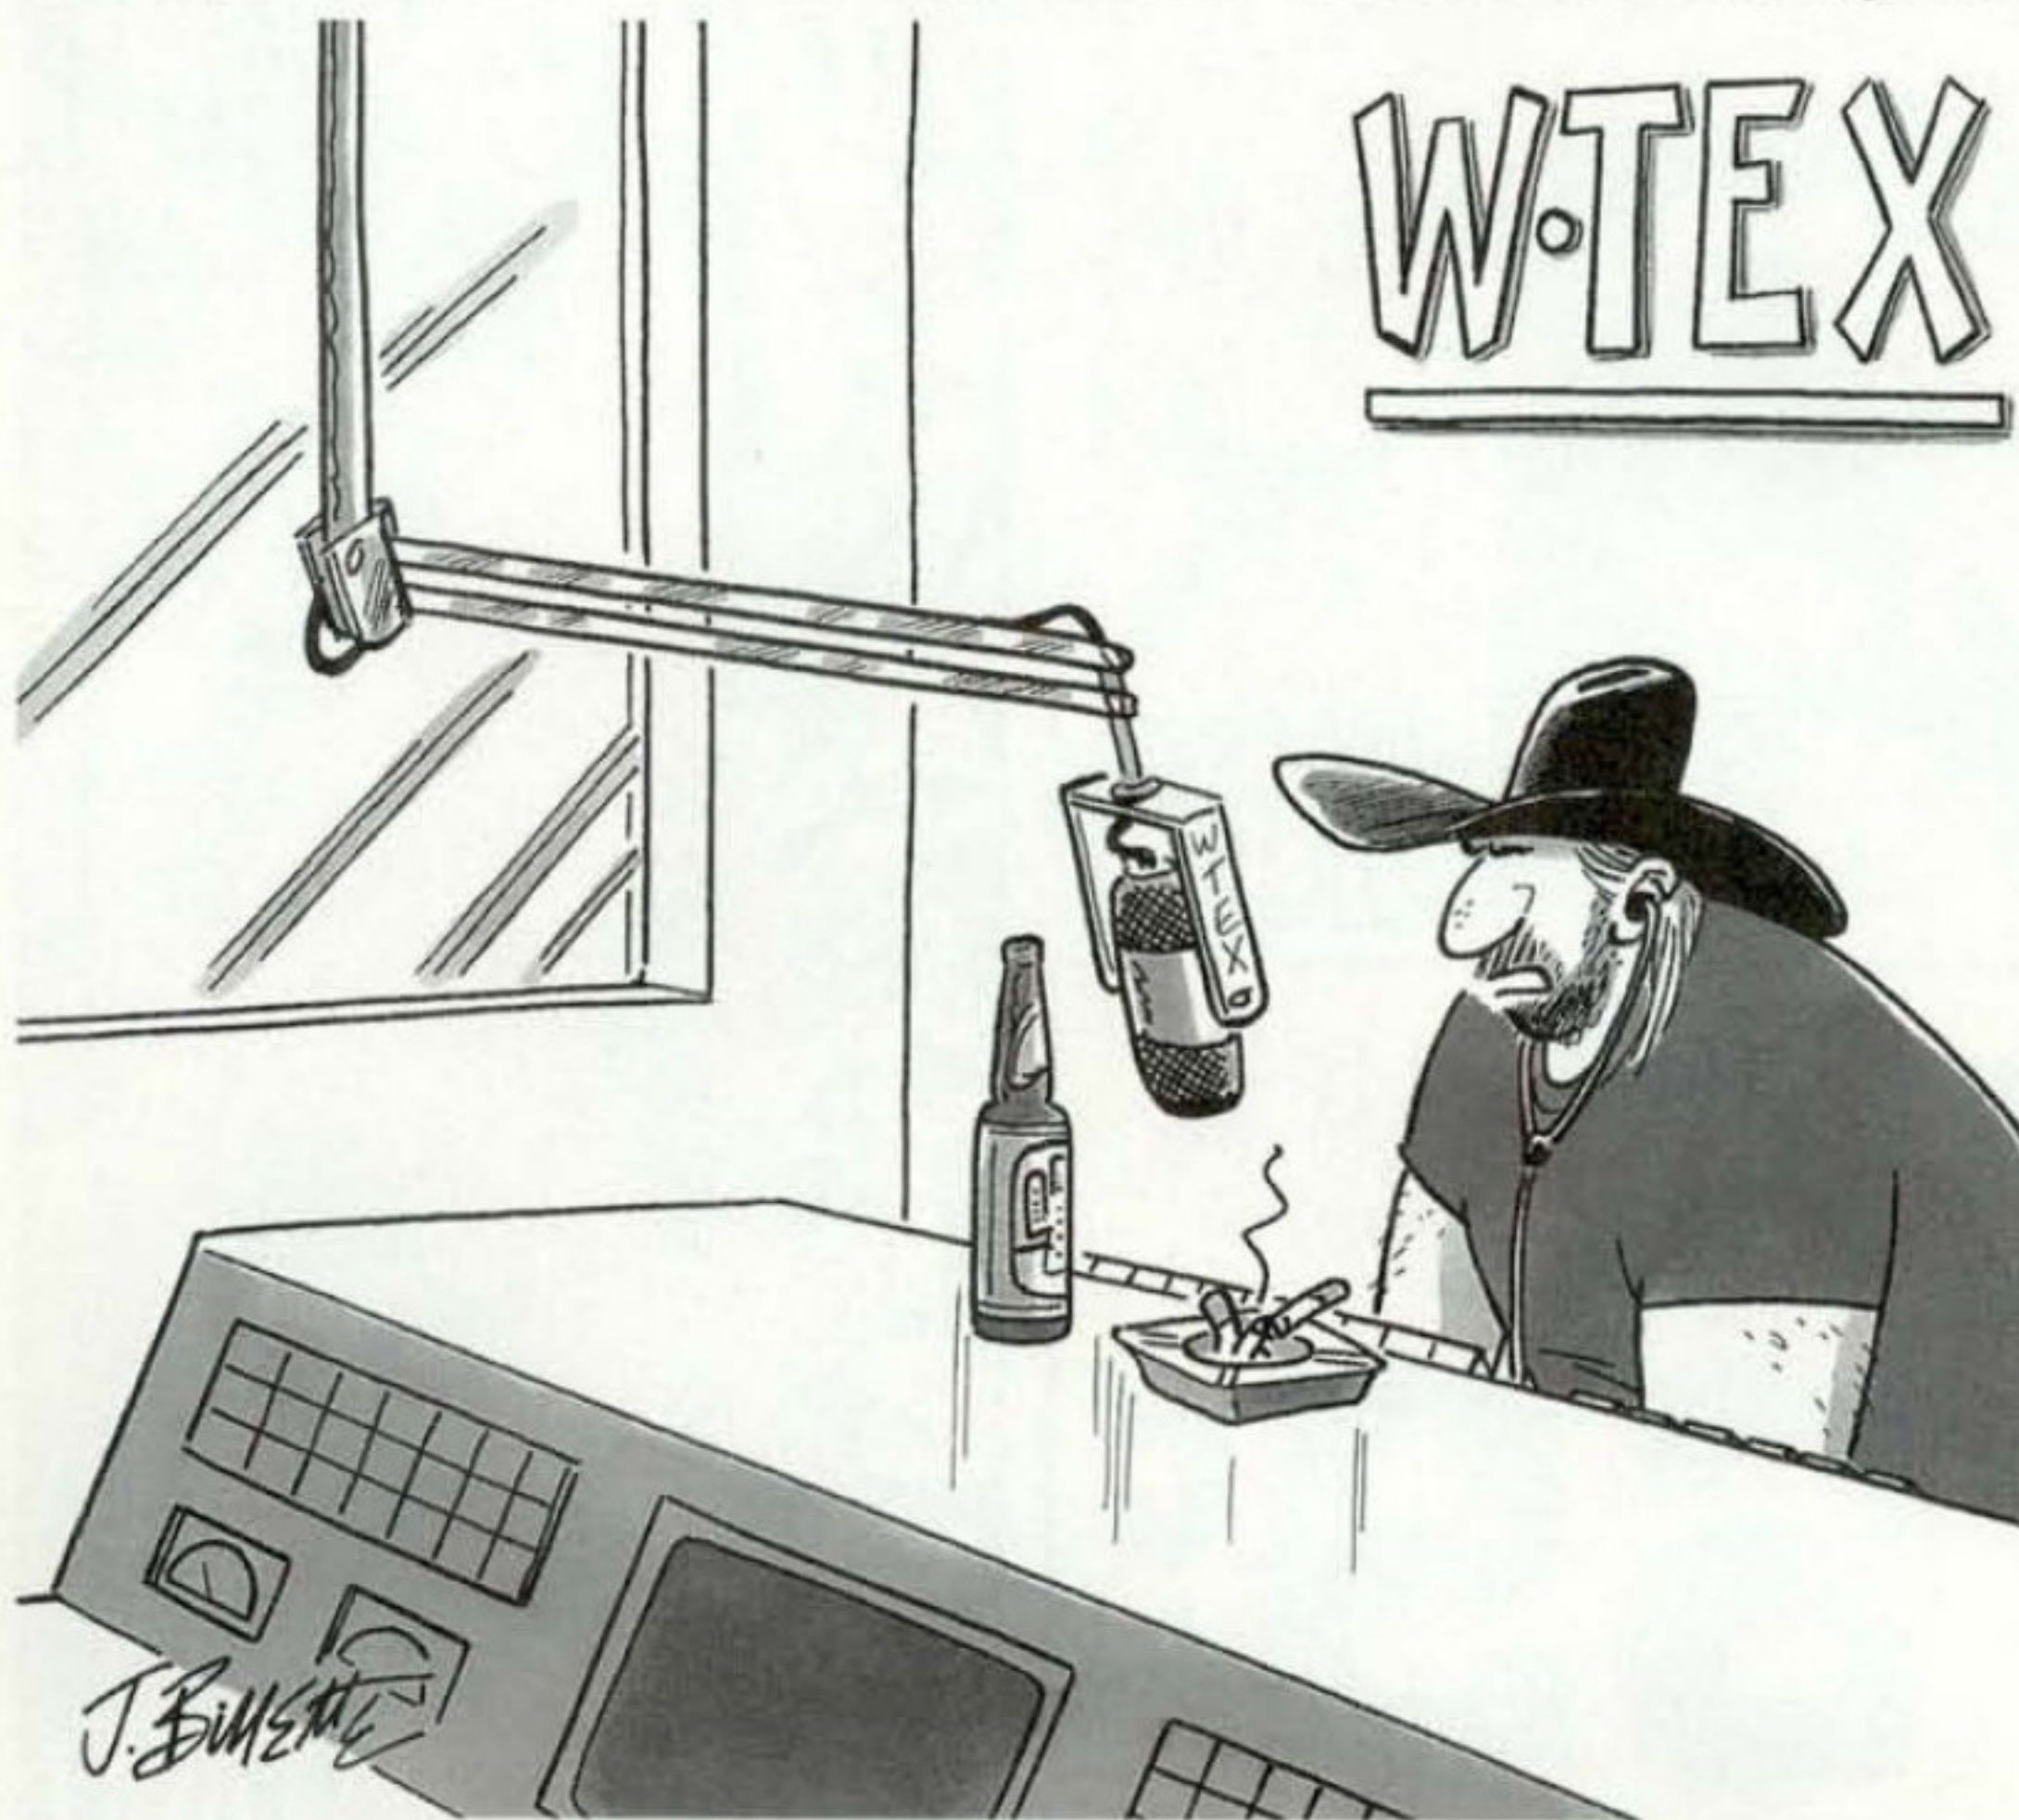

I'm working on other formulas for whiz-bang fun. Any HUSTLER readers with pee-soaked recipes, send along your suggestions! And if you try my brand of Ramen noodles, make sure to get the spicy-beef flavor.

I yelped, "Oww," as Travis yanked my hair. "All right, we'll do it on all fours! You don't have to play so rough." Unfortunately for my ass, Travis paid no mind to my earnest plea.

on a gorilla costume and hid in my closet for an hour and a half. I was rooting around for a sweater when Travis jumped out and grabbed me.

"Ook, ook," he grunted, attempting his best imitation of a simian in heat. Even through the heavy, fur lining of his faux monkey crotch, I could feel Travis's rigid pecker humping my leg. He threw me on the bed and tore a hole in the seat of my tight, polyester pants; I was happy to play along with the big ape's bestial rape fantasy.

"Help," I cried in mock terror, enjoying the cool, October chill that tingled against my exposed backside. Microscopic hairs of my butt down stood at chilled attention. "Won't some great white hunter save me from this horny primitive's missing link?" Travis slapped his gloved hands upon my bum. I was surprised how rough the texture of his palms felt; that must have been a very convincing costume, with no detail spared. Grunting and panting, he parted my bum cakes and poked a hairy-knuckled finger into my shitter. Then he withdrew and sniffed the offending pointer.

The smell of ripe rectum caused Travis to bounce up and down, frantically scratching his armpits. I glanced over my shoulder in amazement as a pink, lip-stick-shaped schween protruded from the furry folds of his groin. This costume was outfitted with an authentic gorilla cock! And a well-proportioned gorilla cock, I might add.

Dying to feel the jungle joint between my legs, I rolled onto my back and peeled my pants off as though my lower regions were a tempting, juicy banana. I could feel a wet, womanly trail smear the covers. Travis freaked, grunting louder and jumping more wildly. He angrily forced me back into the doggy-style position.

I yelped, "Oww," as Travis yanked my hair. "All right, all right, we'll do it on all fours! You don't have to play so rough." Unfortunately for my ass, Travis paid no mind to my earnest plea. He clambered onto the bed and mounted me with all the grace and subtlety of an elephant. Hopefully, that won't be his costume next year.

There were a few awkward moments as Travis humped away like a madman without actually entering my pussy. I felt the gorilla tip stab my mound once in a while, but the shaft never quite parted my labes. Travis didn't seem to notice. His dirty fingernails dug into my back as if the fucking animal hadn't broken off a piece in decades.

"Come on, Travis," I groaned. "What's

with the clumsy routine? Are you having difficulty maneuvering your monkey cock? Maybe we should call the costume shop and ask for directions." Just like a typical male, Travis shrieked at the suggestion and continued to bump and grind without hitting the target. I had no choice but to take matters into my own eager hands.

Applying a few gobs of saliva to my palm, I reached back and jacked the poorly aimed peter. Suddenly a different animal noise emanated from Travis; some kind of guttural moan that was impressively realistic. He must have watched a lot of nature shows in preparation for our kinky session; what a method actor! A few strokes had the meat stick twitching, swelling and extending. To my delight, Travis felt bigger than ever! I suppose the costume's Darwinian dildo added the extra six inches.

Gently, I guided the massive tool into my love hole. If Travis bucked and thrashed too maniacally, I would ease off his engorged crank. After a sufficient amount of apologetic whimpering, I eased him back into my pleasures. Sometimes, men have to be trained...just like the dumb animals they are.

"Ooooh," I exhaled. "Motherfuck me! Your cock's getting even bigger inside me.

I feel like I'm being torn in half!" There must have been a foot and a half of shaft plunging my cunt at an increasingly rapid rate. Orgasm coursed from my conch, traveled up my spinal cord and drove my brain insane with monkey lust. Travis pulled out and sprayed this weird, oily sperm that he never produced before or since. There were literally gallons of the stuff! My bedspread was positively soaked.

Of course, when I insisted he help throw the spunk-soiled blanket into the laundry, Travis ran out the front door. He took off grunting down the street and returned hours later—without the costume.

"Way to ruin the afterglow," I grouched. He played dumb.

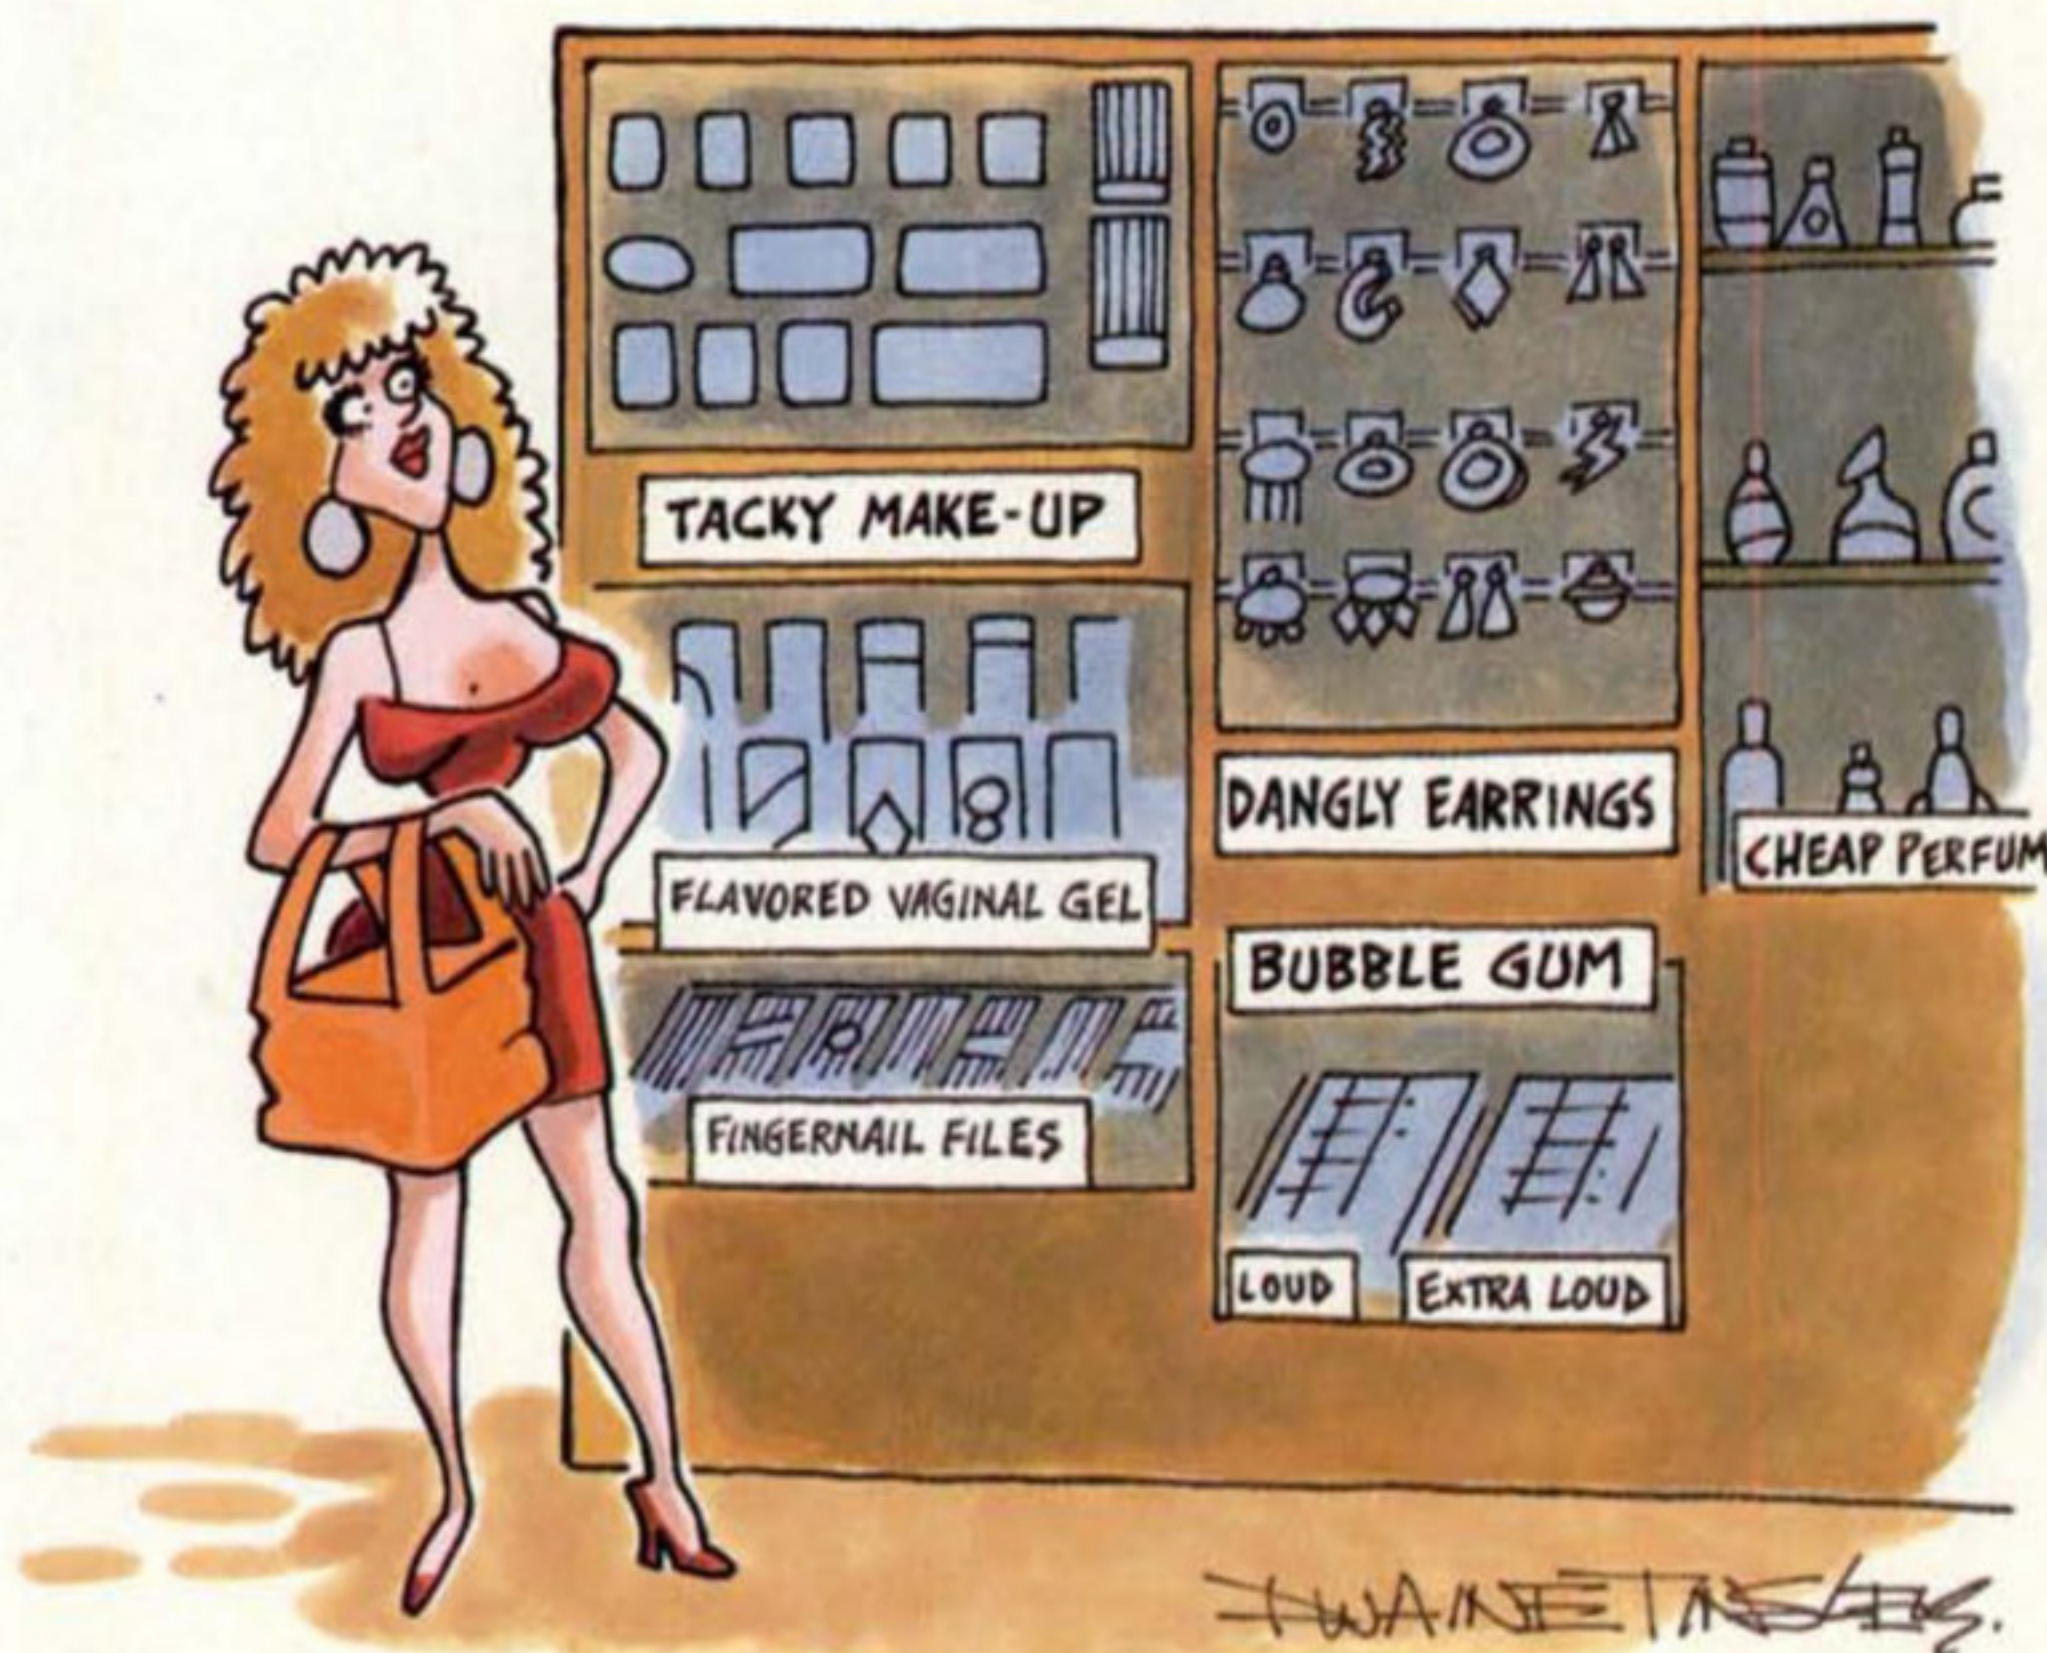

"I don't know what you're talking about," Travis deadpanned. "I tried to come by earlier, but your street was blocked off. They're filming some stupid Tarzan movie." I can't tolerate lying; so I dumped Travis several days later. Hey, whenever I get horny, I simply break out my well-worn videotape of *Gorillas in the Mist*.

The ABCs of S&M

WHIPS AND CHAINS ARE THE PENCILS AND PENS OF SEX'S NEWEST SCHOOL

BY KRIS T. RIVEN * ILLUSTRATION BY GODFREY DANIELS

Nash tightens the shackles on Virginia's ankles. He snarls at his sexy prisoner: "I'm going to wreck your pussy."

"Yes, master." Virginia's peach tits quiver with her nervous breath.

Nash slowly runs his fingers up Virginia's bound, splayed legs. He pauses at the crotchless gap in her leather pants, then works a steel dildo into her snatch.

"You like the feel of metal, d-d-don't you, slave?" Nash stammers.

"No, no, no! That's all wrong!"

A frayed leather strap lashes across Nash's back. He turns and looks up at a towering blonde who rubs a whip between her mammoth tits. Nash lowers his gaze. "Sorry, Mistress Jules."

"You need to let go, Nash. Show Virginia that you're in control."

"I didn't want to scare her," Nash explains.

Mistress Jules shakes her head at the young man's cluelessness. "What do you do for a living, Nash?"

"I'm an investment banker."

"Virginia?" Mistress Jules asks.

"Librarian."

"You're both hesitant, but that can be expected during your first lessons." Mistress Jules produces a leather-and-steel jockstrap and rubs it against the inside of her thighs. "Next, Virginia, you'll be performing the cock-and-ball torture on Nash."

Nash and Virginia lock gazes, then turn to Mistress Jules. "Yes, ma'am!"

"Good." The Amazon instructor cracks a smile. "You're finally learning something."

"I didn't come here to see puppies tortured," says Phil, a computer programmer seated behind a huge spider's web of ropes—a torture device designed for tying up sex slaves.

Phil's comment draws laughs from the 20 students seated in an unusual classroom: a makeshift dungeon fitted with a gynecologist's examination table, a cage and a ceiling starred with bolts and chains capable of suspending the heaviest sadomasochist.

The students laugh because tortur-

ing innocent, helpless human prey is what they have come to learn about in one of San Francisco's two major schools for budding sadomasochists, the House of Differences.

Classes at the bondage and discipline/sadomasochism (BDSM) training ground cost between \$10 and \$25 and generally last one night. Some courses do have prerequisites. For example, students aren't permitted to enroll in Advanced Bondage until they have completed both Beginning and Intermediate Bondage.

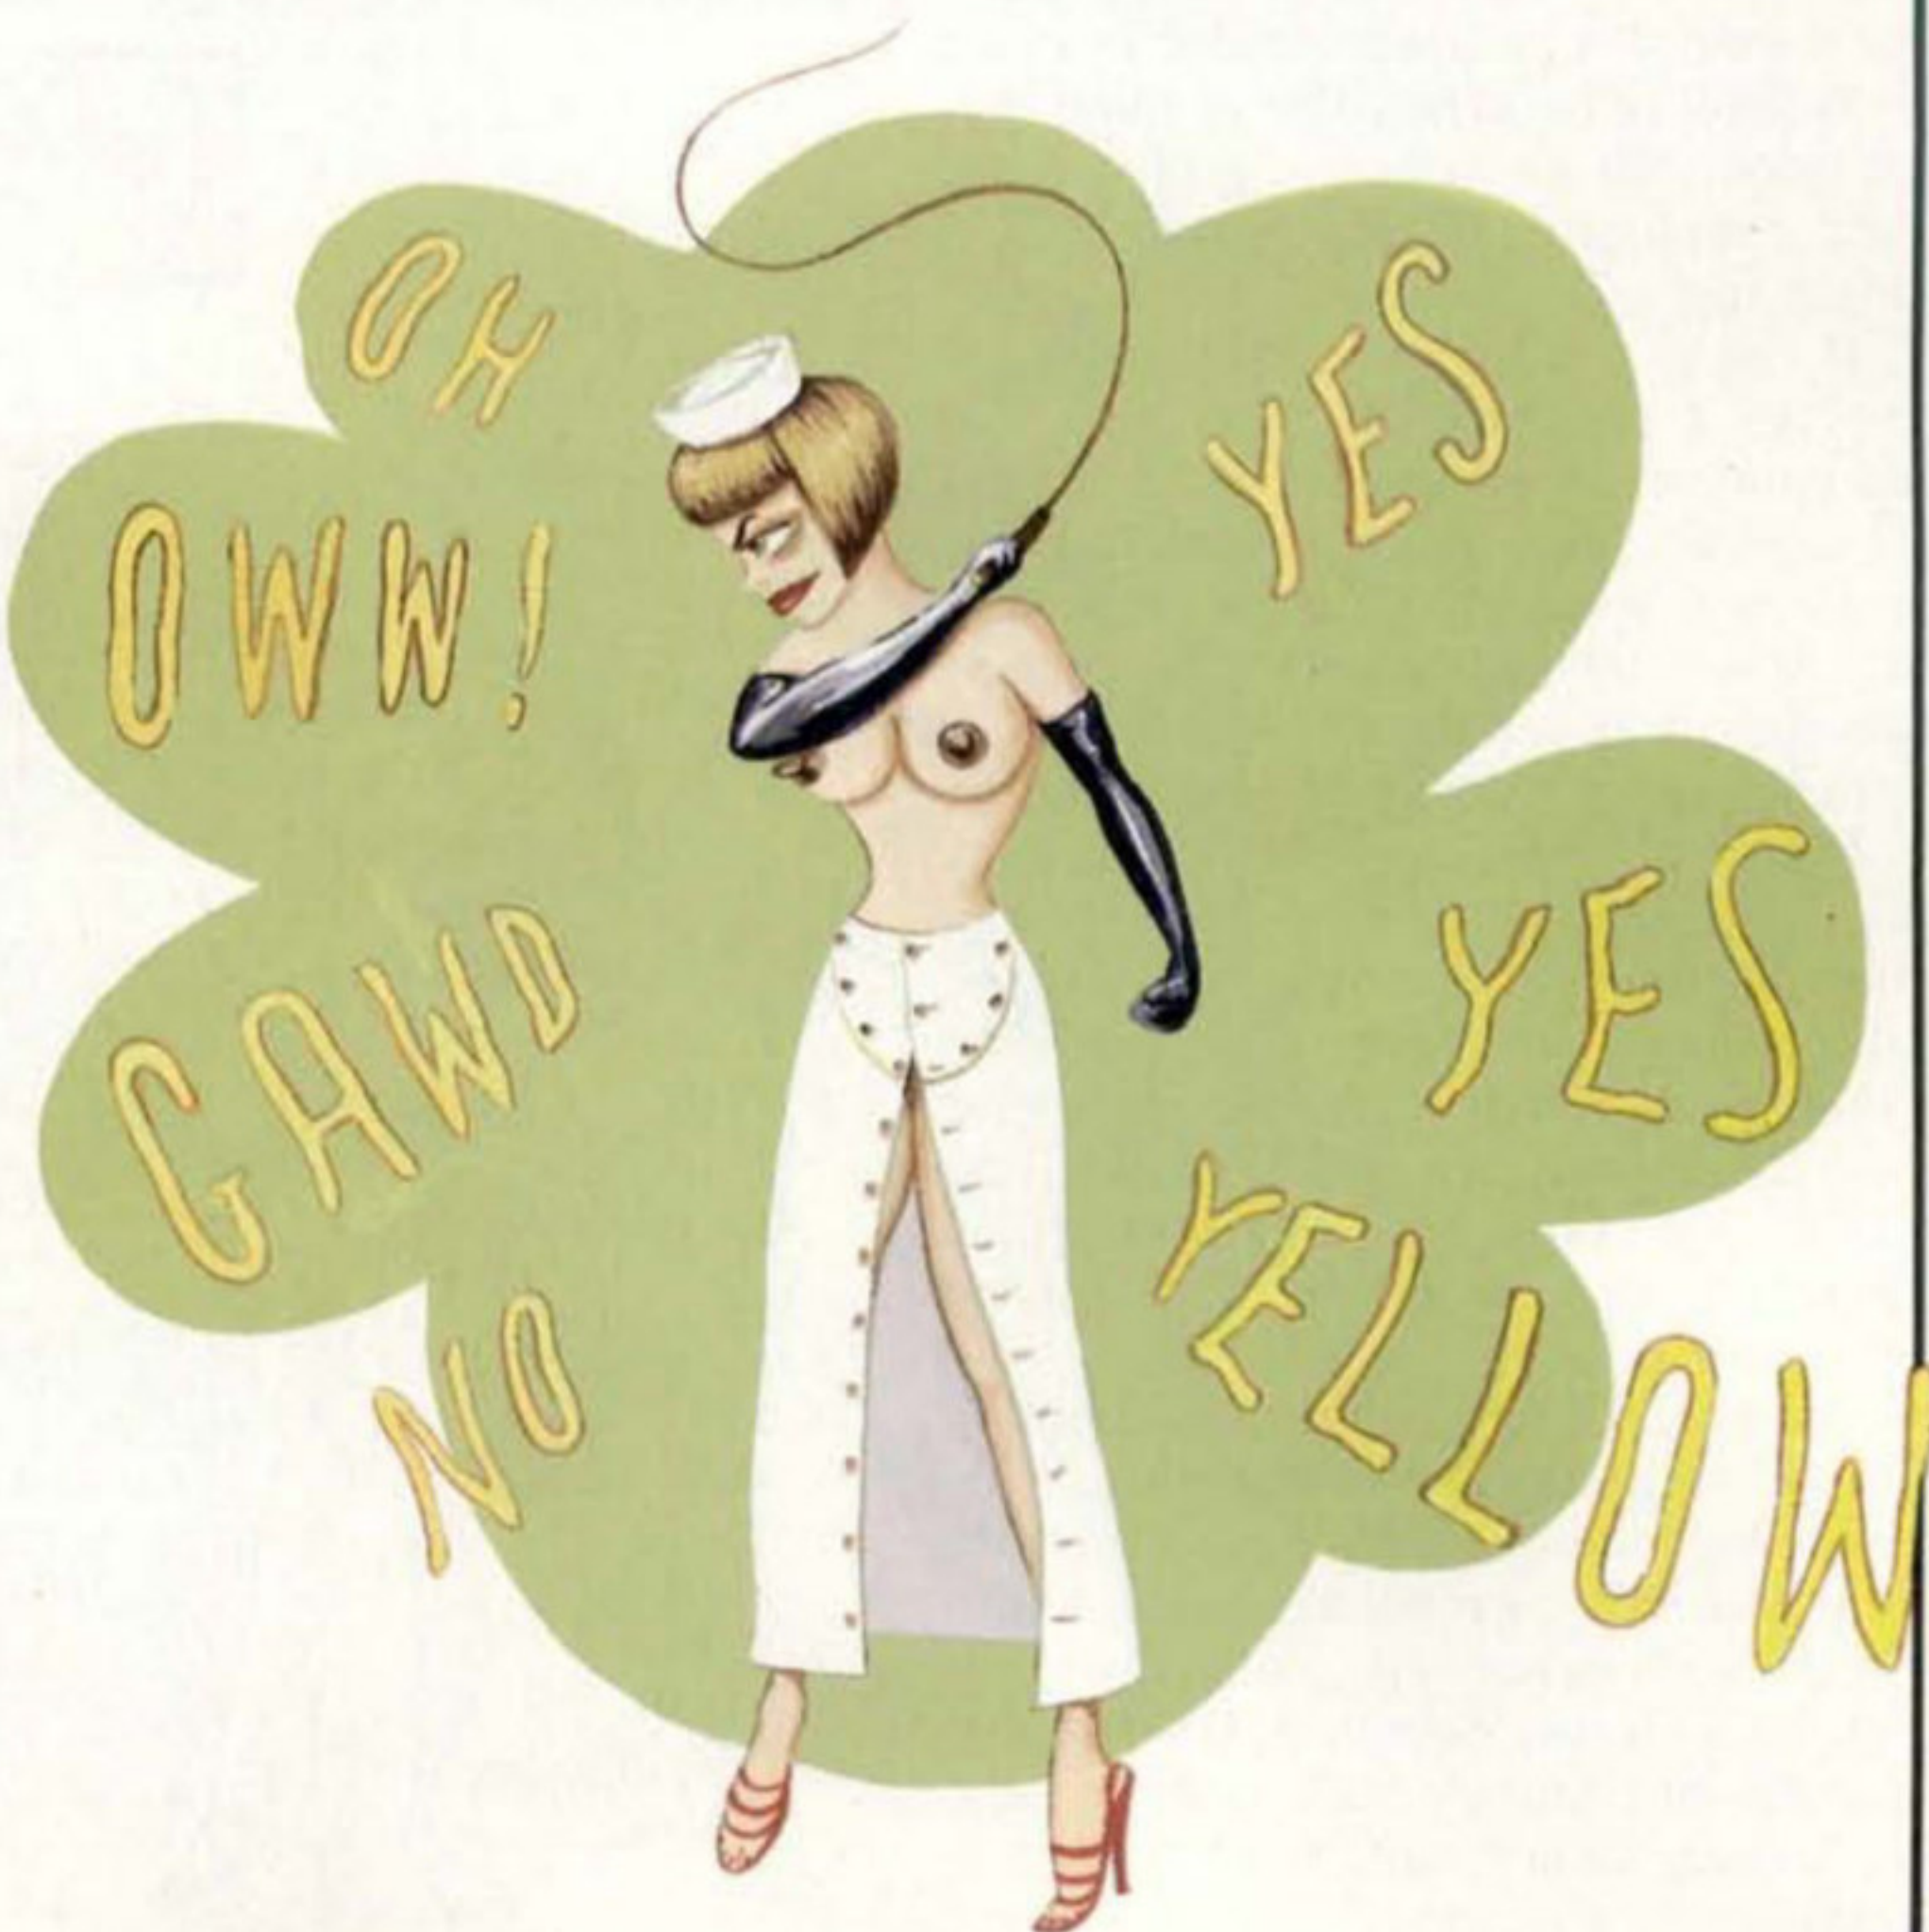

House of Differences' owner and instructor, Elizabeth, a petite blonde, finishes her introductory lecture on sadomasochism (SM) scenarios, including Pirate and Captive and Schoolmarm and Bad Boy.

"I'm on a mission," Elizabeth explains in a giggly, high-pitched voice. "Within a few years, I want to make BDSM as acceptable as tantra

is now. I want people to come to my classes and learn about discipline. If you educate, you gain acceptance."

Cock-and-ball torture, which includes the urethral insertion of a six-inch nail, might strike the faint-of-heart as a sign of insane, dangerous sex, but in our historical moment of lethal sexually transmitted diseases and an insatiable public appetite for the unconventional, SM is featured on the cover of media dinosaurs, such as *Rolling Stone*, and is almost accepted as a version of normal, healthy sex.

At a New York restaurant, La Nouvelle Justine, diners can order a whipping with their steaks and have both served up by a dominatrix clad in black leather. At House of Differences, SM literature and bondage accouterments have never sold so well, and the club-membership roster is growing faster than Nash's hard-on.

"This ain't spousal abuse, man! That bitch ain't my wife!"

Sex Play

Mistress Reba rarely speaks while teaching. When the young man with the dunce cap comes to the front of the classroom and bends over a raised cot, the first paddle Reba uses on him breaks.

"We're seeing more and more people who have never explored SM come to our classes and investigate the scene," says House of Differences' Elizabeth.

The Q&A Web page of the BDSM club, Society of Janus (www.soj.org/qa.html), suggests that yearnings far more tame than a fondness for piercings, whips and chains qualify as sadomasochism: "If your erotic fantasies often involve having power over another or another who has power over you, then you have latent SM tendencies."

Karen Mendelsohn, founder of QualitySM, the original San Francisco SM school for bondage newcomers, theorizes that AIDS has helped legitimize SM.

"Since desires to avoid STDs have valorized techniques for getting off without exchanging bodily fluids, sadomasochism has come to be seen as safe sex made hot—it is at once nonrisky and risqué."

"They used to say we were sick; now they say we're safe," quips Mendelsohn.

Students attend QualitySM classes for a variety of reasons. "In the fifth grade, a nun whipped me 18 times for chewing gum in class," relates George, a novice sadomasochist. "That's how I became enthralled with SM."

The background of the typical beginning student, those whom Mendelsohn calls *dabblers*, can be surprising. At Mendelsohn's most recent session, a leather-clad brunette with multiple nipple piercings confided to her mentor, "I'm a respectable, middle-class housewife."

At House of Differences, Elizabeth's class begins with basic terminology: *SM*: sadomasochism; *D/s*: domination and submission and *BD*: bondage and discipline.

"The terms overlap," Elizabeth explains, "but *D/s* is role playing, while *BD* and *SM* describe acting out the roles."

New vocabulary also includes *tops*, those who administer sensation, and *bottoms*, those who receive sensation. A sexual encounter is called a *scene*.

The lesson Elizabeth is strictest about teaching consists of two golden rules: *Hurt, don't harm* and *Be safe, sane and consensual*. "At my classes, all play must follow these rules," she says. The type of radical BDSM in which a top is allowed unlimited manipulation is reserved for long-term, trusting relationships."

The pain involved in SM play at Mendelsohn's QualitySM is manifest: By the end of a two-hour class in corporal punishment, hurt is written in red on the skin of nine volunteer bottoms. Their asses have been spanked, caned, paddled

and smacked with a leather strap.

The instructor, Mistress Reba, is a leggy blonde with a sweet voice and a dainty way of tugging at her long skirt while she aims her cane. She has taught this class twice before, and her job as a professional dominatrix offers workplace-related experience to pass on to her pupils.

Although Reba hits hard, she describes herself as a "compassionate sadist," uninterested in verbal, emotional or psychological domination. "SM play should be a wonderful stress reducer," says Reba. "When my neighbor asked my occupation, I said I was a therapist. In a way, it's true."

Unlike Elizabeth's dungeon, the classroom at QualitySM is much like that of a community college—a plain room fitted with desks, bookshelves and overhead lights. But this is no remedial math class.

One male student wears shorts and knee socks, a white shirt and schoolboy tie under a red sweater. He holds a conical hat stenciled with one large word: DUNCE.

Mistress Reba rarely speaks while teaching. When the young man with the dunce cap comes to the front of the classroom and bends over a raised cot, the first paddle Reba uses on him breaks.

Mistress Reba is unfazed by the set-

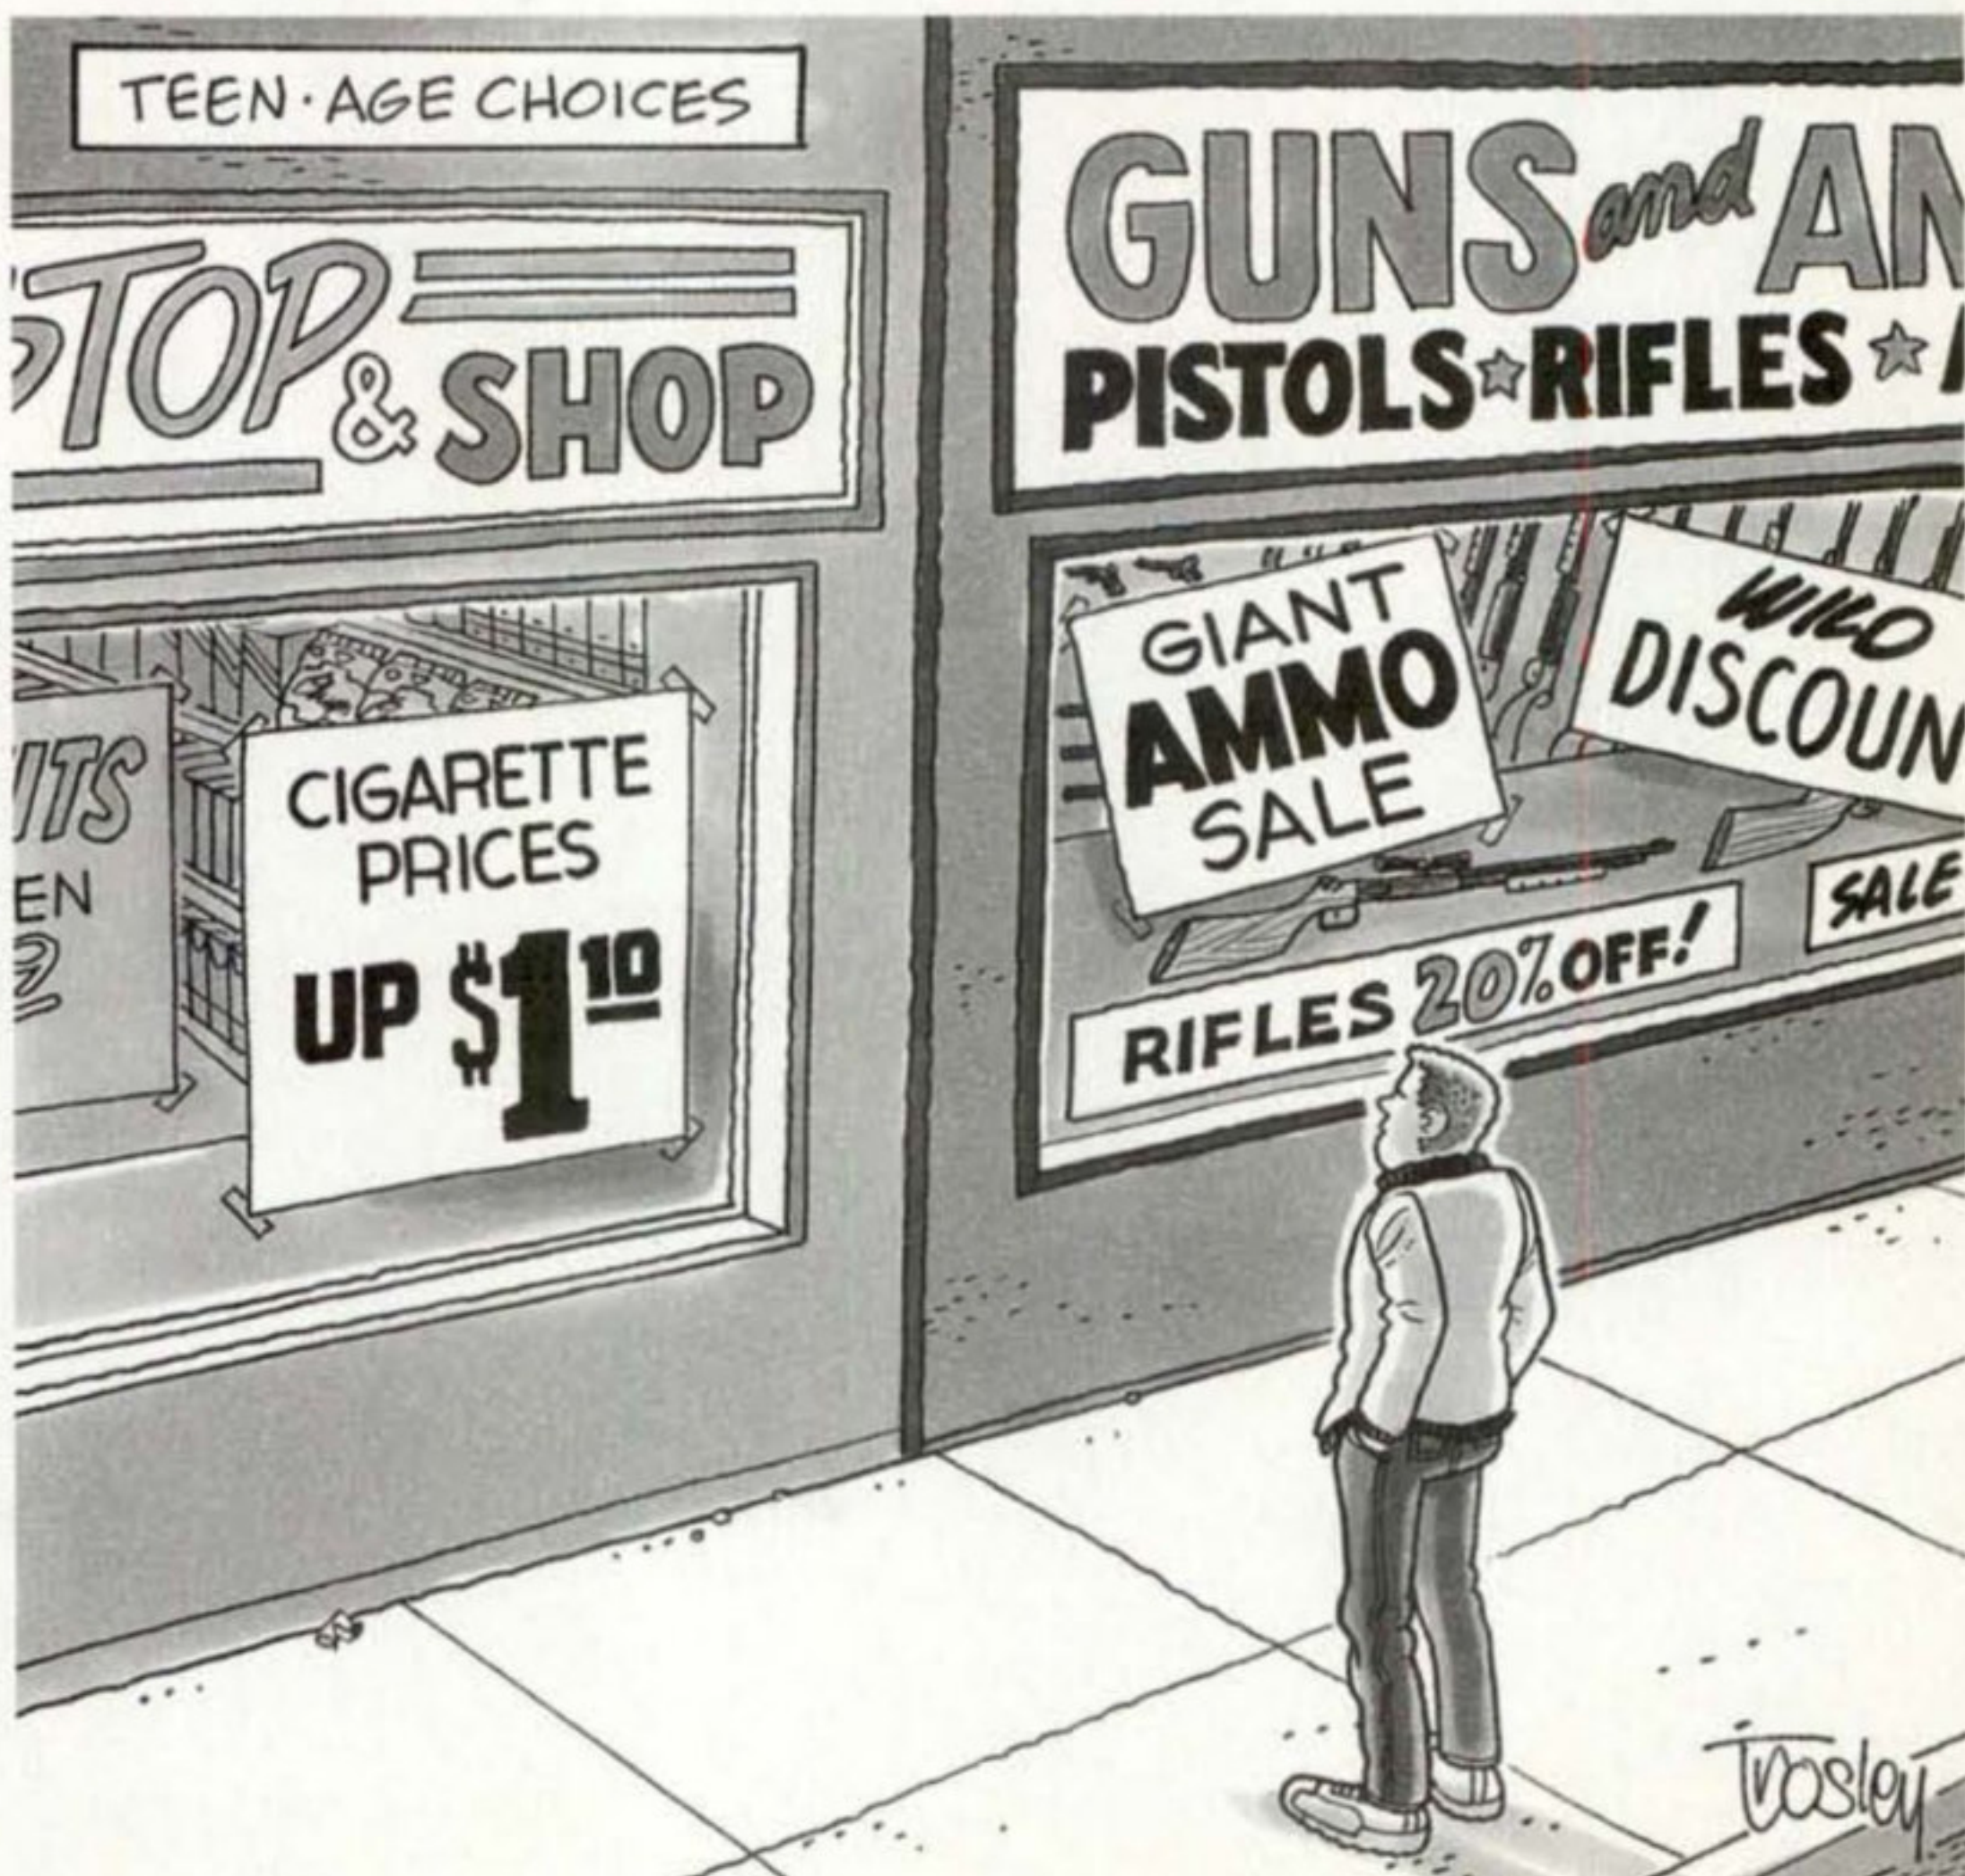

back. She discards the broken switch and continues with a paddle the student has given her for Valentine's Day—one with a heart-shaped mallet that looks like something Martha Stewart would use to stir porridge.

For many beginner-level fetishists, finding others who share their interests draws them to the SM classes. "It's a real community," explains Ken, a law clerk. "People are nicer and more polite here than in any group I've been involved with."

The appeal of communal affirmation is spreading. In addition to academies in San Francisco, Los Angeles and New York, there are grassroot SM schools in places such as Greensboro, North Carolina.

"If SM reaches the mainstream," concludes Elizabeth, "it will be because the everyday abusiveness of the world makes whippings, floggings and humiliation seem like no big deal."

LATTER-DAY REPROBATES
UTAH'S DAUGHTERS FIND SALVATION IN ONE PERVERT'S CARNAL DOGMA

REPORT BY MARK TAYLOR * ILLUSTRATION BY JUSTIN FORBES

Excommunicated from the Mormon Church, retired parks supervisor Arvin Shreeve founded his own religion. As with many faiths, the practitioners of the Zion Community quested

for a passage to heaven. Unlike most religions, Shreeve's teachings focused on young girls learning provocative stripping techniques, the art of oral and anal sex and outright lesbianism.

Sister

Unlike most Mormon girls her age, Amber is already well-versed in the art of pleasing men. Her informal sex training began at seven. At nine, Amber's sexual training began in earnest.

On the night of Friday, July 20, Martin Kent, a prosperous, 24-year-old construction worker, receives a telephone call from Shelley Carson, female leader of the Sister Council. Martin has been anxiously awaiting the call for days. He listens carefully as Shelley gives directions to an Ogden, Utah, area motel where she will meet him. He quickly showers, dresses and leaves his home. His cock aches. He feels as if his erection might explode.

At the motel, Shelley, a 29-year-old, slender brunette, spots Martin's truck as it pulls into the driveway. She crosses the parking lot and opens the door to Martin's truck.

"Room 224," says Shelley, dropping a key into Martin's hand. "Just like I said. She's waiting upstairs."

Waiting inside room 224 is Amber, a tall blonde with flawless skin, lithe legs and breasts that could touch a man from across the room. She wears a bikini top, thong bottom and six-inch heels. Amber is a sex toy created by the Sister Council with Martin in mind. Only one fact makes Martin nervous: Amber is only 14 years old.

When Amber hears Martin at the door, she strikes a pose, one taught to her by Shelley. Facing the mirror, Amber looks over her shoulder and offers a come-hither smile. Simultaneously, she spreads her feet

slightly and bends over at the waist, arching her lower back and offering up her small, shapely ass. Amber has practiced the move for days.

In many ways, Amber is like most other rural girls in Utah: bred to bloom early, then destined to become a broodmare, relentlessly pumping out the next generation of religious automatons.

Unlike most Mormon girls her age, Amber is already well-versed in the art of pleasing men. Her informal sex training began at seven, when members of the Sister Council introduced Amber to the *Sexual Way of Life* and the *Five Arts of Stimulation*. At nine, Amber's sexual training began in earnest. A professional stripper taught her erotic dancing. Now, at age 14, Amber is a bona-fide temptress and productive member of the Zion Community.

Members of the Zion Community, a renegade cult splintered from the Mormon Church, believed that if a person was not developing, practicing and perfecting their sexual techniques, progress was not being made as an individual. Their sex-crazed leader was Arvin George Shreeve.

Shreeve, a 61-year-old former Weber County, Utah, park's department superintendent, was known as the Landscaper by

his disciples. He led his followers—including 75 to 100 sexually willing women, girls and boys—for nearly ten years in Ogden, Utah, until the time of his arrest in August 1991. Shreeve subsequently pleaded guilty to two first-degree felony charges of child sodomy and two second-degree felony counts of child sexual abuse.

Shreeve's Zion Community taught that most men were evil and carnal. The few good men God created had a responsibility to bring together as many women as possible and shepherd them through life and into the eternal afterlife.

"In the preexistence, a plan was created to provide for the maximum growth of the daughters of God," states a passage from the *Sister Program*, a doctrine of the Zion Community. "The plan...was conceived for the purpose of entering into a relationship with the Sisters that would be mutually beneficial in their quest for exaltation."

When a sufficient number of new female members—usually young, attractive ex-Mormons in the midst of divorce, financial problems or crisis of faith—were without a man, the Landscaper instructed them to form a sort of woman's advisory board—or Sister Council—to recruit an "eternal male companion."

"In the Sister Council," explained then 23-year-old Kori Christofferson, a willowy brunette and former member of the Zion Community who eventually assisted Weber County investigators in their case against Shreeve, "one man is over a group of women, and his job is to bring them through eternity to the celestial kingdom."

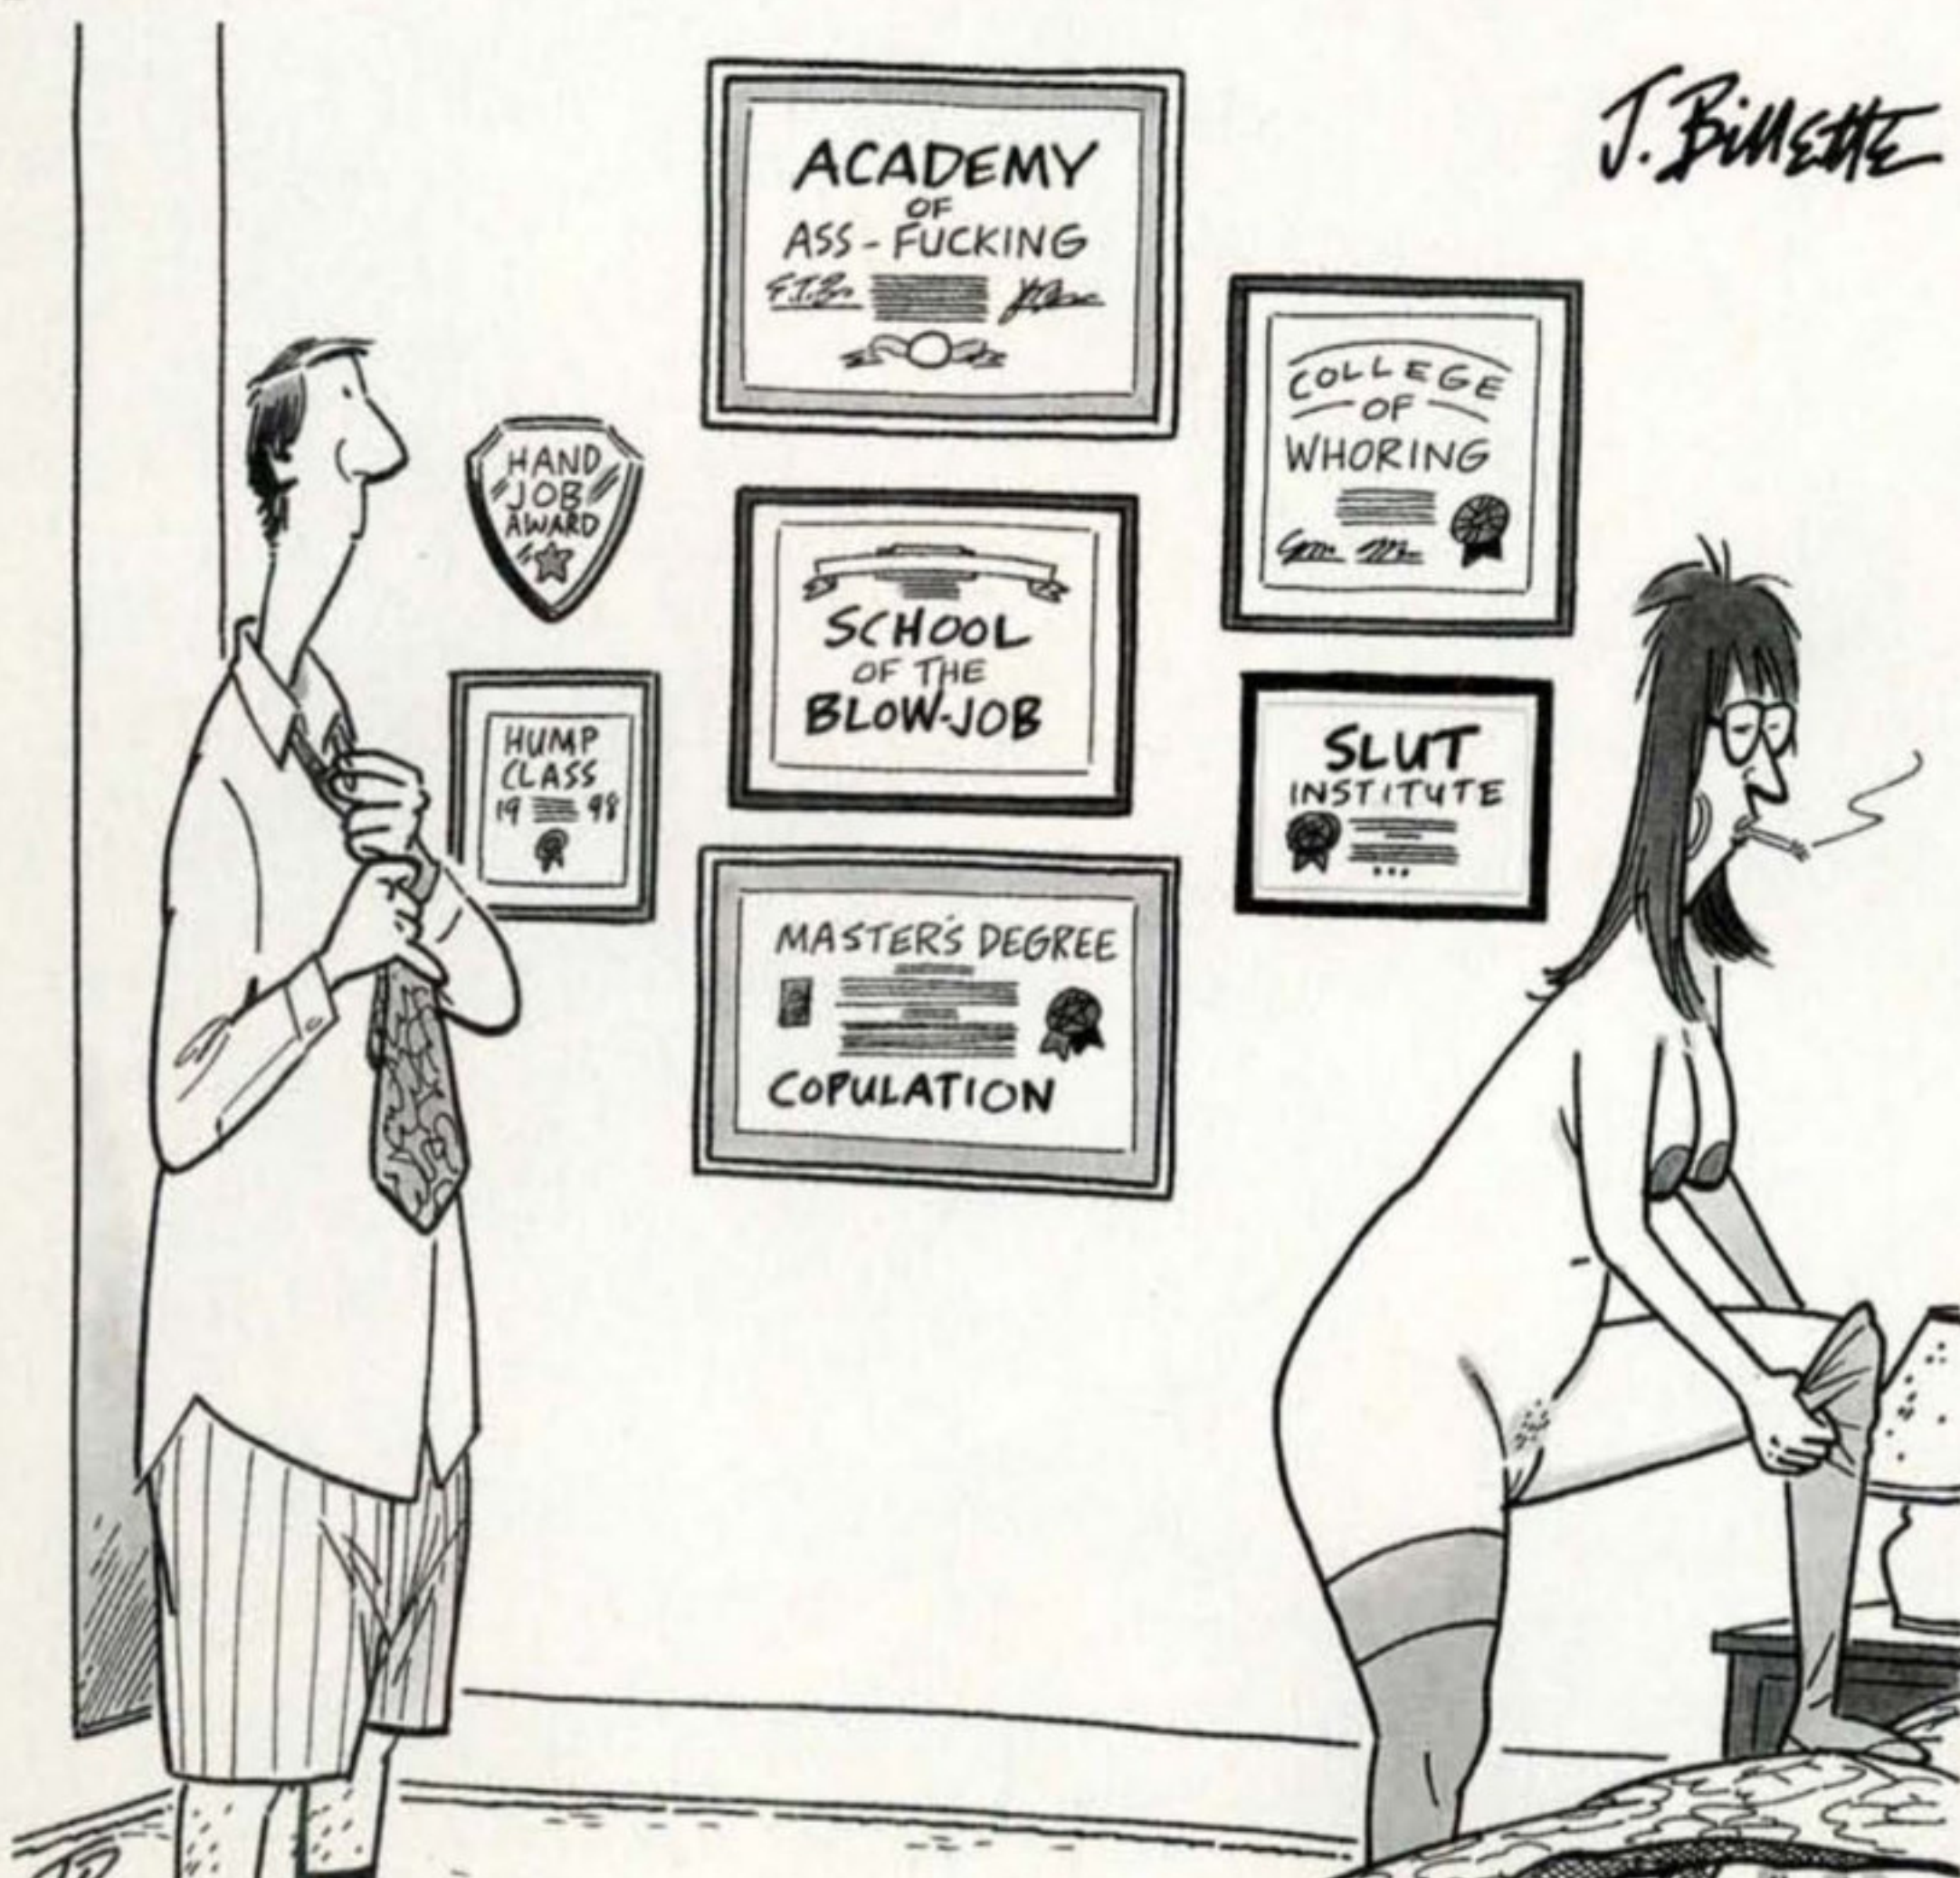

After fumbling with the key, Martin bursts into the motel room and sees Amber. They both know what is expected of them: Amber to please Martin righteously; Martin to be pleased by Amber.

When they are finished, Amber senses she has successfully fulfilled her obligation. She is happy. The Zion Community's teachings have taught Amber that when a man comes quickly, it means a woman has done her job stimulating him.

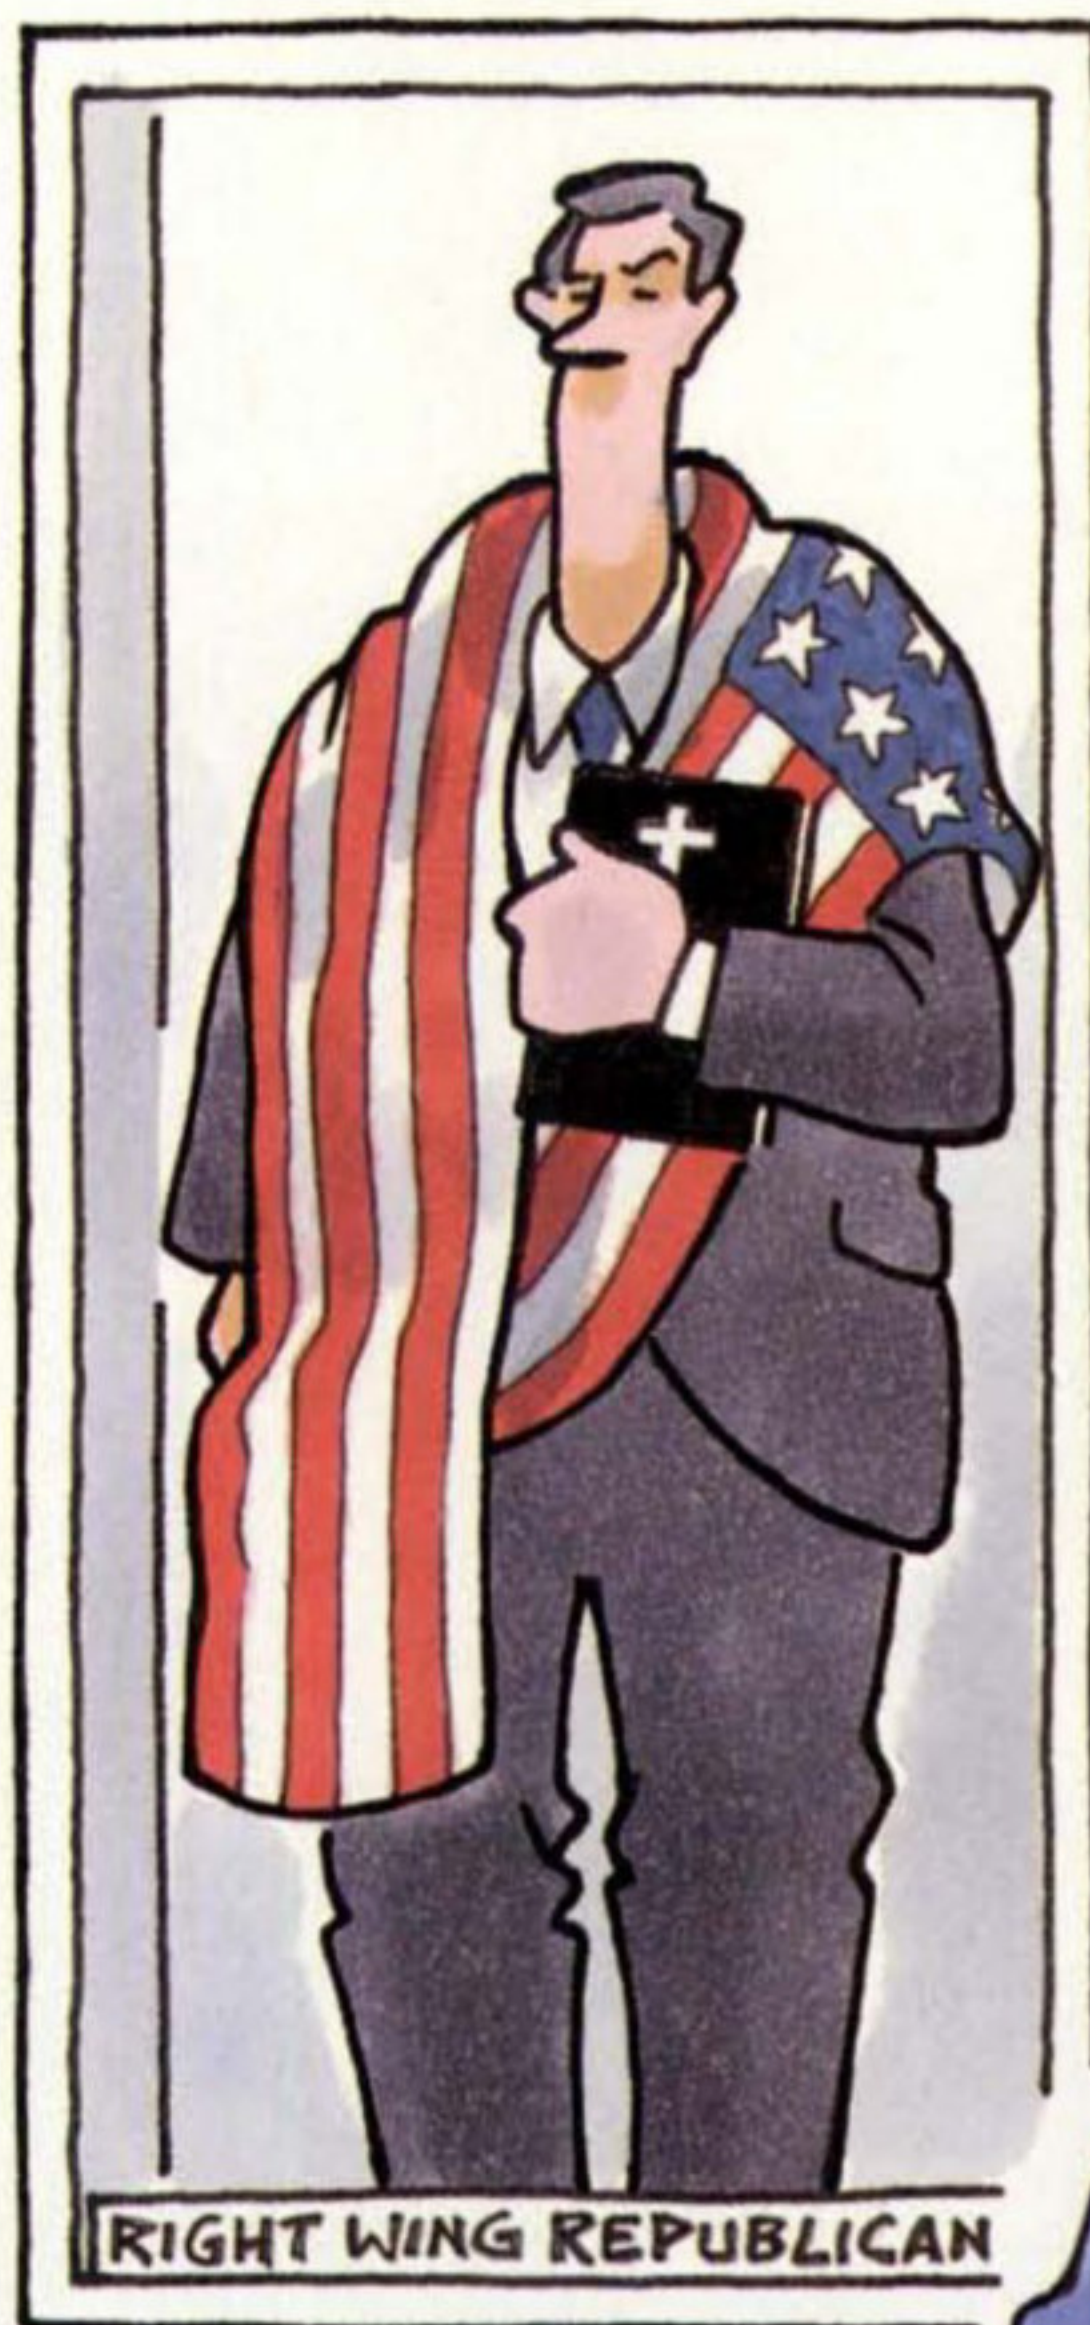

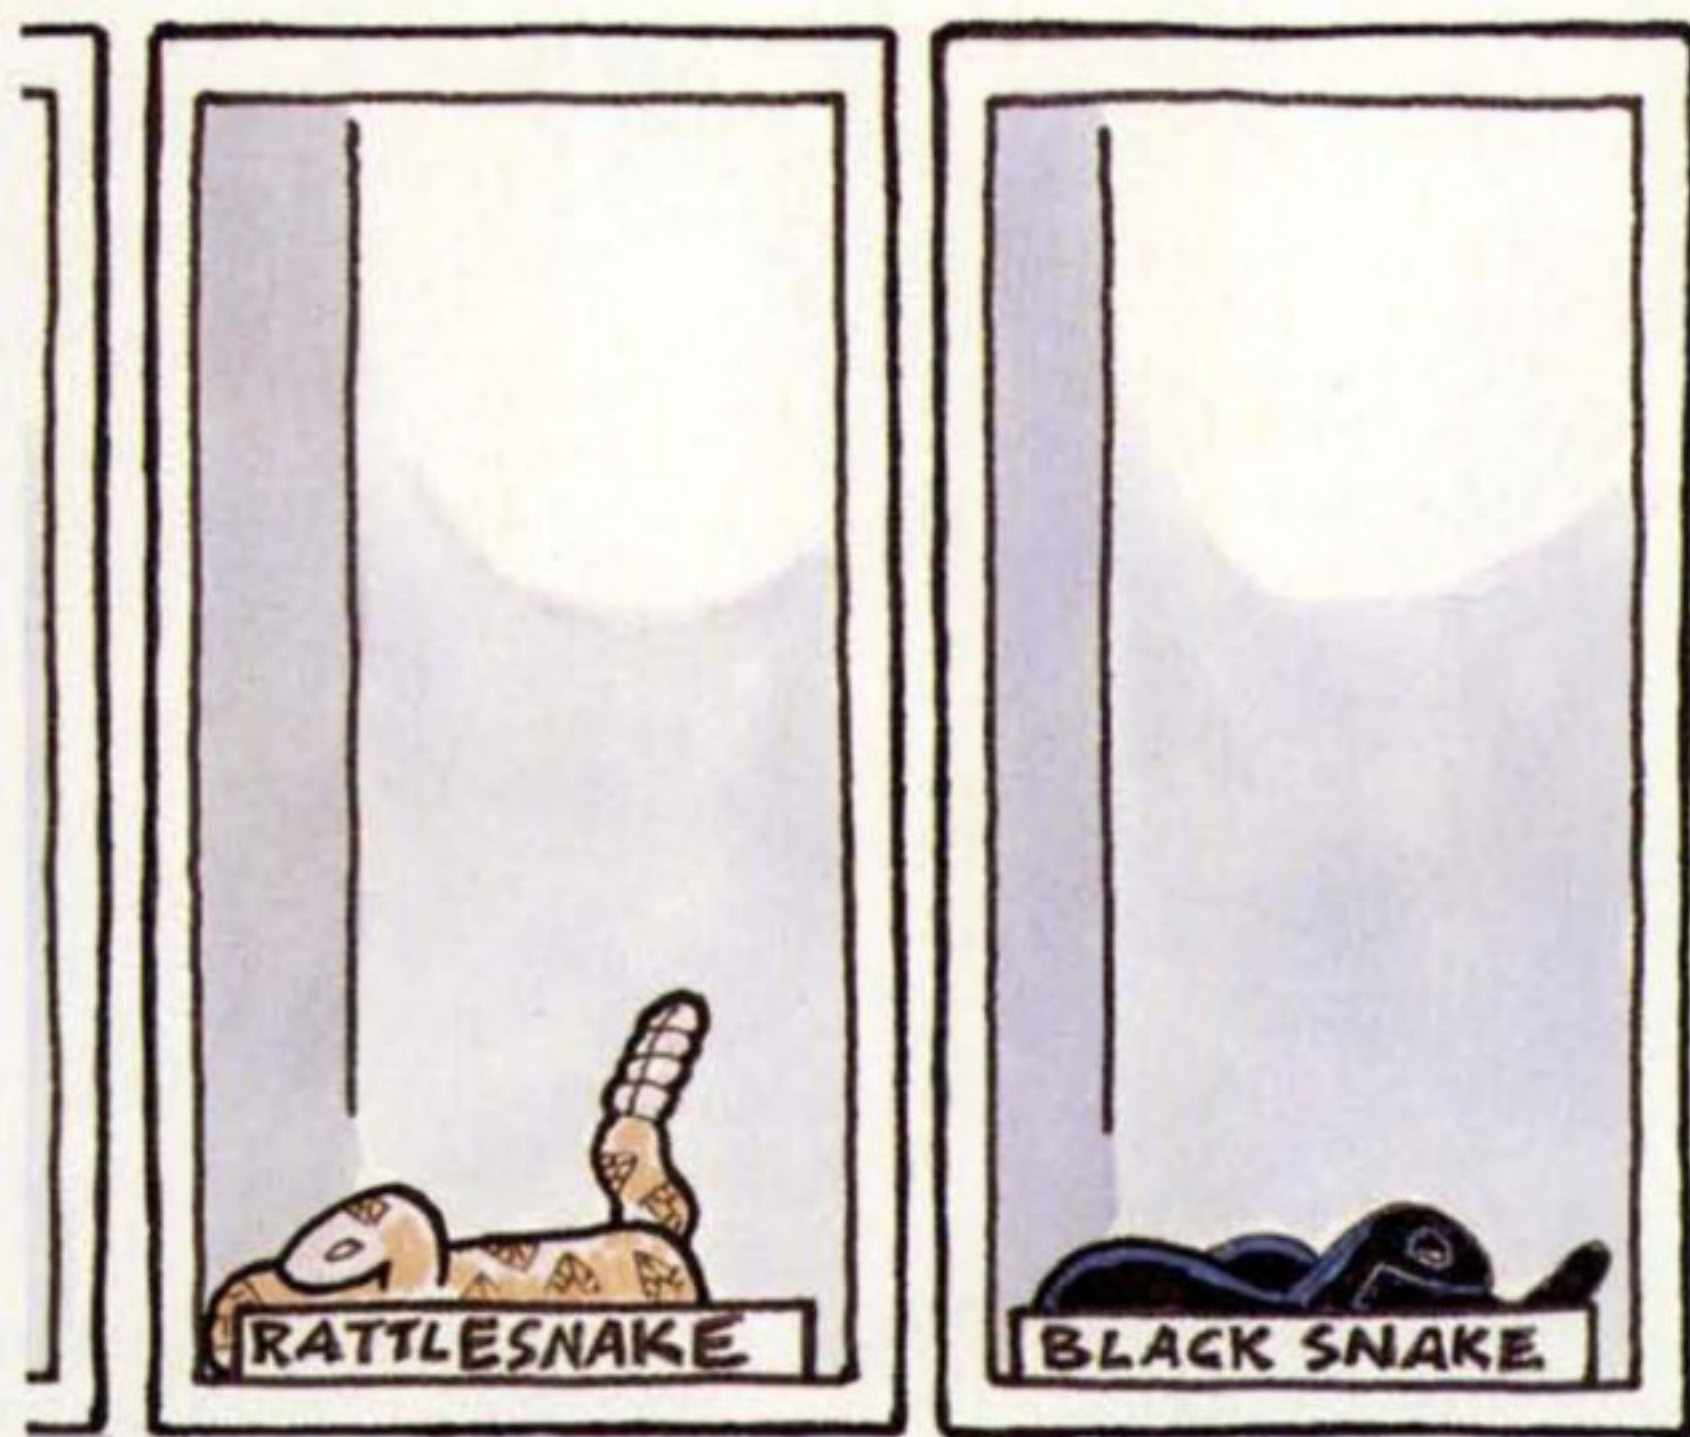

Martin is disappointed. He has waited weeks for this meeting and hoped it would have lasted longer than one minute. But Martin, watching Amber's motionless, naked form in the mirror, can take solace.

If Martin plays his cards right, he can have the beautiful Amber and at least 20 other girls and women any time he wants. He might even be able to stick it in Shelley. Martin is being groomed for the male leadership of his own Sister Council. His women will be responsible for providing Martin all the pussy he

wants. The nubile clan must even scout out new snatch for him—as they do for the Landscaper, Shreeve.

Most experts believe Shreeve founded the Zion Community in the early 1980s after he was excommunicated from the mainstream Mormon Church for forming his own Bible-study group in which he taught his own perverted form of Mormon doctrine.

A former state-champion debater and sought-after speaker for the Mormon Church, Shreeve preyed on young, impressionable women. His teachings included the *Five Arts of Stimulation*, a sexual guideline designed to teach his female followers how to please the men of the Zion Community, especially the Landscaper himself.

The *Five Arts* included nude posing, stripping, oral sex, anal sex and intercourse. The most important component for the women who sought to perfect these arts was lots of practice.

Training manuals written by Shreeve ordered all the Sisters to practice their technique continually. If a female member of the Community heeded this admonishment, her true sexual, and therefore spiritual, self would emerge.

Shreeve suggested, "If you are not

growing and developing sexually, you are not spiritual."

Sexual practices for Zion Community women were not solely confined to servicing the eternal male companions and Shreeve. One document stated to the Sisters, "If a Sister cannot relate to another Sister sexually, she is not spiritual."

"[The Zion Community] is lesbianism," said former Sister Christofferson. "It is part of their way of life."

After the girl returns home from the motel, she is instructed by Shelley to do her schoolwork and go to bed. But Amber is excited. She wants to talk about her experience with Martin. Shelley tells Amber flatly that she was there to please Martin, not herself.

"The man's complete satisfaction is all that is important," Shelley explains. "If you find pleasure when making a man happy, it's okay, but don't forget: The teachings are clear. It is the Sisters' job to please the man."

After seeing Amber off to bed, Shelley ambles across the street and into another home owned by the Zion Community. Four members of Shelley's Sister Council are seated in a circle on the floor, cutting out pictures from *Playboy* and *Penthouse*.

The pictures are placed in albums to be

used for the sexual instruction of young girls. The partially clothed Sisters pile the clippings into three categories: pictures of men and women having sex, pictures of sex between two or more women and pictures of women in inviting poses.

Shelley has not come over for arts and crafts. She is here to lead a round of group sex. They will play a Zion Community game called *Rape in the Dark*. The rules of the game are simple: One woman is designated the rapist, and the others play a version of blindman's bluff until a loser is determined. The loser is then forced to do whatever the rapist wants.

As usual, Shelley is the rapist. She orders Sarah, an 18-year-old with gigantic tits, to strip naked. Shelley forces the nervous teen to suck her pussy. The winners of the game must watch.

It's Sarah's first time playing rapist. She is scared and begins to cry. Shelley comforts the new Sister and suggests the two practice their technique together. Within minutes, the Sister Council is engaged in a squack-sucking, lesbo orgy.

In the morning, after Martin and the other men of the Council are fucked, fed and sent off to work, Shelley, Amber, Sarah and the others shop for supplies to stock the business they run, Sweet Things—their own lingerie store.

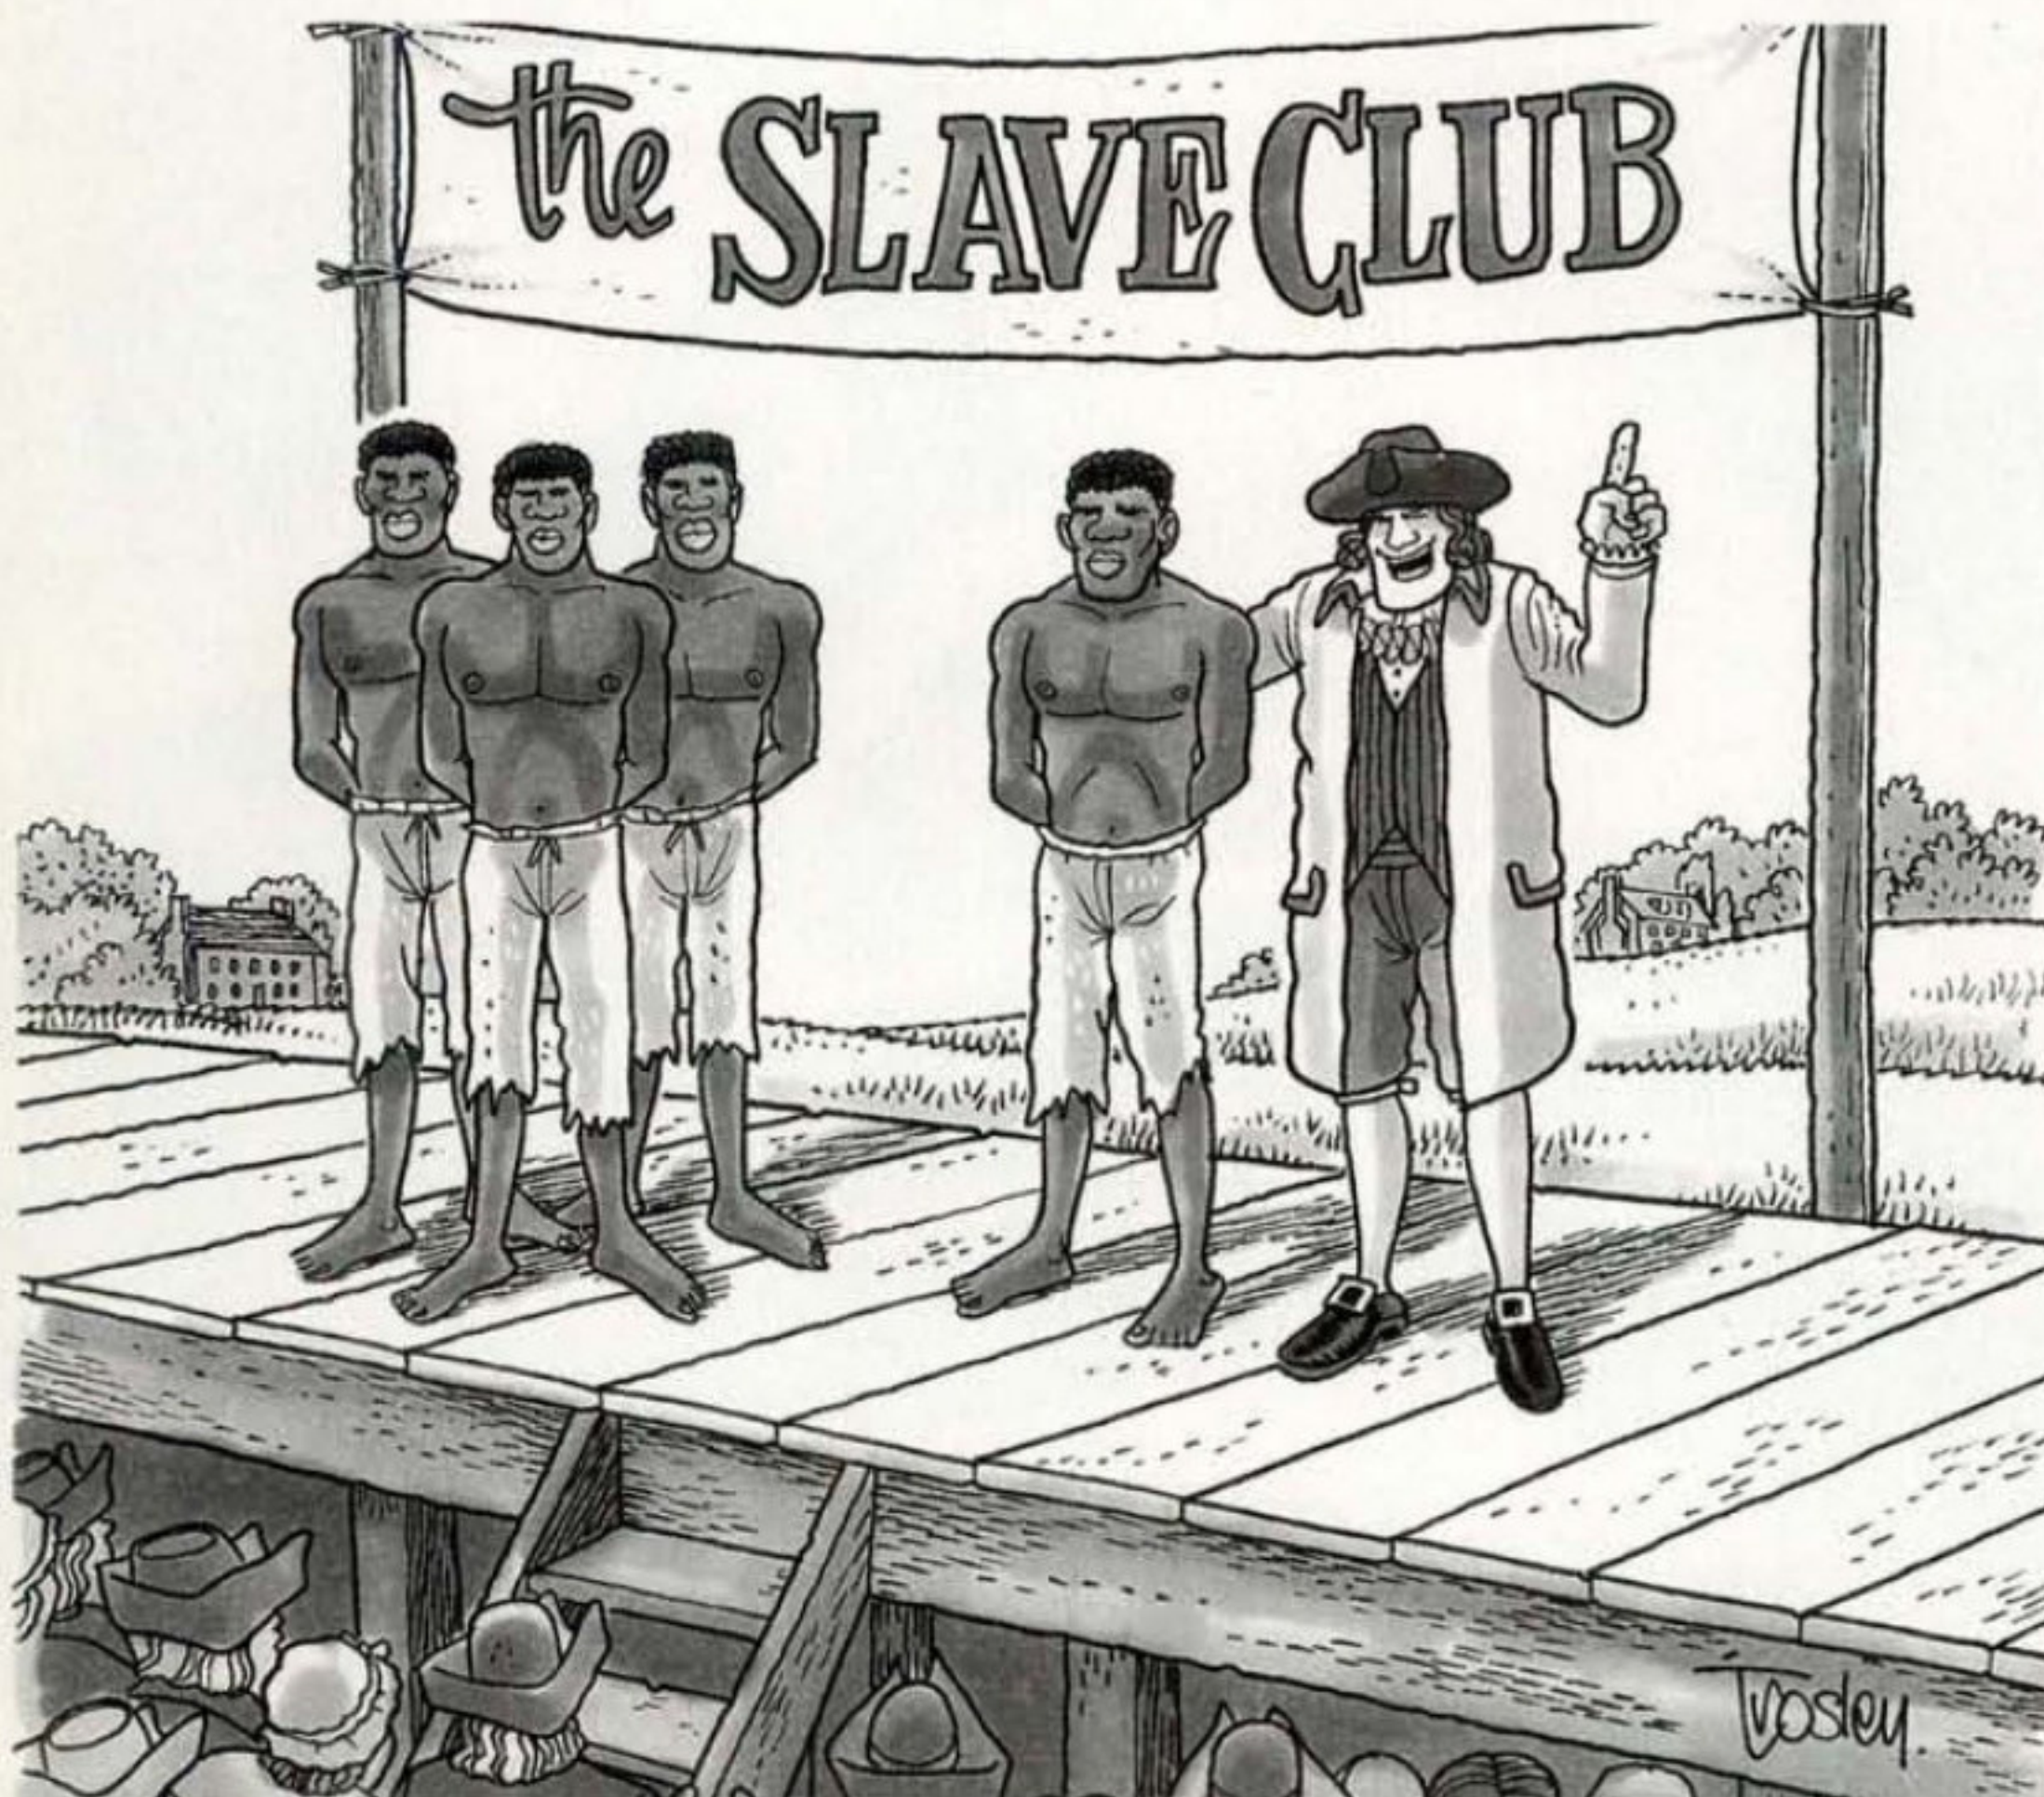

Made-up and sharply dressed, the Sisters peruse fabric shops in search of odds and ends for Sweet Things' upcoming lingerie show. They look for brightly colored scarves for the most-popular seller, an outfit called *Roped and Branded*. The skimpy ensemble consists of a G-string bottom, bikini top, colorful bandanas and rope and handcuffs.

At the height of Shreeve's control, he led more than 200 Zion Community members, instructing them on all religious matters and daily routines, including what clothes to wear and how they spent their money.

The Zion Community operated in Ogden, Utah. While many of the more than 100,000 denizens of the northern-Utah city became familiar with Shreeve and his followers, most did not know what was going on inside the Community's well-kept homes.

"It reminds me of the Stepford wives," said a woman who lived in the same Ogden neighborhood as members of the Zion Community. "They all talk the same, and they all act the same. It's like they're in a trance."

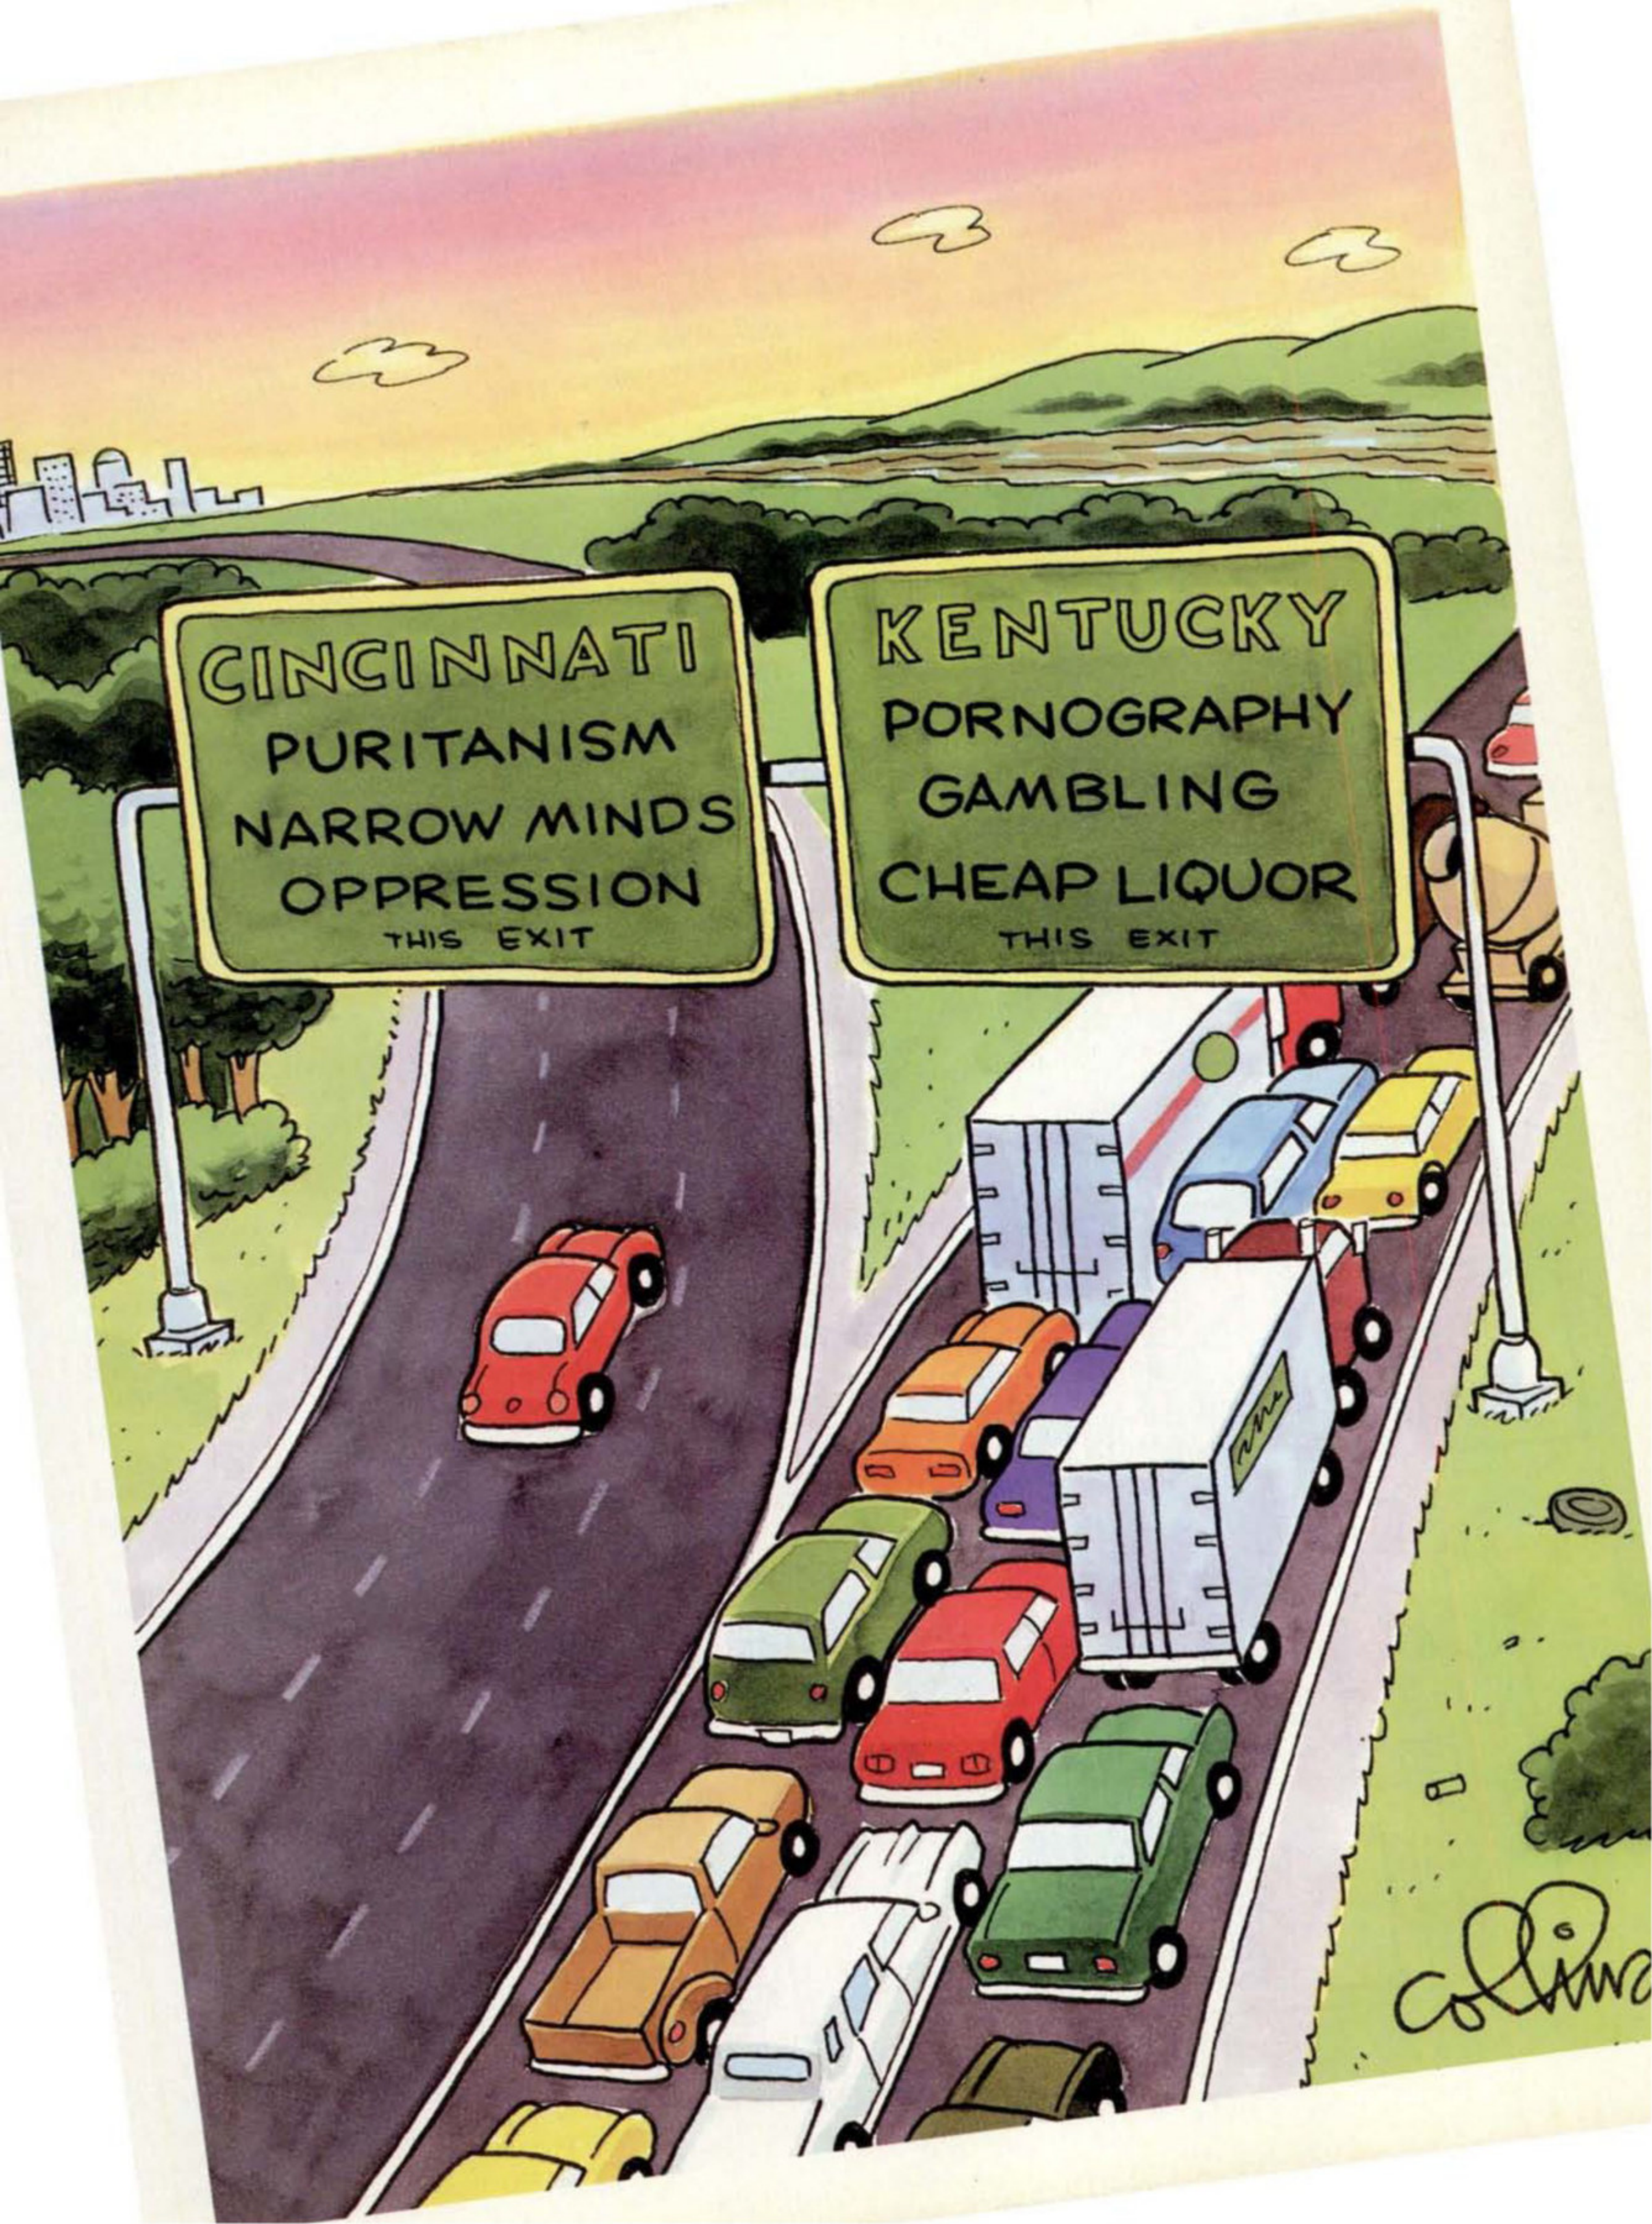

The Sisters were quiet and always traveled in groups of two or more. But in Utah, peculiar Mormon-inspired break-away

groups are not uncommon. Some estimate that more than 200 such groups exist. They range from single polygamist families to complete communities, such as the thriving polygamist town of Cedar City, located in southern Utah.

Shreeve's control over his followers was complete. He influenced his horny flock with revelations from God and messages from beyond, often quoting dead Mormon leaders or speaking with his deceased mother who he claimed came to him and explained aspects of God's plan.

To the Mormon-reared young women, used to the patriarchy of the Mormon Church, Shreeve's demented orders fit, in part, with their religious upbringing.

The audience for the Zion Community-run *Sweet Things*' lingerie show includes retail buyers, exotic dancers and single men whom the Sister Council heads are considering for their male leaders. The show is held at one of the ten houses the cult owns in the pleasant Northwood neighborhood of Ogden.

With the prospective male leaders, or *Eternal Companions*, in the audience, Shreeve instructs Shelley to use only the youngest and prettiest girls. They are to put on an extra-special performance.

The lingerie show is amateurish, with

beautiful, yet gawky, girls stumbling down a makeshift runway, dressed in their cowboy-bondage outfits. For the finale, a girl stands in front of each prospective recruit, turns around, pulls down her panties and spreads her velvety labes, offering a view of her sweet, spiritual pie.

Unbeknown to the members of the Zion Community, an interloper is in the crowd tonight. Posing as a lingerie buyer named Suzanne, Charlotte Goulet is a private investigator, hired by the father of Vanessa, one of the young performers. A year earlier, Shreeve had convinced Vanessa's mother to divorce her husband and become a member of the Zion Community, bringing Vanessa with her.

Goulet, acting on behalf of the jilted ex-husband and worried father, has seen enough. She has evidence to take to the authorities.

Meanwhile, in another home, Shreeve receives Spencer and Lisa, two children, one boy and one girl, who have spent the day competing in games to determine who will win the right to please the Landscaper.

After a bowl of ice cream, Shreeve tells 14-year-old Spencer and 12-year-old Lisa that it is time for a lesson in sexual stimulation. He instructs the two youths to take off their clothes.

Later, Shreeve walks Spencer to his

house a few doors away. The Landscaper enters the recreation room, where a dozen children have been assembled to play. He wishes them good night.

"Good night, Grandpa," the children respond.

Several days later, Shreeve receives word that a raid on the Zion Community compound is in the offing. Goulet and her client have gone to the police. Shreeve is frantic and gathers Sherry, Amber and his closest Sisters.

The Landscaper and his carnal disciples stay up half the night burning the group's extensive collection of pornography, copies of the *Sexual Way of Life* and the *Five Arts of Stimulation* and much of *Sweet Things*' stock. But it is too late.

* * *

On August 2, 1991, Weber County authorities descended on the Landscaper and his Zion Community. Shreeve had fled, but officials placed nine Zion Society children into protective custody. Arrest warrants were issued, and Shreeve turned himself in to Cedar City, Utah, police two days later.

During his trial, Shreeve maintained that his motivation was strictly religious, and that all sexual contact "was initiated by the children."

Although former Zion Community followers, such as Kori Christofferson, helped the district attorney's office in the prosecution of Zion Community adults on an array of charges, including sodomy of a child, child sexual abuse and sexual exploitation of a minor, many of Shreeve's minions remained loyal to the Landscaper.

Shreeve's own daughter-in-law and mother of one of the children Shreeve was charged with abusing disputed the allegations of underage sex. "The only basis for sexual relationships," she said, "was to bring you closer as husband and wife."

A Kaysville, Utah, man and parent of two girls the Zion Community leader admitted abusing, called for leniency for Shreeve: "[Shreeve is] a compassionate, generous man who would do anything he could...to assist anyone in need."

Second District Judge David E. Roth found Shreeve's lame-brain defense less credible and sentenced the Zion Community leader to serve 20 years to life in prison.

With some members of the Zion Community escaping prosecution, there are reports that the sex cult is still operating underground. That, right now, little girls are learning the *Five Arts of Stimulation*. That, right now, the Sisters are still practicing their sexual techniques for a ticket to enlightenment.

Darlene rubs her leopard-skin blanket across the lush, humid region between her legs.

Ned decided to commune with nature by joining a nudist colony in a remote rural area.

Strolling naked through the forest, Ned noticed a wooden sign that read: BEWARE OF GAYS.

The baffled nudist continued along the wooded path. A half a mile later, he spotted another sign nailed to a tree: BEWARE OF GAYS.

Filled with a strange sense of dread, Ned headed off the trail toward a clearing. There, among a patch of wildflowers, he discovered a bronze plaque set into the ground.

Ned bent over to read the inscription: SORRY, it said, YOU'VE BEEN WARNED TWICE ALREADY.

"Oh, I have gambling money," Bill responded.

Bob stepped up to the urinal next to a guy with no arms. Wondering how the cripple would ever be able to piss on his own, Bob offered to hold his dick.

Bob unzipped the man's pants and discovered a penis that was covered with scabs, angry-red welts and weeping sores. When the armless man finally finished urinating, Bob gave the diseased member a shake and returned it to the poor bastard's pants.

"Thanks a lot," the afflicted man said.

"No problem," Bob assured him. "I hope you don't mind me asking, but what's wrong with your cock?"

The man hunched up his shoulders and wriggled his arms through his sleeves.

"I have no idea. All I know is, I'm not touching it."

The dean relented. "All right, Rodney. Answer this question, and you can graduate. What is three plus two?"

"Three plus two be eight," Rodney replied.

The dean shook his head. "I'm sorry, Rodney. The answer is five."

"Give him another chance!" cried the spectators.

"What's five minus one?" the official asked.

"Two," Rodney answered.

"One more chance!" chanted the crowd.

"Okay, but this is it," the dean sighed. "What is three times three?"

"Nine," Rodney proclaimed.

The crowd was silent for a moment, then shouted, "Give him one more chance!"

**COME ON A SAMBA LINE OF SIN THROUGH THE
CARNIVAL STREETS AND BROTHELS OF RIO DE JANEIRO**

REPORT BY MACK ASSARIAN * PHOTOGRAPHY BY MATTI KLATT

The 19-year-old nymph has breasts painted gold and wears white-gossamer angel's wings that crumple when she falls back on the bed of the Rio de Janeiro, Brazil, tourist hotel. It is four in the morning, and the nymph has been dancing for hours in one of the innumerable Carnival parades that snake through Rio's streets during the hot nights of Brazilian summer at the end of February. The nymph is an exotic breed, a bubble-butt beauty with black, wavy hair, green eyes and coppery skin that is typical of the miscegenated African and European races that flourish in her homeland. Her eyes are wide and trusting as she gazes up at the stranger who unzips his fly and drops his penis onto her straight, white teeth. Carnival, a farewell to the pleasures of flesh, takes place on the four nights leading up to the fasting and atonement of Lent.

The nymph is a good Brazilian Catholic, and she will say goodbye to sin when the priests say it is time. First, she will sell her pussy to the Yankee tourist for 35 U.S. dollars.

Carnaval

A brightly painted harlot vamps a potential trick, winking and blowing kisses from her lipstick-caked mouth. The customer passes. She puts a finger over one nostril and blows snot onto the ground.

Tourists are not fooled by the 115-foot-tall statue of Jesus that dominates the Rio de Janeiro skyline atop Mount Corcovado. Despite the unnerving and ever-present gaze of the Son of Man, Rio's inhabitants studiously ignore most Biblical teachings. The government steals from everyone; the poor are left to rot in slums; men dress like women and sodomize each other vigorously; and girls sell their asses on every street corner.

As human cesspools go, Rio is one of the most beautiful on the planet. Green mountains shaped like tits rise over the city. The legendary white beaches—Ipanema, Copacabana and Leblon—look like travel posters, though the air frequently stinks due to the dumping of raw sewage in the bay. A modern skyline of glass office towers and Miami Beach-style condominiums almost blocks views of the hellish shanty towns that proliferate along the edges of the mountains.

The chief benefit of Rio's grinding poverty is a plentiful supply of inexpensive snatch for the multitude of whorehouses that thrive across the metropolis.

Rio is most famed for Carnaval, a pre-Lenten bacchanal, similar in spirit and mindlessness to New Orleans's Mardi Gras. One hundred years ago, Rio's citizens celebrated Carnaval by throwing

wax balls filled with urine at one another and engaging in lethal riots. Today's Carnaval has been tamed. Tens of thousands of citizens attire themselves in elaborate costumes and march in organized parades through the Sambódromo, a downtown stadium built expressly for containing and focusing the dangerous energies of the people.

Carnaval '98 begins on Saturday, February 21, during the height of an El Niño-driven heat wave, pushing temperatures to nearly 100°.

At five o'clock in the afternoon, Rio's largest and most squalid whorehouse is just waking up. It is called Vila Mimosa and is located on a cobblestone street in a run-down industrial district.

Cops lean outside on their paddy wagon, a black-and-white Chevy Suburban. The cops are heavily armed and totally indifferent to the myriad illegal activities going on beneath their noses. Twelve-year-old girls stand nearby in bikinis, their tit cups barely dented by prepubescent nubs; they sell their hairless nookies for a few dollars. Drug dealers squat on upturned crates, directing customers into a nearby building where cocaine, marijuana and heroin are sold.

Wiry, tweaked-out young men in

shorts and flip-flops wander past, chewing their lips as they make up their minds: fuck 12-year-old girls or snort more cocaine? There is time enough to do everything during the Carnaval holiday, and, according to locals, the police won't make any trouble, so long as they collect their fair share of payoffs and pussy.

The Vila Mimosa is a giant, concrete and brick building. Its entrance is a yawning black hole. The interior—a long U-shaped thoroughfare lined on both sides with miniature bars, each barely big enough for three tables and a jukebox—resembles a Middle Eastern bazaar crossed with hell. It is estimated that 1,500 girls work the Vila Mimosa; lines of them stand in front of the bars wearing underwear or bikinis, sweating in the infernal heat as they grind to the juke music.

All varieties of cunt are for sale. Bleary-eyed albies, with cirrhosis-distended bellies, dance beside lithe, taut-tummy teens. A brightly painted harlot vamps a potential trick, winking and blowing kisses from her lipstick-caked mouth. The customer passes. She puts a finger over one nostril and blows snot onto the ground, while her ass continues its animal gyrations.

One of the bars is operated by a man who locals claim is a priest. He is pale-skinned and dark-haired, with a crafty and solicitous smile, and he calls himself Father Pedro. He explains through a translator that he became disillusioned by the hypocrisy of the Church. He pimps girls not only to support himself, but also to pay for humanitarian efforts, including the construction of a medical clinic for the poor. When he has time, Father Pedro still says the Catholic mass.

How does he balance his duties as a priest with the demands of being a pimp?

"Father Pedro believes in God," the translator explains, then asks, "Would you like to fuck one of his bitches?"

Father Pedro's bitch is a brown-skinned blonde named Simone. I follow her sweat-stained bikini bottom up a spiral staircase at the back of the bar.

Simone pulls aside a ratty curtain at the entrance to a second-floor fuck crib. A dim bulb illuminates beat-up, plastic walls that seem to be recycled office cubicles. A creaky, metal cot provides all the charm of a Salvation Army flophouse.

Simone unpeels her bikini and offers her wide, sexy mouth, but it is a mistake to kiss it. Her breath reeks—a sharp, tangy smell like rotting teeth, last night's booze or illness.

TIES THAT BIND

PHOTOGRAPHY BY CLIVE McLEAN

S&M stepsisters Ariane and Stephanie discuss their unique family dynamic.

"I've wanted a little sister my whole life," explains Ariane. "I never had one until Dad married Stephanie's mom last year. We may be grown-up, but Stephanie and I still do all the things sisters do. Like share our toys." Ariane gives captive Stephanie a taste of her ebony dildo.

"I look up to Ariane," Stephanie says, running her tongue along her captor's muscular leg. "She understands the side of me that craves her approval." Stephanie smiles. "And her cunt."

"Sisters are supposed to share all their joy and pain." Ariane grabs her groveling stepslave by the hair. "But I believe suffering creates deeper bonds than pleasure."

The girls are eager to flirt, to press their warm, thong-wrapped buns onto customers' laps, squeeze their boobs into their faces and allow their pussies to be discretely finger-fucked.

(continued from page 92)

It is equally dumb to accept a blowjob without condom, but Simone's stench breath is quickly forgotten as she performs a sort of Chinese mouth trick. It feels as if she has pulled her gums over her teeth. The inside of her mouth pulls like hot marshmallow cream and rolling marbles.

Simone rolls onto her knees and aims her heinie in the air. She squirts a gob of K-Y onto her bung. She is eager to be butt-fucked because her fee jumps from 15 to 20 reals (about \$17) for anal.

Gazing at her clenching, brown asterisk, I worry that if the rearend of Simone's digestive tract stinks as bad as the front, it would be preferable to keep her shit gaskets clamped shut. Simone slaps her ass cheeks, demanding action.

Luckily, her butt lips form a tight seal; no excess stink escapes.

Simone turns over half her fee to Father Pedro in the bar below. He secrets the cash in a pocket of his shiny, expensive suit, the cost of which no doubt adds to the delay of his medical-clinic grand opening.

An Ipanema cathouse is considerably more upscale than the Skid Row Vila Mimosa. Club 17 is a *termas*, or bathhouse, where girls cost 100 reals (\$90) per hour.

Customers are required to wear white, terry-cloth robes, though most wisely avoid hot baths that smell of disinfectant masking body odor and instead congregate in the *termas* discotheque.

Dancing teenage prostitutes pack the floor. It is a multicultural vision of paradise. White girls, black girls, mulattos, Indians and Asians, who seem on average to be about 19 years old, furiously market their booties by wiggling them seductively to a cheesy dance beat.

The girls are eager to flirt, to press their warm, thong-wrapped buns onto customers' laps, squeeze their boobs into their faces and allow their pussies to be discretely finger-fucked. The hands-on sales technique makes comparison shopping a pleasure. The girls' glittering smiles may be no more genuine than a 50-dollar Rolex, but the joy of knowing that any one of them can be spread out on a bed in a private room with her cunt cracked open within minutes is truly precious.

An English-speaking man, who sits nearby, starts a friendly conversation. "That *puta* looks good," he says, pointing to a knock-kneed Indian attempting a lewd pole dance across the room. "She looks like she makes unusual noises when you stick her in the butt."

A petite, sullen-looking, blond hottie leans against the wall beyond the pole dancer. Wavy hair tumbles down her bare back to her butt. She displays the self-consciously bored, casual disdain of a teen hanging out at the mall awkwardly smoking a cigarette. Instead of a cigarette, she has a pink pacifier stuck between her lips.

"That girl is a dead lay," my new friend warns. The blonde strolls toward me.

She stops three feet away and strikes a pose, placing a hand on her hip and cocking her ass. Her high, wide-apart breasts, clearly visible through a white halter top, might be direct descendants of the perfect pair that sprouted on Eve's chest. Her stomach arcs forward in a graceful curve, tied at the center with a lopsided outie navel. Her business end flares beneath the hips; butt cheeks are shrink-wrapped in black-vinyl hotpants embossed with red Satan's flames. She concludes her grindhouse pirouette, focuses the blue beams of her eyes and spits out her pacifier.

"Janaina," she says, extending a delicate hand and making an immediate sale.

Janaina strips in the private room provided by the *termas*. A red light makes her porcelain skin glow faintly pink, like cotton candy. She offers a shy smile, revealing a row of baby-pearl teeth.

Ordinarily, going down on a whore is not a wise course of action, but the puff of golden fuzz between Janaina's legs shines with the purity of a halo.

The bottle dance is a craze in Brazil. It is performed by two female pop singers who do a samba-style bootie shake over an upright bottle, as if drinking it with their pussies. This dance is featured in a popular beer commercial on TV.

Sucking Janaina's snatch inspires her to perform her own version of a bottle dance. Janaina shimmies atop the skin-covered bottle between my legs. She squeezes the bottle in her wet pussy lips and drinks deeply. She tirelessly shakes the bottle from a variety of interesting positions. At the last moment, she gleefully yanks the bottle from her cunt and aims the resultant spray of sticky foam at her pretty face.

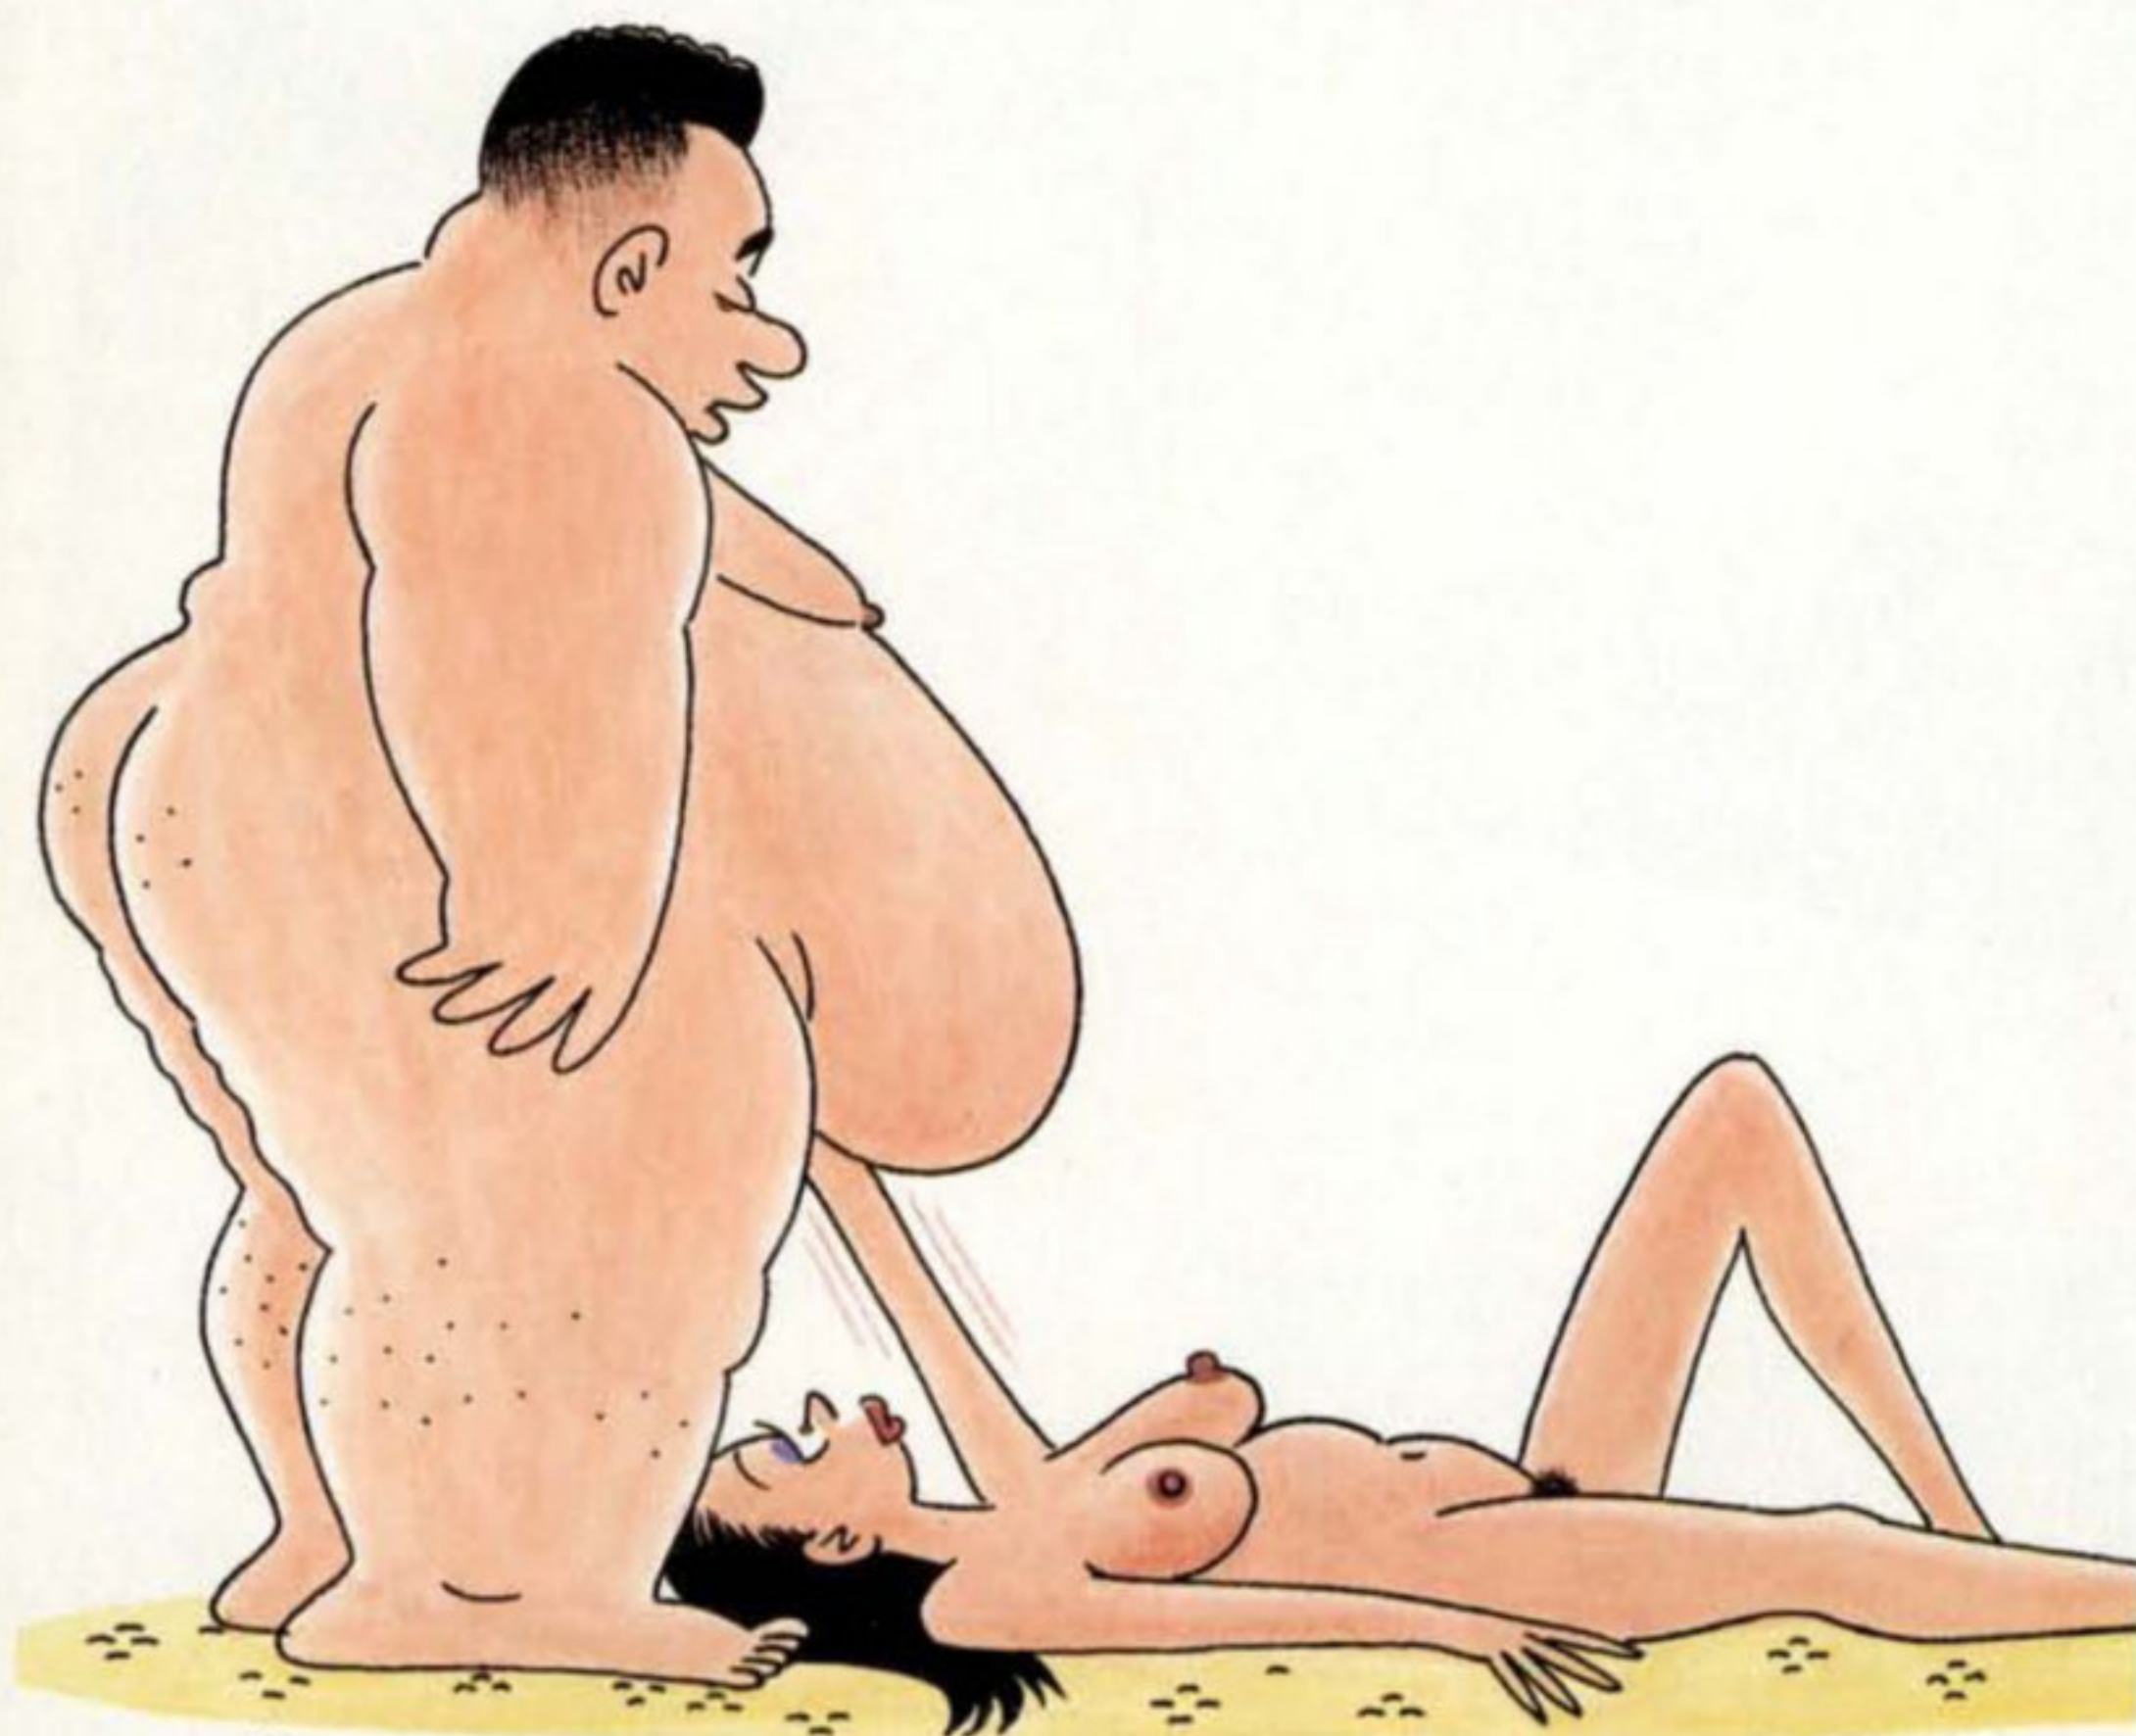

"I," Janaina whispers in faltering English, revealing her life dream, "want to go in USA and be a porn star. You think I can?"

Carnaval

In a well-publicized incident, a cop/executioner left a note over the body of a freshly killed, nine-year-old boy that said, "I killed you because you had no education and no future."

nameless hooker kneels on a waterbed with her ass in front of me. The ass is big and black, and I labor in a pink trench that feels bottomless. My eyes are closed with exhaustion. It is a mistake to open them and glimpse multiplex views of myself in the mirrored walls and ceiling. Sloshing up and down on the waterbed, steadying myself on the huge ass pillows, I look like a drowning victim clinging to the edges of a giant, black inner tube. I fall back, wheezing helplessly.

"You are tired," the nameless hooker says in a high, girlish voice that doesn't match her enormous size. "Tomorrow at midnight, I will meet you. I will have on my best dress."

I picture an inner tube twisted in the shape of a woman, wearing a dress.

Gardenia is not much taller than a stick of dynamite. She is a samba dancer. When she moves on the dance floor, her ass blurs like hummingbird wings.

She is in a Copacabana disco jammed with girls in outlandish Carnaval costumes—dressed as fairy princesses, Cleopatras, lionesses, genies, Roman slave girls, topless nuns, Greek goddesses, butterflies, Las Vegas show girls. They dance on tables, on six-foot-tall columns

and in cages. It has the feel of being at a mod '60s happening just as the third or fourth tab of acid is kicking in.

"I am not a girl who takes money for sex," Gardenia says, taking 100 reals from me as we enter my hotel. "But I have a doctor's bill."

Gardenia is 18, mulatto and seems to have a perfect body, though it is covered in tinsel boas and silver lamé. She has danced as a girl robot atop a float in a parade at the Sambódromo earlier that night.

The fantasy ends when she sheds her top, revealing blundered plastic surgery on her breasts. Jagged zipper scars crisscross beneath her nipples. The skin sags, with the flesh sucked out where her breasts used to be.

Brazil's poor have not escaped the fad for cosmetic surgery. Gardenia explains that a country doctor—judging by his handiwork, a butcher with a medical degree—offered to sculpt her breasts with the promise of making her a more attractive samba dancer. She is now saving money for further procedures to remove the scars of her cosmetic mutilation.

"Then I will go to Spain," Gardenia concludes. "I have a contract with a European agency to work as a professional dancer."

Gardenia is an illiterate. Recent

exposés in Brazilian newspapers about shady European agencies that promise to employ Brazilian girls as dancers and then force them into indentured servitude as low-wage hookers have obviously escaped her attention.

Brazil's army of nine million homeless children roam the streets without parents, living off of trash, begging and hustling. A few years ago, socially concerned police alleviated the suffering by forming hit squads and executing stray kids. In a well-publicized incident, a cop/executioner left a note over the body of a freshly killed, nine-year-old boy that said, "I killed you because you had no education and no future."

Joyce is a former child beggar, now 23, who offers to tour the *favela*, or slum, she lived in between the ages of 12 and 16.

Joyce is introduced as a successful young businesswoman. She has large, brown eyes and the sort of wholesome, honest, all-American face that would seem at home in a Wal-Mart ad. She wears a loose, ostentatiously gold-lettered Armani workout suit that hides ample curves. I try not to stare, out of respect for the fact that she is the first woman I have met in Rio who is not a whore. (On this, the third day of Carnaval, I have awakened with a burning, red rash in a sensitive area that makes it advisable to stay away from the company of hookers until medical help is obtained.)

A taxi takes Joyce and me to the base of a slum-covered mountain ten minutes from the luxuries of Copacabana. On the way, Joyce tells her harrowing life story. She has no memories of parents. Her earliest recollection is of begging and selling candy on the streets.

"The police arrested me many times," she states. "They shaved off my hair when I was eight. They abused me badly."

"I married a 30-year old man from the *favela* when I was 12. He beat me, and I left him when I was 15. I had his baby. I learned a business to support myself. My son is now nine. We have a house in a good area."

We climb a narrow, rutted lane on foot. The steep slopes of the mountain are home to thousands of slum dwellers. Tiny, red-brick shack homes cluster on the inclines. Burned-out shells of stripped, stolen cars litter the embankment.

Police are not welcome in slums; the neighborhoods are controlled by drug *traficantes*, who are known to welcome

(continued on page 152)

"We here in Cincinnati take a dim view of bestiality."

"When we pump in Linda Tripp's cunt fumes, the sucker'll be history in 15 seconds."

Christy of Smyrna, Georgia, wages a casual crusade against illiteracy and sexual repression. The tender, 19-year-old restaurant employee likes to swim and work out. Christy is currently fulfilling a cherished goal by appearing in America's Magazine. **HUSTLER** is the literature of choice for broad-minded individuals.

This udderly delightful farm girl is Candace from Huntsville, Alabama. Candace is not just another scantily clad hillbilly. Beneath her considerable rural charms beats the heart of a 26-year-old graduate student who loves to read and practice martial arts. Does your study schedule mean there's no time for a stint on Larry Flynt's X-rated *Hee Haw*!?

Photo by Friend

Taylor, a waitress from Atlanta, proves that peaches aren't the only sun-ripened delights indigenous to Georgia. An avid reader, 24-year-old Taylor's ultimate fantasy is to appear in the pages of **HUSTLER** with another girl. Think of *Beaver Hunt* as your stepping stone to glamour, Taylor.

Barbie is a postal worker from Indianapolis, Indiana. In her 35 years of existence, Barbie has had time to prioritize her leisure pursuits: "jogging, skinny-dipping and VIBRATORS." The naked civil servant wants to try out sex with her husband and another woman in front of an audience. What else do government employees have to do all day?

Photo by Husband

Dirty blonde Kelli hails from New Orleans, Louisiana. The 19-year-old exotic dancer lists "tanning" as her sole hobby.

Kelli yearns to have a threeway with "my husband and Pamela Anderson Lee." We can only hope Kelli's man is more of a gentleman than Tommy Lee.

Photo by Husband

Debbie D. describes herself as "original and intriguing." The 26-year-old citizen of Philadelphia, Pennsylvania, enjoys "writting songs." Debbie also looks forward to "trying out new things," such as "a large penis." After you hook up with a well-hung dude, pick up a copy of Hooked on Phonics, Debbie.

Photo by Friend

lvia of Fort Myers, Florida, included only the most vital biographical data with her photographs. The robust 23-year-old is a mere five feet four inches tall, weighs 120 pounds soaking wet and boasts a 34D-size bust. Does anyone really care what her hobbies are?

Photo by Friend

Clean-shaven Becky calls Tampa, Florida, home. Becky likes "fishing, nude surfing and women." A 27-year-old housewife, Becky has her heart set on an orgy featuring multiple females. This sapphic bobby-soxer is enough to make one crave the closeted depravity of a bygone era.

Photo by Husband

Wow! This bodacious creature is Nicole from Tampa, Florida. Aerobics, tennis and the prospect of a ménage à trois with her husband and a mystery date keep this 22-year-old sun worshiper happy. With such generous endowments, is it any wonder Nicole can afford to be self-employed?

Photo by Husband

Beth is a dancer from Hamilton, Ohio. The 32-year-old adult-show-biz queen dabbles in tanning, clubbing and the culinary arts. Being "tied to the bed, blindfolded and licked from head to toe" is Beth's extracurricular ambition. In blindfolded taste tests, nine out of ten consumers prefer the taste of strippers.

Photo by Friend

Ginger hails from Philadelphia, Pennsylvania. The 23-year-old lady is determined to realize two of her life goals: "making love on the beach in Hawaii" and becoming a registered nurse. Large doses of Ginger are rumored to have healing properties.

Photo by Friend

Sexy Sadie from Indianapolis, Indiana, doesn't take no for an answer. When Sadie's husband scoffed at her dream of becoming an exotic dancer, the plucky 22-year-old said, "Yeah, right," and became a stripper. When she's not willfully disobeying her lord and master, Sadie practices gymnastics, theater and ballet. Nothing short of hobbles will break this filly's spirit.

Photo by Husband

Precious is a loving Libra from Detroit, Michigan. The 33-year-old cashier and mother of two lists "ice cubes and candle wax" as two of her favorite things. Having realized all her fantasies in life, this dedicated mother is ready to be "totally adored by a loving man." Such proclamations of sentiment are precious and few in *Beaver Hunt*.
Photo by Boyfriend

Candie is Cocoa Beach, Florida's most scintillating housewife. The 31-year-old domestic goddess hopes "to be pulled over and fucked by a cop, male or female." Maybe you and Naomi should carpool, Candie.

Photo by Friend

Tough-as-nails Naomi is a stripper from Dallas, Texas. After a long night onstage, the gritty 25-year-old entertainer finds solace in horseback riding and four-wheel-drive vehicles. Naomi secretly hopes she will "be pulled over and taken advantage of by the state police." There is more than one way to incur a moving violation.

PENIS ENLARGEMENT SYSTEM

DR. BROSS INSTITUTE FOR SEXUAL ENHANCEMENT Professional and Complete PENIS ENLARGEMENT SYSTEM

Professional Instruction and Professional Products to help you and guide you every step of the way to a longer, thicker, and harder penis now! Our customers tell us 9 inches... 10 inches... even a **BIG 12 INCHES** is possible!

My name is Dr. Bross and I have discovered the Complete Penis Enlargement System that can help you enlarge your penis. The penis vacuum pump is also becoming the #1 medical treatment for impotence, premature ejaculation, increase sex drive and sexual performance.

**THE WORLDS LARGEST SELLING PENIS ENLARGEMENT SYSTEM
USED SUCCESSFULLY FOR OVER 30 YEARS WITH OVER 15 MILLION
SATISFIED CUSTOMERS.**

WHY MY COMPLETE PENIS ENLARGEMENT SYSTEM WILL WORK FOR YOU WHERE OTHERS FAIL.

If you have tried other pumps in the past without success I am sorry that you have been disappointed. But if you are serious about penis enlargement, increasing your penis length, thickness and hardness I recommend 100% the penis enlargement systems shown here that you can buy direct from the manufacturer without a prescription and save hundreds of dollars.

WHAT YOU NEED TO HAVE A LONGER, THICKER AND HARDER PENIS.

1. The Best Penis Vacuum Pump. Squeeze bulb and short stroke centric or center push pumps create a minimum amount of vacuum. Used possibly for masturbation but not for the vacuum that is required to enlarge your penis. To be successful you need our Penis Pumps with the exclusive POWER VACUUM CONTROLLER that adjusts the right amount of vacuum for your Penis Enlargement.

2. Easy To Follow Professional Instructions. We do not ship to you a small piece of paper with instructions on how to use the pump and then leave you guessing on its proper use. Please do not be misled. Without professional instruction there just isn't any easy 1-2-3 method for penis enlargement. Instead I have produced a **Professional Instructional Video and Magazine** that shows you step by step everything you need to know to be successful. Only after you learn my penis enlargement methods by watching the video and magazine it will then seem as easy as 1-2-3. I have sold millions of my videos and magazines. Because of this volume my cost is only one dollar for the video and magazine and it is not for sale. My penis enlargement instructions without the best penis vacuum pump cannot help you. I include it **Free** with the purchase of any of my **Professional Penis Vacuum Pumps**. Now you have the combination you need for your successful penis enlargement, the best professional pump and professional instruction.

MOST MEN DO NOT REQUIRE A PROLONG OR ERECTION RING.

However, there are some men who would like to maintain an erection for a considerable length of time. You must not use a fixed size tight fitting plastic ring around your penis when you use a penis pump. You could restrict the blood flowing into your penis. Instead, I offer to you **Free** with any penis enlargement system a **Comfort Fit Erection Ring** that will adjust to fit any size penis.

HOW DOES THE ENLARGEMENT PROCESS WORK?

Approximately 2/3 of your penis is made up of muscle tissue called corpus cavernosum and that tissue can expand. The Enlargement process is called hypermiation. Blood rushes into the muscle tissue causing the penis to expand to your maximum potential.

Dr. Joel Bross is a noted sex therapist, clinical sexologist in private practice since 1974. He specializes in sexual concerns for both woman and men. He is responsible for the production of numerous educational sex videos.

The penis about 3 inches is inserted into the clear tube.

After instruction and pumping this man has enlarged his penis to about 10 inches.

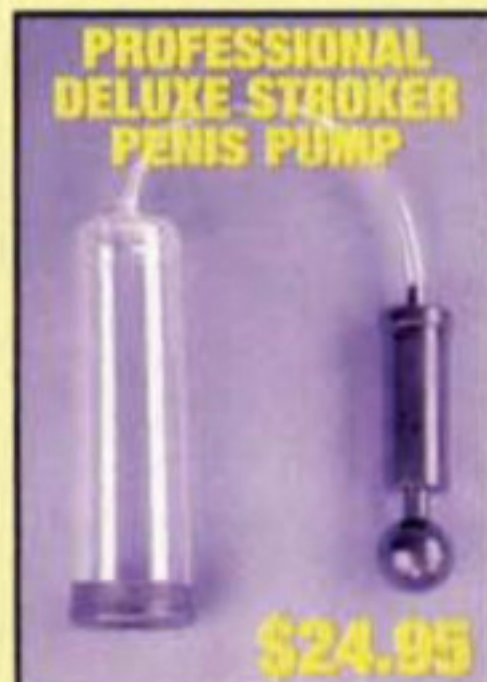

After more pumping the penis is removed from the tube and the penis is about 11 inches.

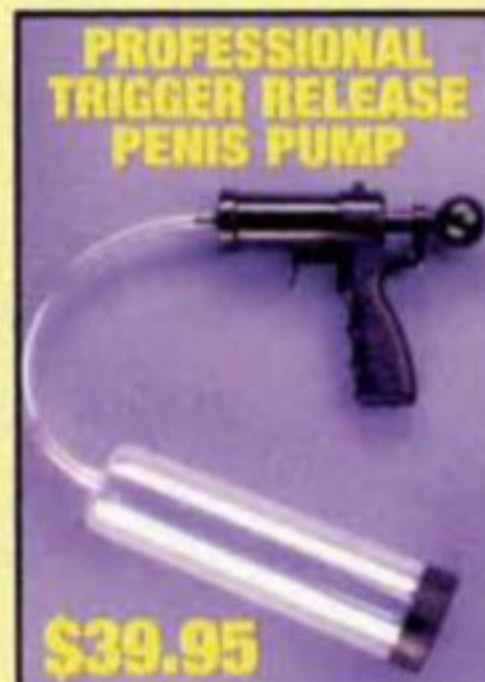

Even when the pump is not used the penis "hangs" thicker and longer.

WHAT MY PENIS VACUUM SYSTEM CAN DO FOR YOU.

Increase penis length and thickness ■ Stimulate a harder and more powerful erection ■ Exclusive design helps maintain your erection for as long as you wish without an erection ring (use my Comfort Fit Prolong Ring for extended sex) ■ Increase confidence, sex drive and sexual performance ■ Intensify your orgasm

The "original" and the worlds largest selling penis vacuum pump. Extra long 10 inch piston assembly.

Exclusive design. One hand operation fits comfortably like a pistol. Pull the trigger and instantly the piston releases the vacuum you need for a longer thicker and harder penis.

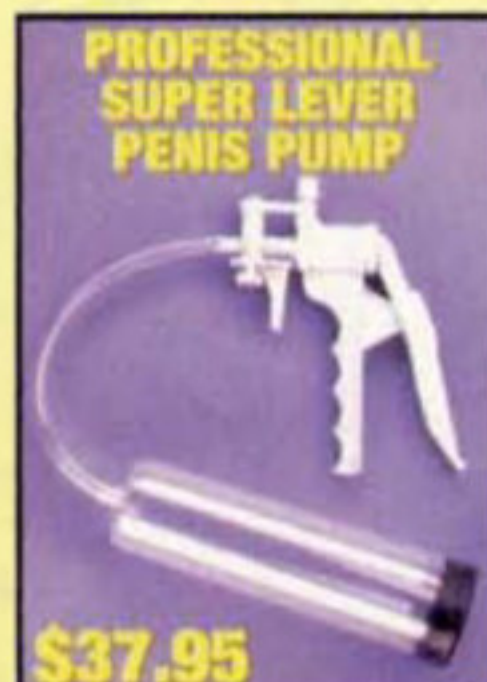

Professional Battery Powered Premium Penis Pump

The Original. One hand operation. Press the switch to start and release your finger to stop the motor. You have complete control for continuous vacuum for penis enlargement.

Important Exclusive Features. The self-contained motorized unit can be removed to clean the clear tube. Other pumps have the motor, wires and batteries attached to the tube and with use and cleaning can rust and damage the motor and batteries.

\$42.95

One hand operation. Comfort fit grip to squeeze the lever so you can operate the power piston.

Carnaval

Joyce confronts my amazed stare. "This is my business. I am a *puta*," she adds, slightly defensive. "It's an honest profession, and I get the money on time."

visiting law-enforcement with automatic-weapon fire.

Clumps of men hang outside a beer shack, drinking and dancing to music from a radio. "These are robbers who make their money by attacking tourists," Joyce mentions as we approach. "They are my friends."

Two of the robbers lead the way up a red-mud path, overgrown with tropical greenery, to the home of the *favela* association president. He is an energetic, 60-year-old man who resides in a ten-by-15-foot hut that he shares with his wife of 25 years, two grown daughters, a grandchild, a limping German shepherd with a bad hip and a parrot that repeatedly craps on my back.

The old man spends the next hour discussing the necessities he has fought for in the slum—running water, sewers, retaining walls to combat mud slides. Life is improving for the slum dwellers.

As we leave, Joyce tells me the city is constructing a crematorium at the base of the mountain with a smokestack that will blow the smoke of burnt human flesh directly into the homes of the *favela* association president and all of his neighbors.

Joyce invites me to visit her workplace at a nondescript office building

downtown. She leads me into a back door, and we enter a bordello with red-velour couches and cut-glass cupids on the windows that advertise it as a high-class joint.

Joyce confronts my amazed stare. "This is my business. I am a *puta*," she adds, slightly defensive. "It's an honest profession, and I get the money on time."

Ten minutes later, Joyce performs a feature dance in the bordello nightclub. She wears a black teddy, elbow-length gloves and fishnet stockings and crawls across the floor thumping her rump to a grind-house blues number, showing off a black-panther tattoo on her right cheek.

She reaches my lap and says, "Okay, we go do it now."

Her tragic life story flashes before me, and my conscience forces me to tell her of the mysterious rash that prevents me from taking her up on the generous offer.

"Does it hurt when you come?" Joyce inquires, stroking the itchy spot.

"No."

"Don't worry about it." She playfully smacks my face with a glove. "Let's go."

On Fat Tuesday, the last night of Carnaval, I venture to a cathouse in an industrial suburb. It is a stucco home with its windows and front door covered in

steel plates. A large black man guards the entrance, a human watchdog with a Glock pistol in his paw.

Inside, three whores dance in the middle of the living room—a tattooed, junkie-thin brunette, an inebriated red-head and a blond porker with painful-looking acne sores on her face. It is a scene from *Hookers of the Damned*.

The proprietor, a whippet-thin, 19-year-old hustler, sits at a table in the kitchen counting cash from a strongbox. Two whores wash towels in the sink; another whore cooks beans and rice on the stove.

The proprietor says that he is struggling to establish this new cathouse, despite monumental problems. His girls are ugly; the cops want bigger payoffs.

A freshly showered whore enters in a white bathrobe. She casually lets her robe fall open, revealing a plush, hour-glass figure. She has extremely high cheek bones, blond hair and blue eyes. She looks German in a way that brings to mind documentary footage of a Hitler Youth folk dance.

The proprietor squeezes the blond whore's thigh appreciatively. "My best girl. She takes at least six customers a night, sometimes ten. White girls are very lucky in the whorehouses. The men of all the different races enjoy them above all other girls. They always get fucked a lot."

Daniella arrives at my hotel in the wee hours of Lent. She crawls into bed. Since she has just been fucked by six or ten guys, no effort is made to spread her legs.

She curls up and wraps herself around me. Throughout the night she sleeps tight against me. Her nature is desperately affectionate, like a pup sprung from a cage at the pound.

Daniella doesn't have much of a story to tell. She has no dreams or ambitions to be a dancer or a porn star or to buy a home. She came to Rio seven months ago and began working as a hooker. Her husband was killed in a car wreck, and she needed money. She has two kids that live with her mother in a town 500 miles away. She fucks about 40 guys a week, but most of them are married or too broke to afford a private hotel room; so she almost always sleeps alone.

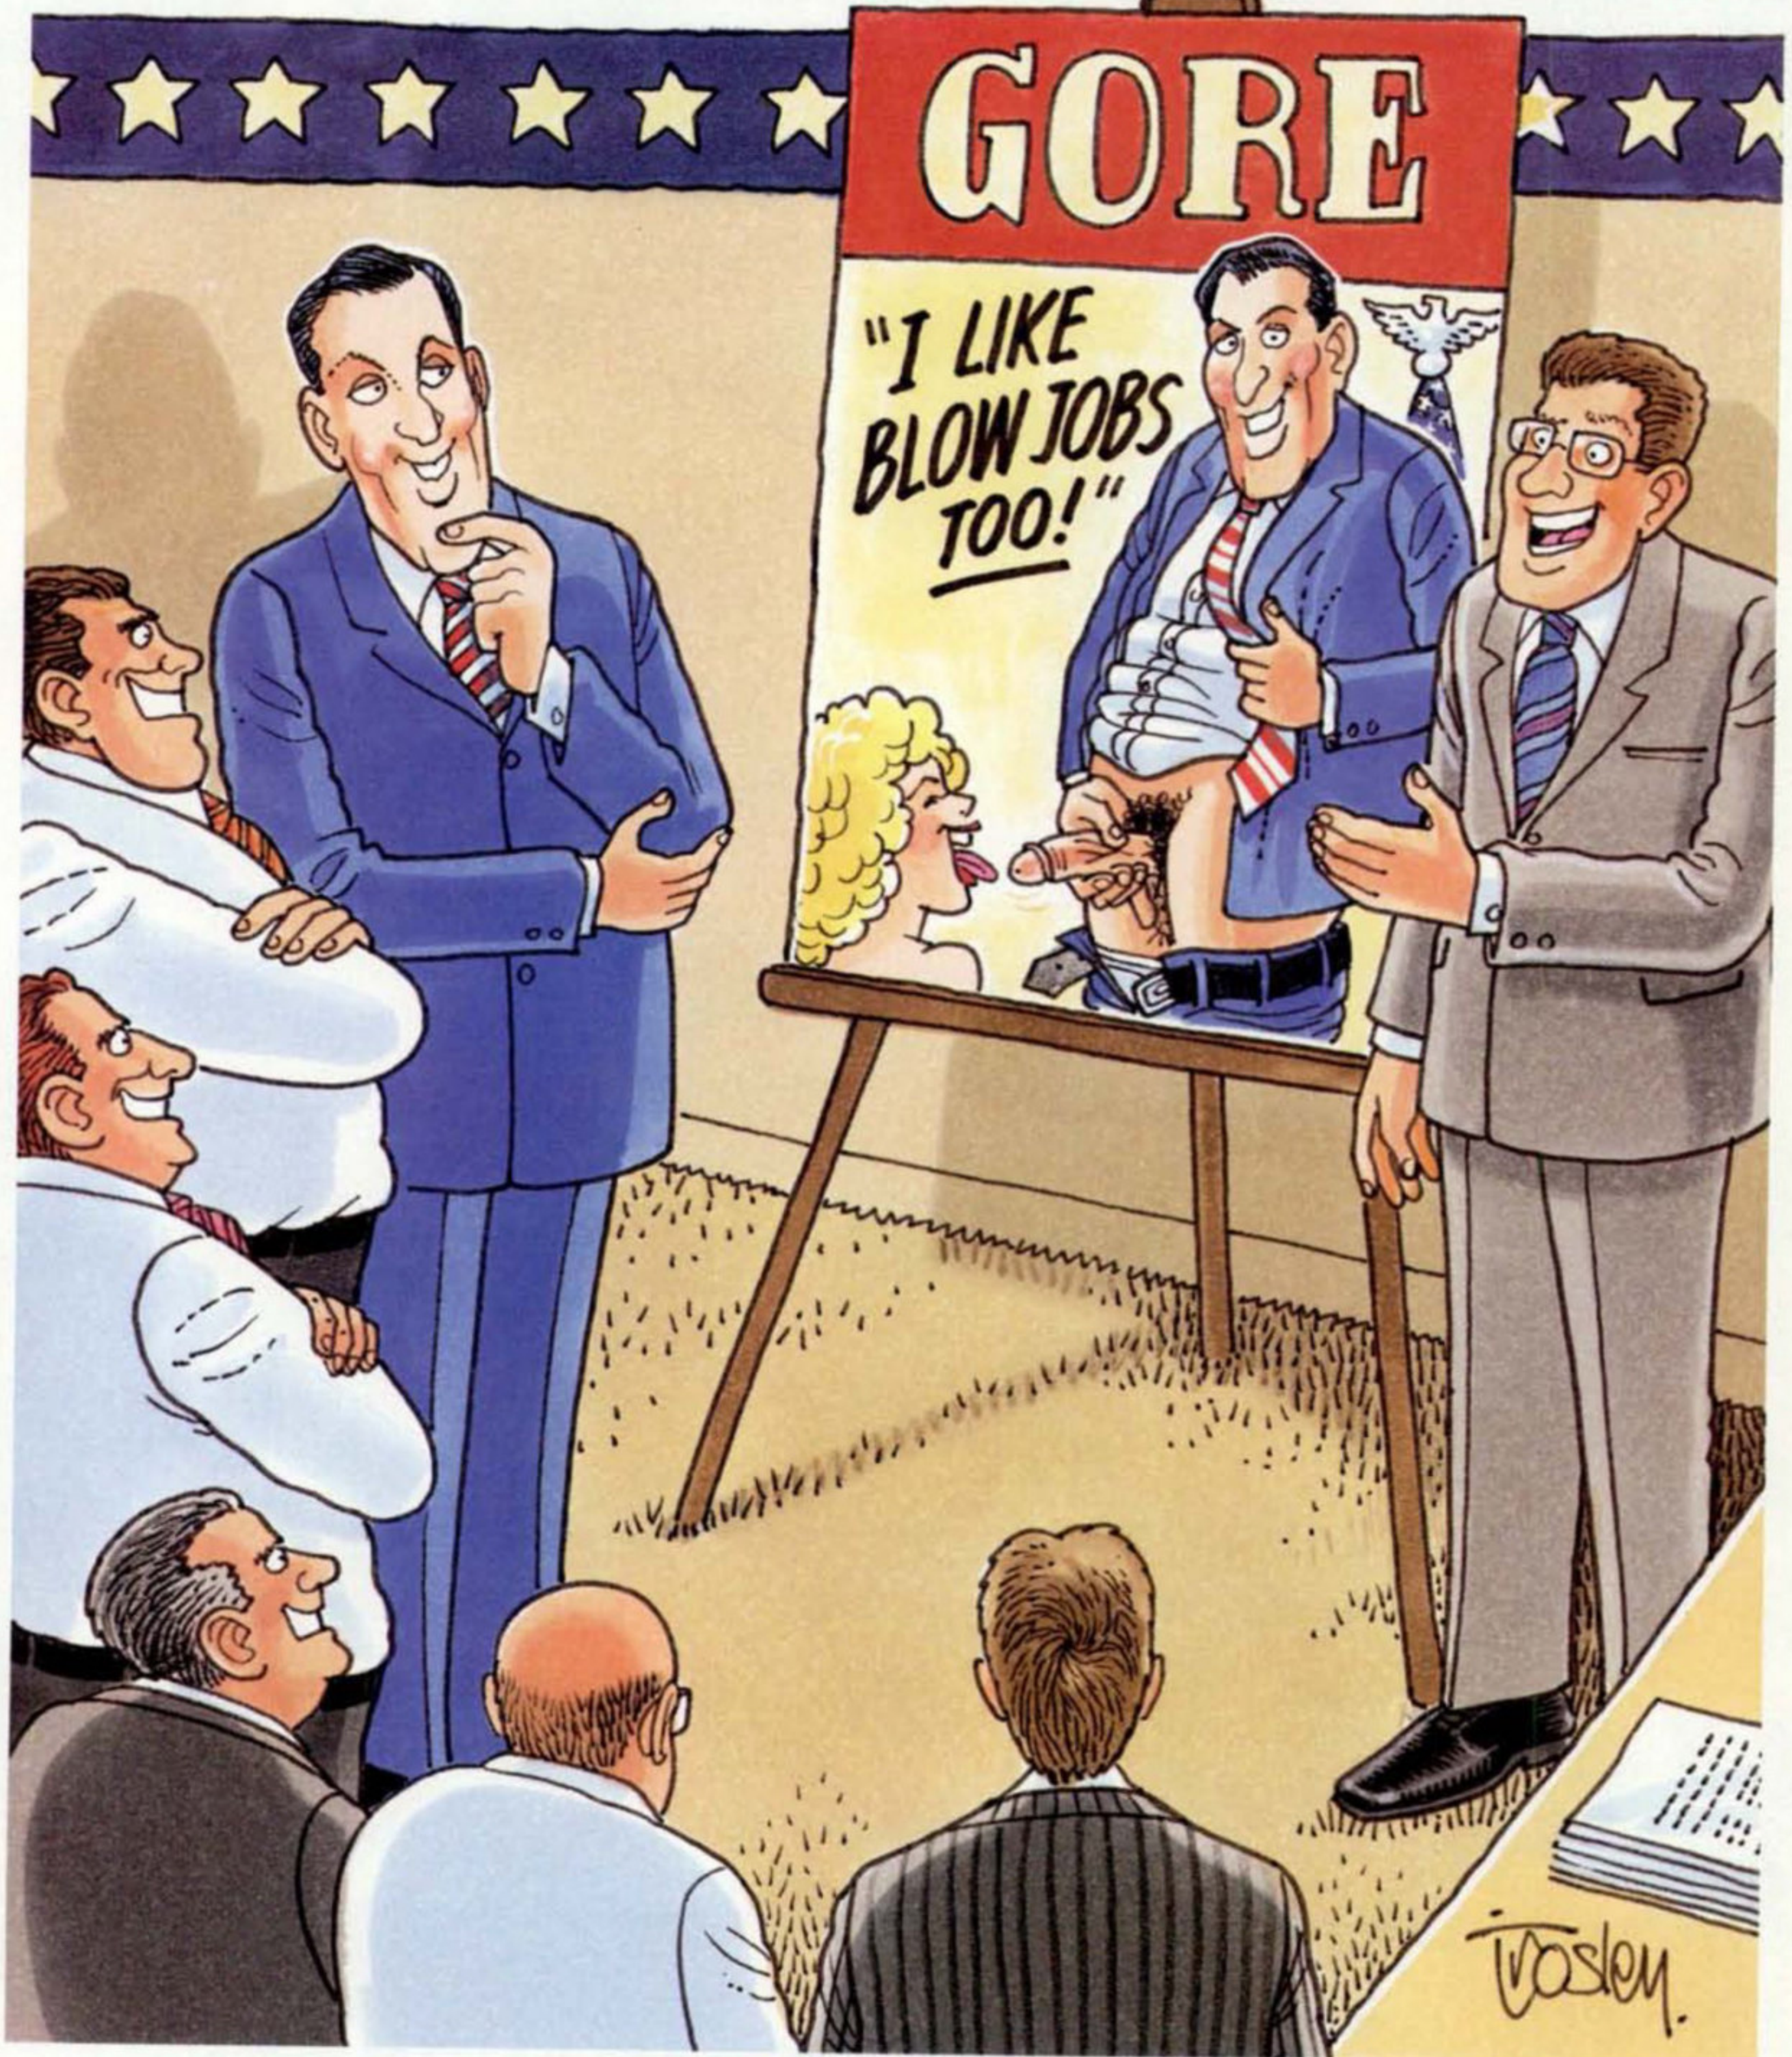

The next day at sundown she hurries from the cab and approaches the stucco whorehouse with steel plates on the doors and windows. The human watchdog with the Glock pistol in his paw opens the reinforced front door. Daniella goes inside. Carnaval is over.

"I'd never be able to survive on what I make as a chambermaid," says voluptuous hospitality worker Colette. "Fortunately, our hotel caters to rich businessmen. Before I clean their rooms, I serve each guest complimentary coffee, croissants and a continental blowjob. What I make in tips would be enough to fund my college education." Colette slides a pastry past her full lips. "If I wanted a college education. But I'd rather put my domestic skills to use and marry a nice, older dude. I'm waiting for Mr. Sanders to come out of the shower." The enterprising young blonde bares her pussy on the breakfast table. "I'll make some lucky man a devoted wife. Who cares if I can't cook?"

PENIS ENLARGEMENT TO MAXIMUM POSSIBLE SIZE!

MEN REPORT NEW DIMENSIONS OF 9 INCHES...
10 INCHES... EVEN AS MUCH AS 12 FULL INCHES!

You'll see **VISIBLE RESULTS** the **VERY FIRST TIME** you use this system... See how **FAT**, how **LONG**, and how **HARD** and stiff your own penis can become!

THE WORLD'S FIRST "RESULTS-ORIENTED" SYSTEM: Tested and Proven to give you MAXIMUM GAINS in MINIMUM TIME!

"I couldn't believe it at first; how big it got in so little time. I had to blink my eyes... was that huge, throbbing pole in the tube really my penis? Well... it was, and since that time I have used the **MAGNUM PRO** to make it **BIGGER and BIGGER** every time. Working out with the **MAGNUM PRO** is addictive..."

—Brad Pennergan, Milwaukee, WI

Extensive research brings you a system that takes the guesswork out of enlargement. We are the only system that incorporates: a state-of-the-art pump (2 models available), PLUS a patented "erection sentry," PLUS an instructional manual on maximum enlargement techniques and **ALL THIS** at a price that is literally 1/10 of what you would expect to pay.

VISIBLE GAINS IN SIZE: GETTING THEM is only half of the battle; KEEPING THEM is why we're the best.

The male erection is caused by blood flowing into hollow caverns in the penis. The caverns fill with blood and the penis grows in size and thickness, becoming stiffer as well. Our system not only enables any man to increase the capacity of these caverns by allowing them to hold more blood, but our revolutionary **SENTRY Prolong Ring** allows you to keep that **FAT, BULGING, ROCK-HARD ERECTION for as long as you want**. When you've pumped yourself up to the size you like, slide the **SENTRY** onto the base of your penis and let it stay there, guarding, maintaining, keeping your **POWERFUL, THROBBING ERECTION** through intercourse and beyond. When you are satisfied, you simply release the **SENTRY** with one hand! It's that simple!

ALL THIS... WHAT MORE COULD YOU ASK FOR? HOW ABOUT A PRICE THAT IS POSITIVELY UNBEATABLE?

First of all, if you could even find a system that offers you all that the **EXCELO System** with **SENTRY Prolong Ring** does, you'd easily be prepared to pay hundreds of dollars for it. That's why our system (2 models to choose from) is a truly unbelievable bargain at the price offered.

THE BEST OF BOTH WORLDS: ULTRA-MODERN TECHNOLOGY AND GOOD OLD-FASHIONED VALUE - THE EXCELO SYSTEM GIVES YOU BOTH!

Made in the U.S.A., these state-of-the-art vacuum pumps are equal or better than those prescribed by doctors that sell for up to \$430. **ACCEPT NO SUBSTITUTES!**

2 MODELS: ONE TO FIT ANY BUDGET, ANY REQUIREMENT

The Men Behind BRISTOL MEDICAL

Lee Conner, B.S. M.A. in electrical engineering. The founder and CEO of Bristol Medical. Along with Dr. Ruffin, he has developed the SUPRA-12... the world's leading vacuum pump.

Dr. Andrew Ruffin, Ph.D. A published sex therapist and sexologist for over 30 years, has produced 6 sex education videos. Developed many products for sexual dysfunction.

WORKS ON NATURAL PRINCIPLES... NO GUESSWORK... NO MUMBO-JUMBO!

The male erection is produced when blood flows into the special *bulbocavernosus* muscles inside the penis shaft. As these muscles fill, the penis increases in diameter and thickness. By increasing their capacity as the SUPRA-12 does, they can hold more blood, resulting in A DRAMATICALLY LONGER, THICKER ERECTION. Users of SUPRA-12 say they're "truly astounded" when they see their penises reach startling new proportions inside the chamber of the SUPRA-12. And you will be too!

THE SUPRA VALVE & SENTRY PROLONG RING ARE FEATURES NO OTHER MANUFACTURER OFFERS!

Getting a huge, fat erection is one thing... keeping it is another!! That's where the features of the SUPRA put it miles ahead of its competitors! The patented SUPRA Valve "locks in" the vacuum power for the biggest size possible in the shortest amount of time. Don't be fooled by claims of "more vacuum." Too much can cause medical problems. Every SUPRA-12 pump passes stringent quality control and is tested according to medical standards - no more - no less. And with the SENTRY Prolong Ring, you can stay as hard as you want, for as long as you want. **IMPORTANT!** All professional medical vacuum pumps (including \$500 models) include prolong or tension rings. Our Sentry fits any size penis, and there is no hassle in removal or pulling of the pubic hair as in others. The nearly invisible SENTRY rests comfortably at the base of your penis, maintaining your dynamic "super erection" indefinitely, but never interfering with your pleasure - EVER! You can penetrate your sex partner deeply, enjoying intercourse more than ever before, because the Sentry GIVES YOU COMPLETE ERECTION CONTROL!

ACKNOWLEDGED SAFE AND EFFECTIVE... AN INCREDIBLE VALUE... 3 MODELS TO CHOOSE FROM!

According to U.S. News and World Report, our Vacuum Pumps and Erection Rings are "simple, safe and effective" (8/24/92). The SUPRA-12 is the World's Best Selling line of Penis Enlargement and Erection Building systems, and at a price that is an international "Best Deal!" Similar systems, when prescribed by physicians, can cost between \$300 to \$650 or more! That's why the SUPRA-12, with the patented SUPRA Valve and SENTRY Prolong Ring, is such an incredible value!

HUSTLER

SUCCULENT BREASTS, THIGHS & LEGS

November HUSTLER invites readers to a feast of flesh. A brunet sophisticate places a precious bottle of wine in her damp cellar. A nervous couple submits to the velvet yoke of sexual slavery: The mind-blowing pleasure and pain unleashes a wave of yellow and white panic from their hard, quivering bodies. A buxom, blond naturalist claws to the top of her beautiful, nipple-capped peaks and free-falls into her carnal canyon. Two lesbian house sitters trim, manicure and soak their beautiful bushes. HUSTLER in November talks turkey and lays out a pilgrim-stiffening spread of mouthwatering dishes.

GEARHEAD GRACE

For 30 years, the sleepy Mexican town of Ensenada has hosted the Baja 1000, the pinnacle of off-road motor sports. More than 150 drivers compete in 23 classes of trucks, cars, motorcycles and all-terrain vehicles. Million-dollar drivers and weekend warriors chase dust through 700 spine-jarring miles in less than 14 hours. Celebrities, such as James Garner, Steve McQueen and Ted Nugent, have competed in the desert competition, adding to the notoriety of the race. Midair collisions, cheat-rigged booby traps and incidental carnage contribute to the race's dangerous reputation. Foreign correspondent Mitch Shepard rides shotgun in the quest for the checkered flag in *Balls Out in Baja: Stab It, and Steer Down South*.

STUFFING STRANGERS

Swingers exchange mates for three obvious reasons: sexual exploration, relational bonding and physical gratification. Small-town couples participating in the sexually liberal lifestyle hide their activities for fear of embarrassment and persecution from their closed-minded community. Orgy organizations, such as the Carousel Connection, in Sacramento, California, sponsor clandestine couples-only parties that straddle the crooked line between consensual copulation and crime. Reporter Candice Sword removes the do-not-disturb sign from the motel-room politics of swinger lifestyles in *Merry We Go Round: Swapping Swains With the Carousel Connection*.

SAVE THE DRIPPINGS

Some men require a stronger aphrodisiac than beer and a HUSTLER to inspire wood. November *Sex Play* checks up on Viagra and tests the miracle drug's claim of quickly curing impotency. *Bits & Pieces* helps television's Ally McBeal out of a messy personal problem and predicts the death of Jerry Springer's career. *Erotic Entertainment* spews hard-core reviews and fucks around with the National GangBang Association of America. November HUSTLER gives thanks for the hootchie harvest and bounty of boobs, butts and beavers.

November HUSTLER on sale August 25, 1998.

ANGIE DICKINSON

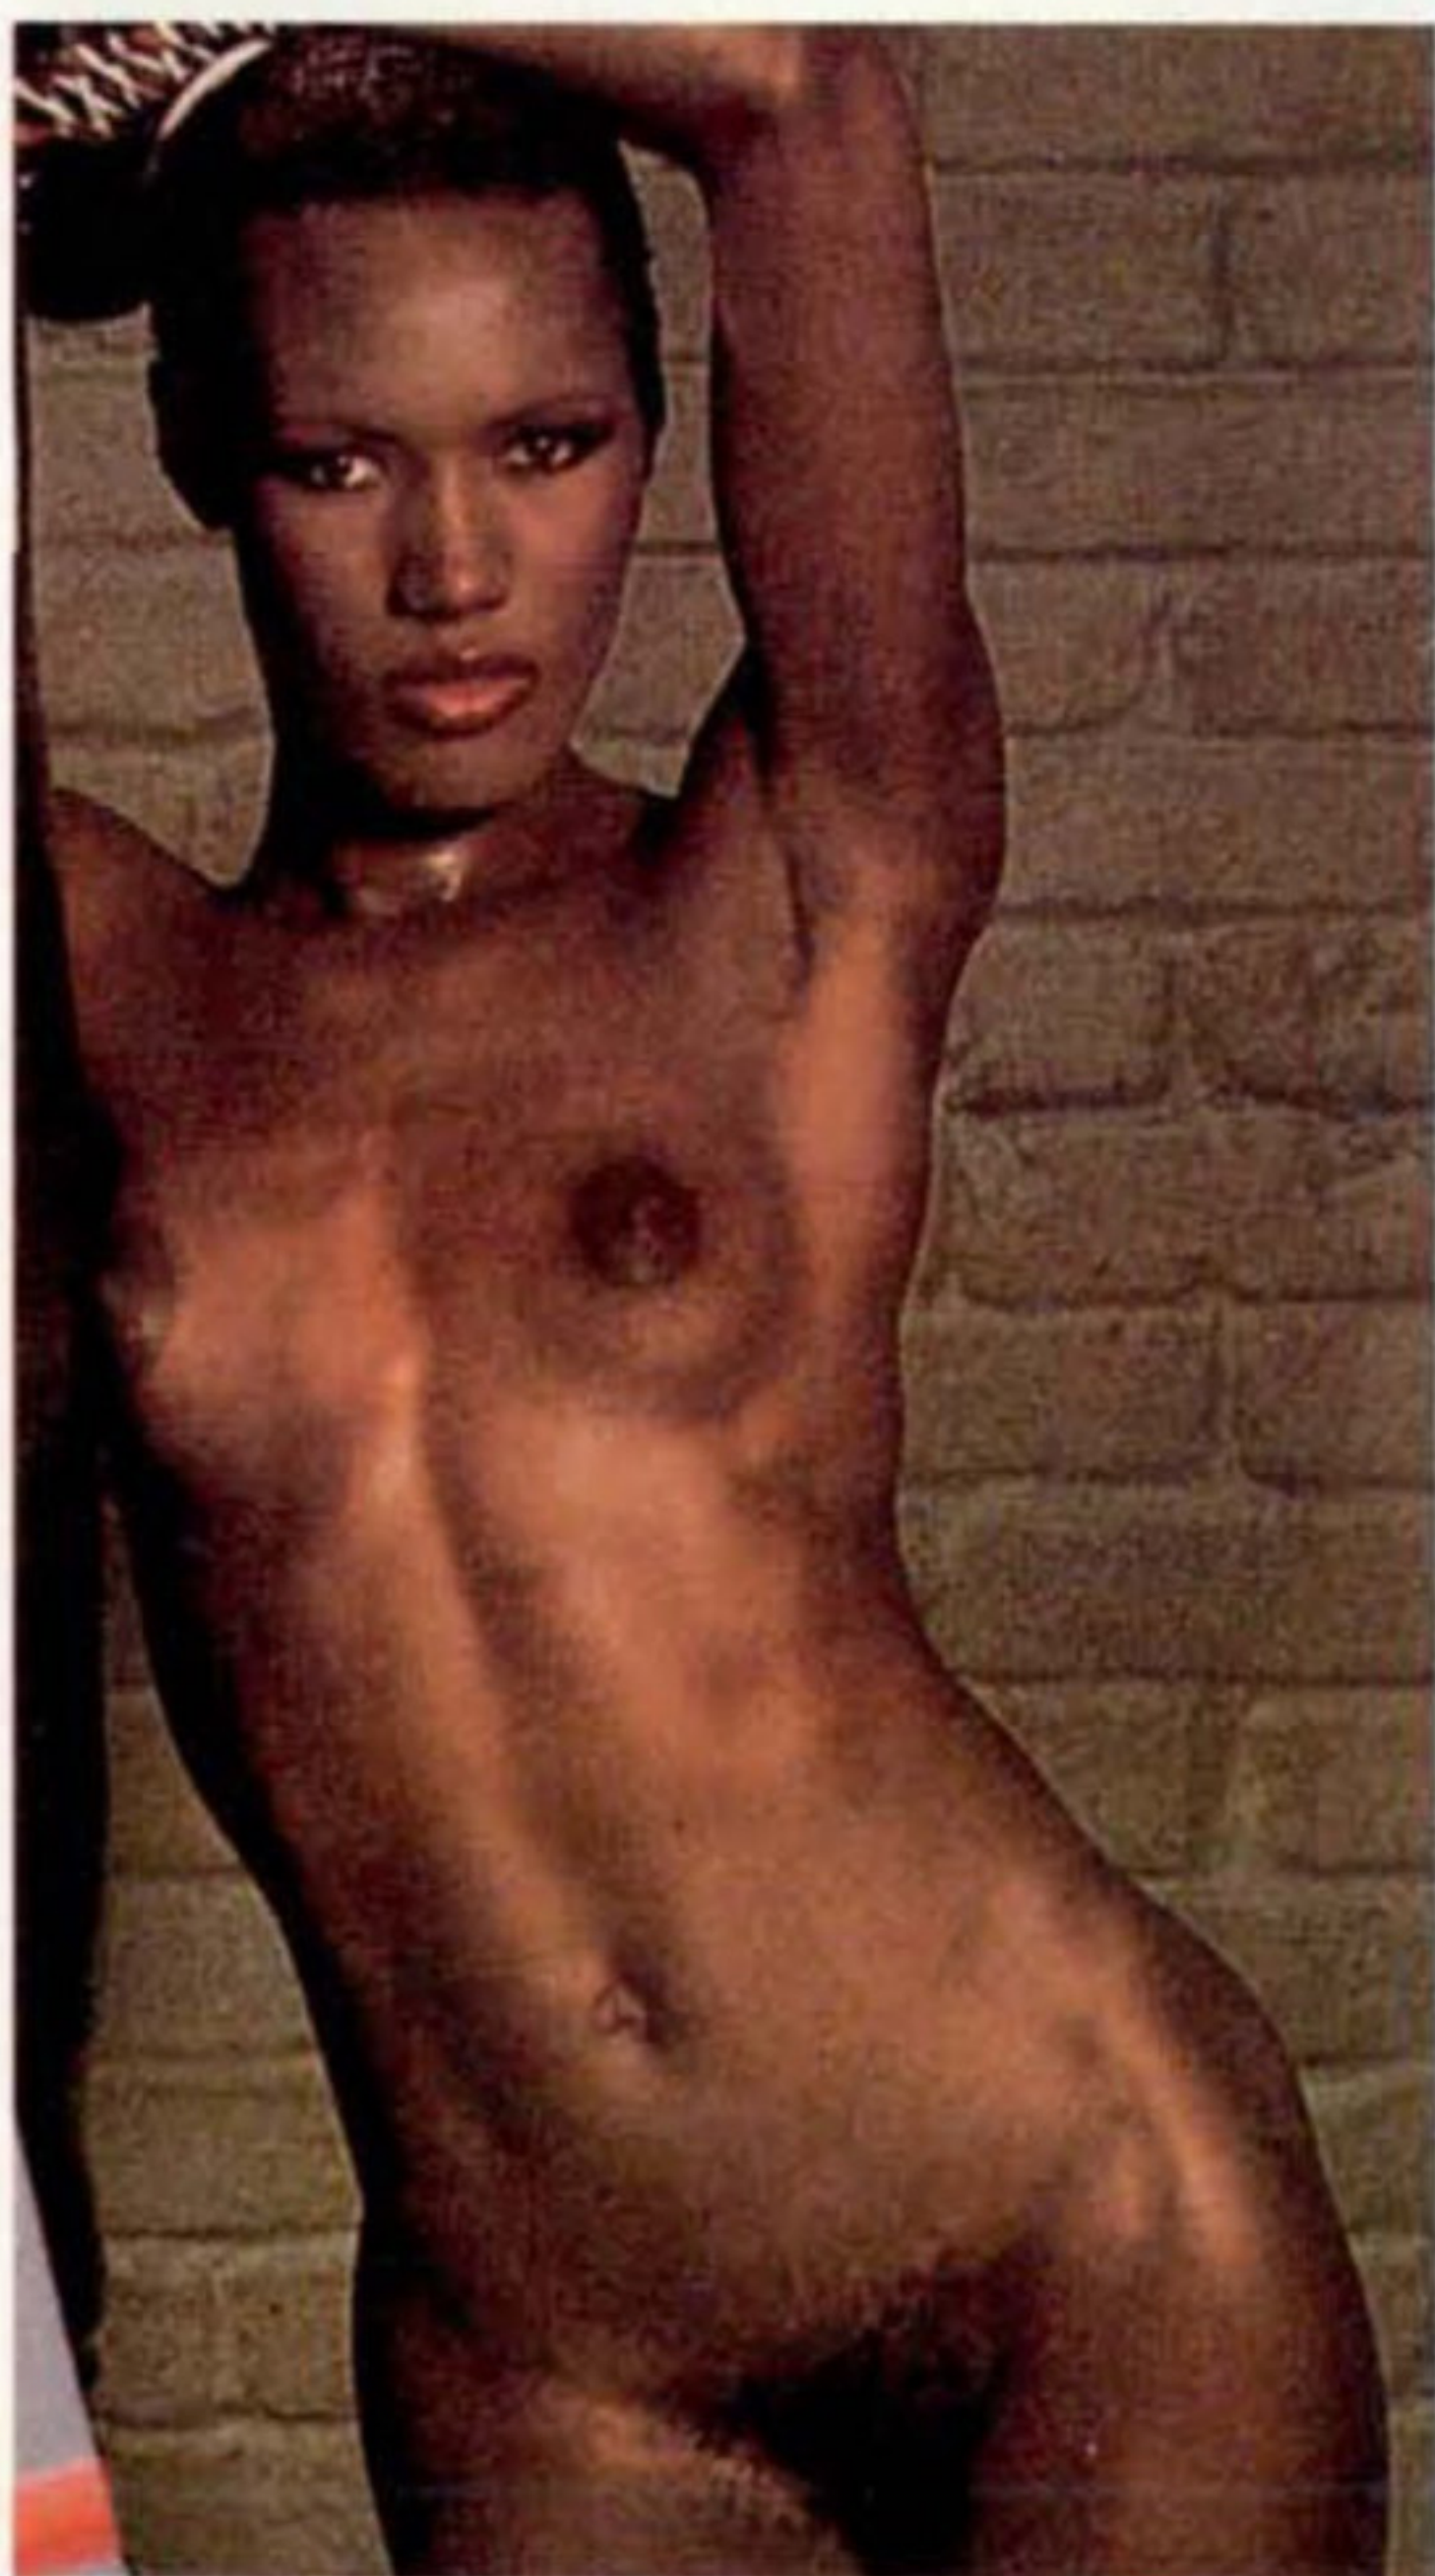

In 1974, a youthful actress named Angeline Brown Dickinson accepted the starring role of Mama Wilma McClatchie in the crime-and-sexploitation potboiler *Big Bad Mama*. Director Roger Corman cast William Shatner and Tom Skerritt to play Angie's leading men. As Mama robbed banks across the Texas Dust Bowl, Shatner and Skerritt took turns in Mama's vault. *Big Bad Mama* flopped at the box office, but Dickinson became a household name after five seasons on the hit show *Police Woman*. During the show's fourth season in 1978, *HUSTLER* published these revealing outtakes from *Big Bad Mama*, exposing the twin 38s Dickinson concealed under her tight, blue, prime-time uniform.

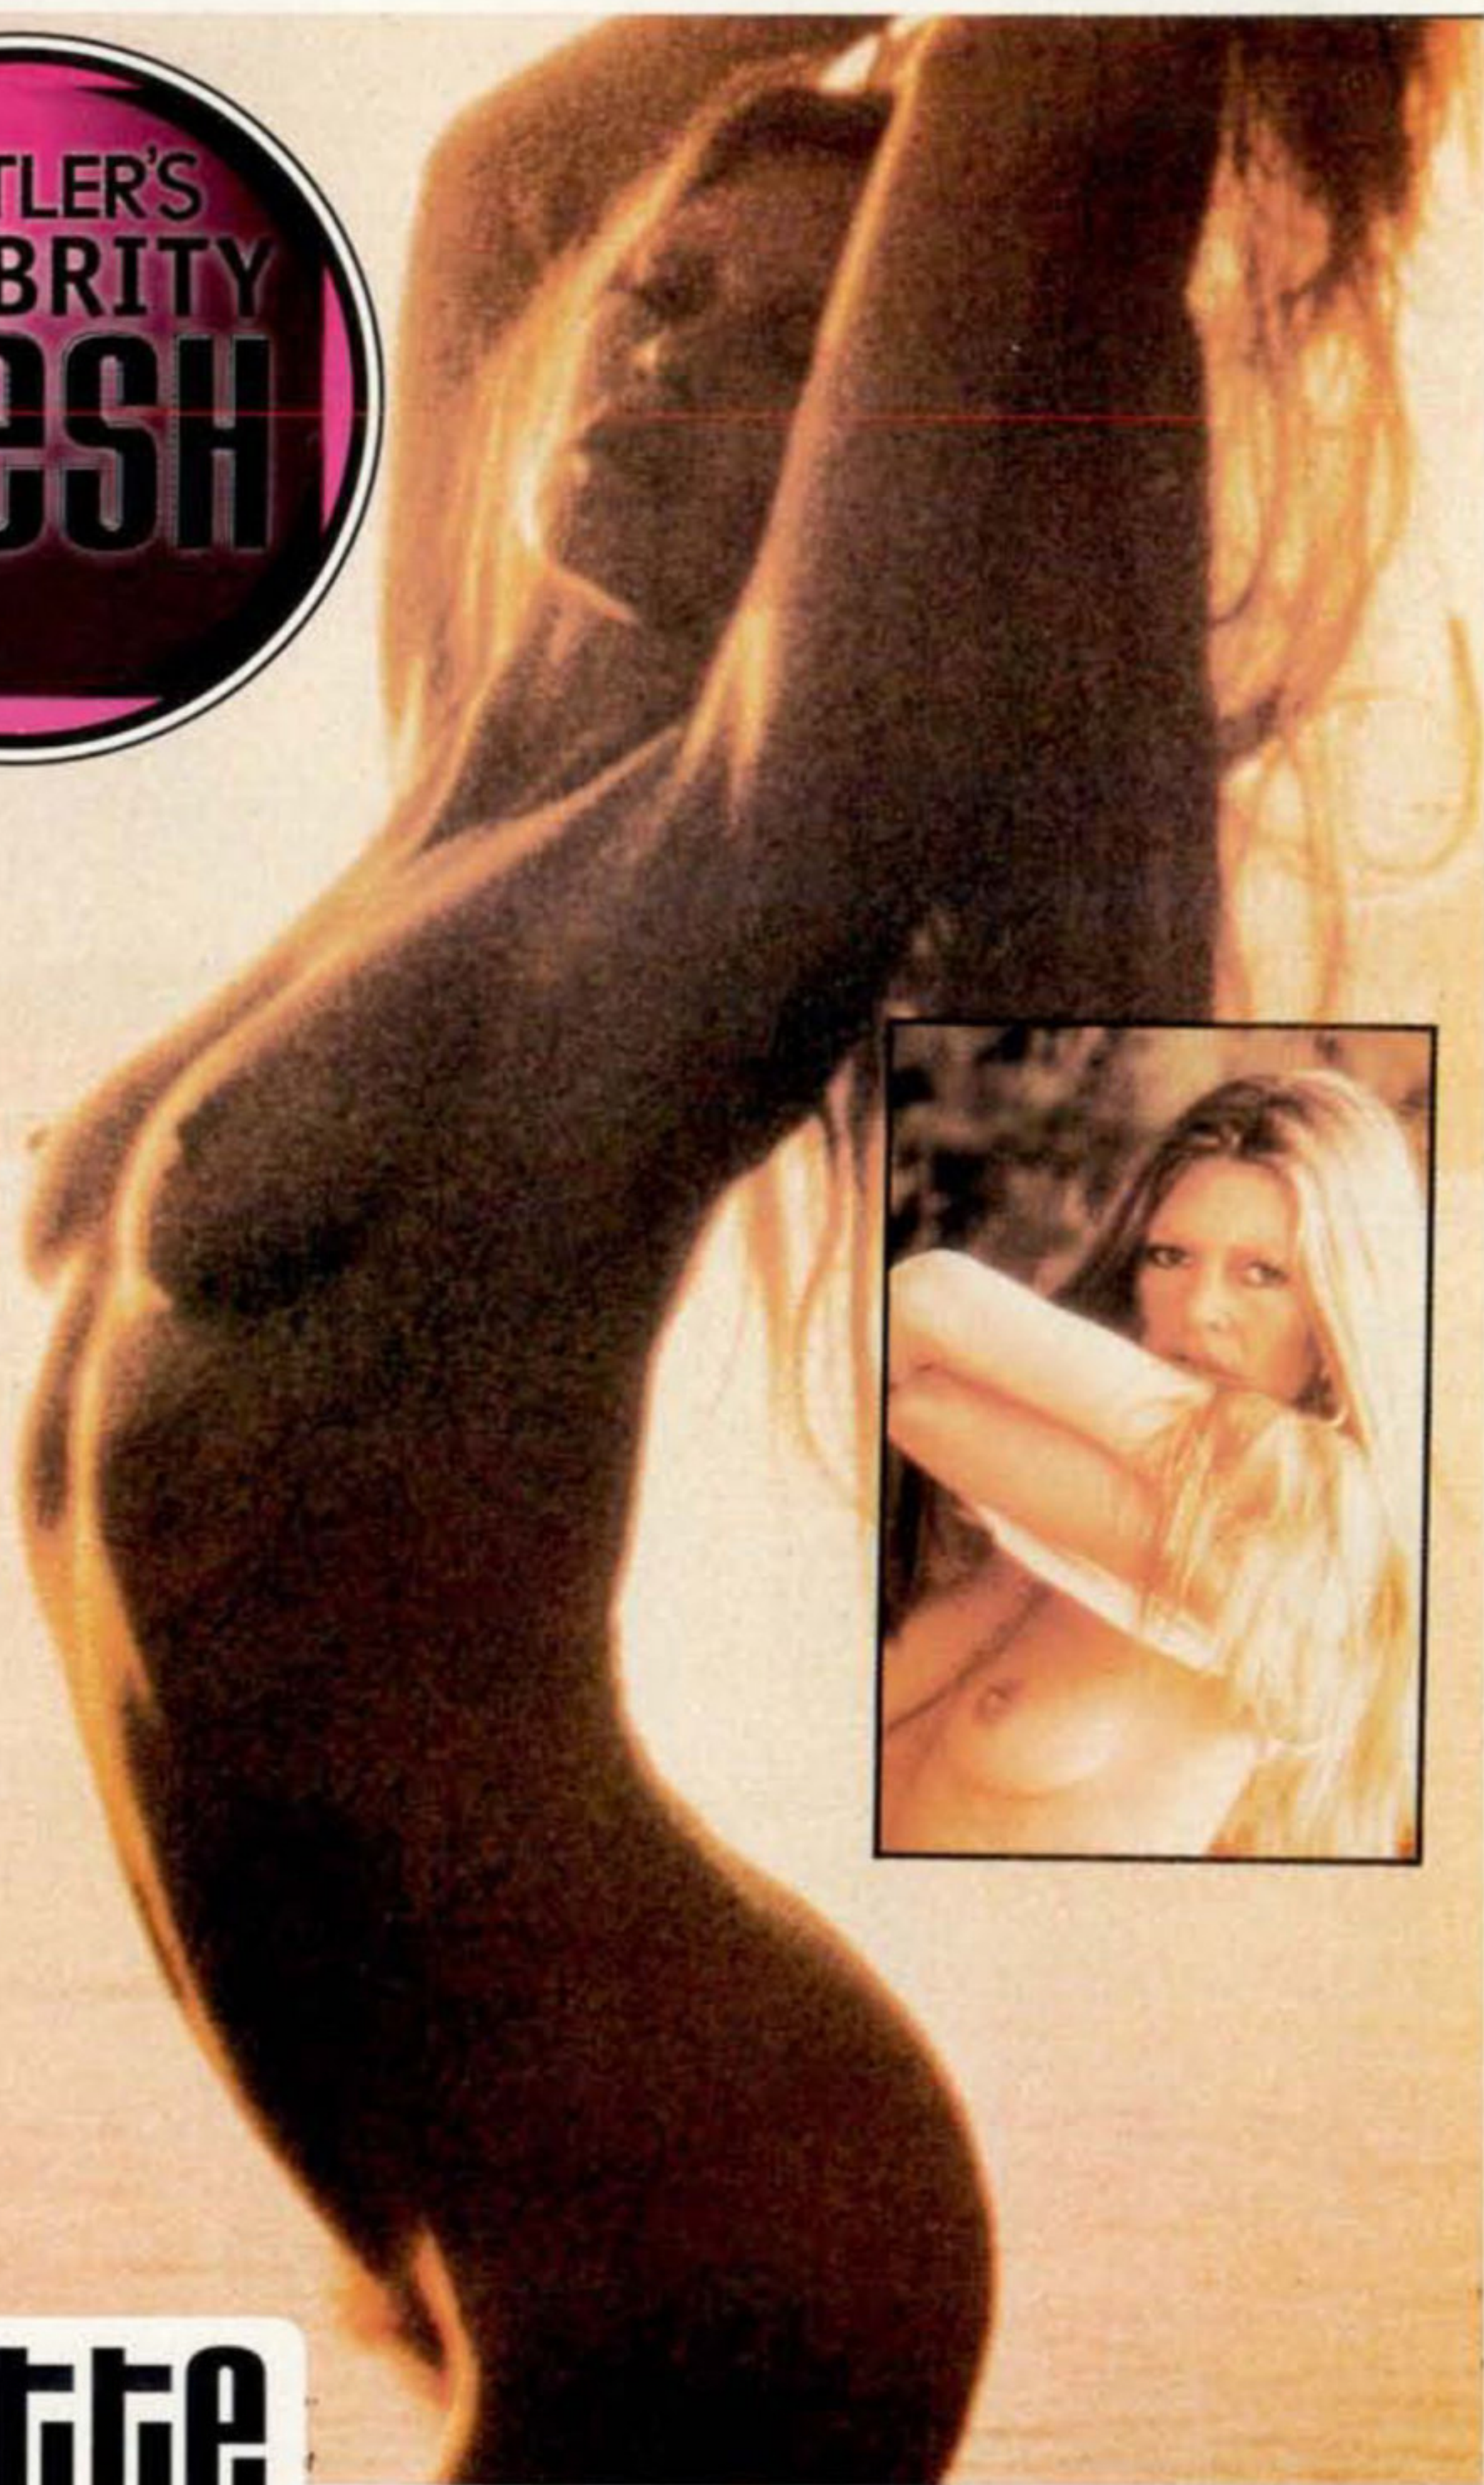

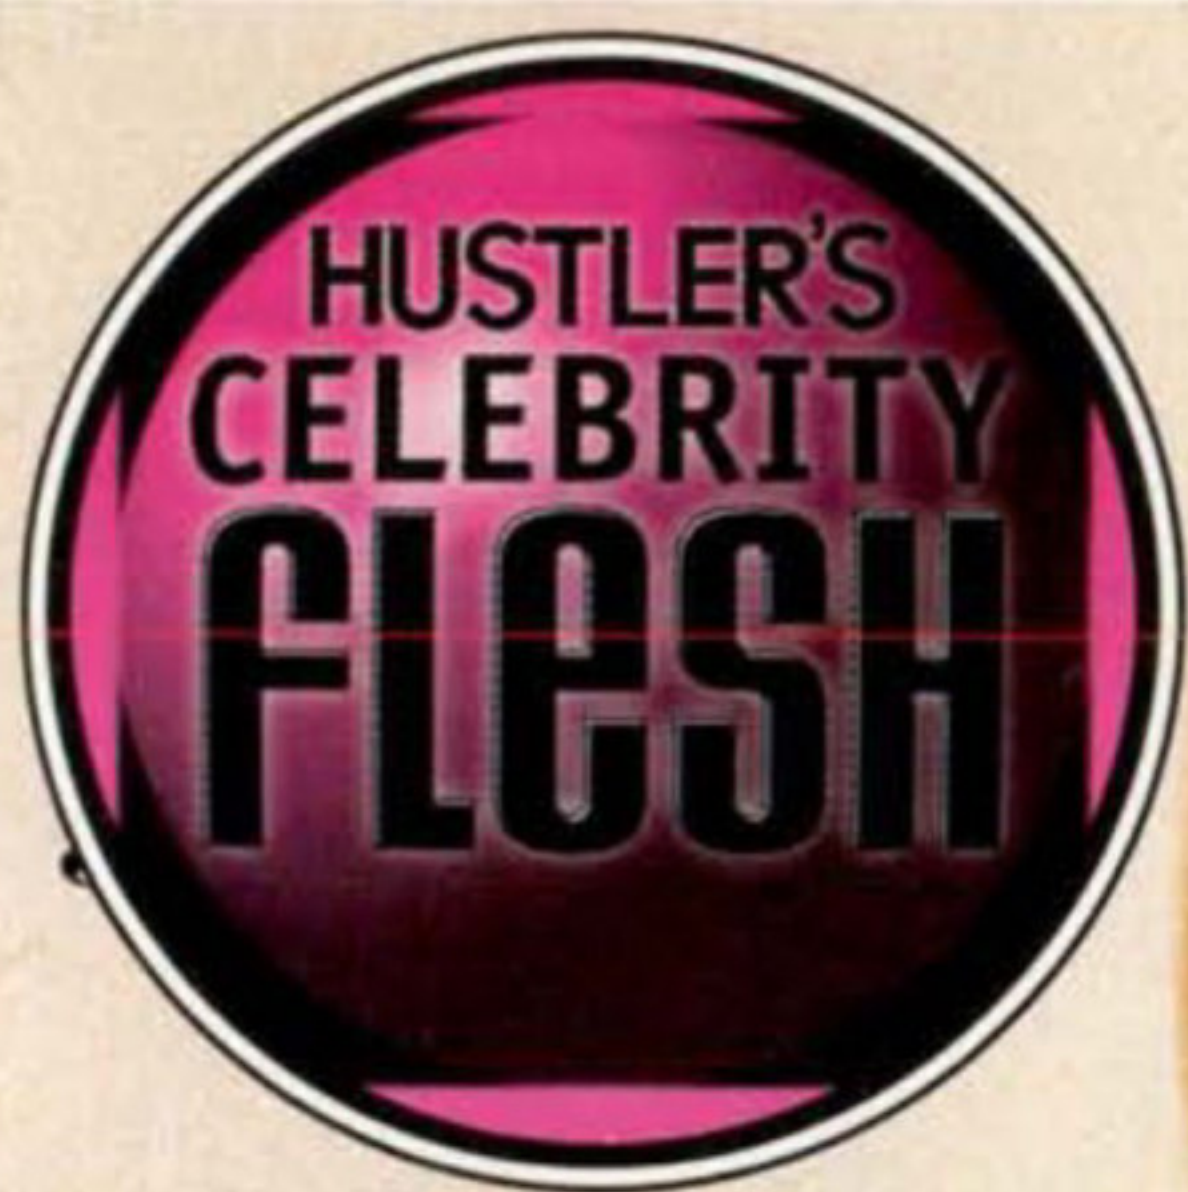

grace JONES

Grace Jones, the provocative model turned singer/actress, found fame through her unique musical style, stylishly severe looks and S&M-influenced theatrics. During the late '70s and early '80s, Jones's ebony skin, high cheekbones, gleaming white teeth and carnivorous persona symbolized a decade that measured success by excess. Jones appeared everywhere—from the cover of *Vogue* and *People* to the ubiquitous Honda Scooter commercials. The multitalented singer became an Island Records superstar with her hit songs "I Need a Man," "Do or Die" and "Demolition Man." Jones's film credits include her memorable performance with Arnold Schwarzenegger in *Conan the Destroyer* and the James Bond blockbuster *View to a Kill*. HUSTLER printed this never-before-published photo-set of the gender-bending, six-foot disco goddess sparring with a lily-white waif. Today, Grace Jones remains pertinent as a cultural icon from the era of New Coke, *Miami Vice*, Nagel prints and Music Television.

Brigitte

Bardot

No living actress anywhere in the world is more deserving of the title of sex symbol than Brigitte Bardot. Dropping out of school at 15 years old to appear in French *Elle*, Bardot quickly learned the power of her sensuality. Billed as the “unattainable dream to every married man” for her racy role in the film *And God Created Woman*, Bardot’s durability as the object of male lust has continued to arouse fans for more than three decades.

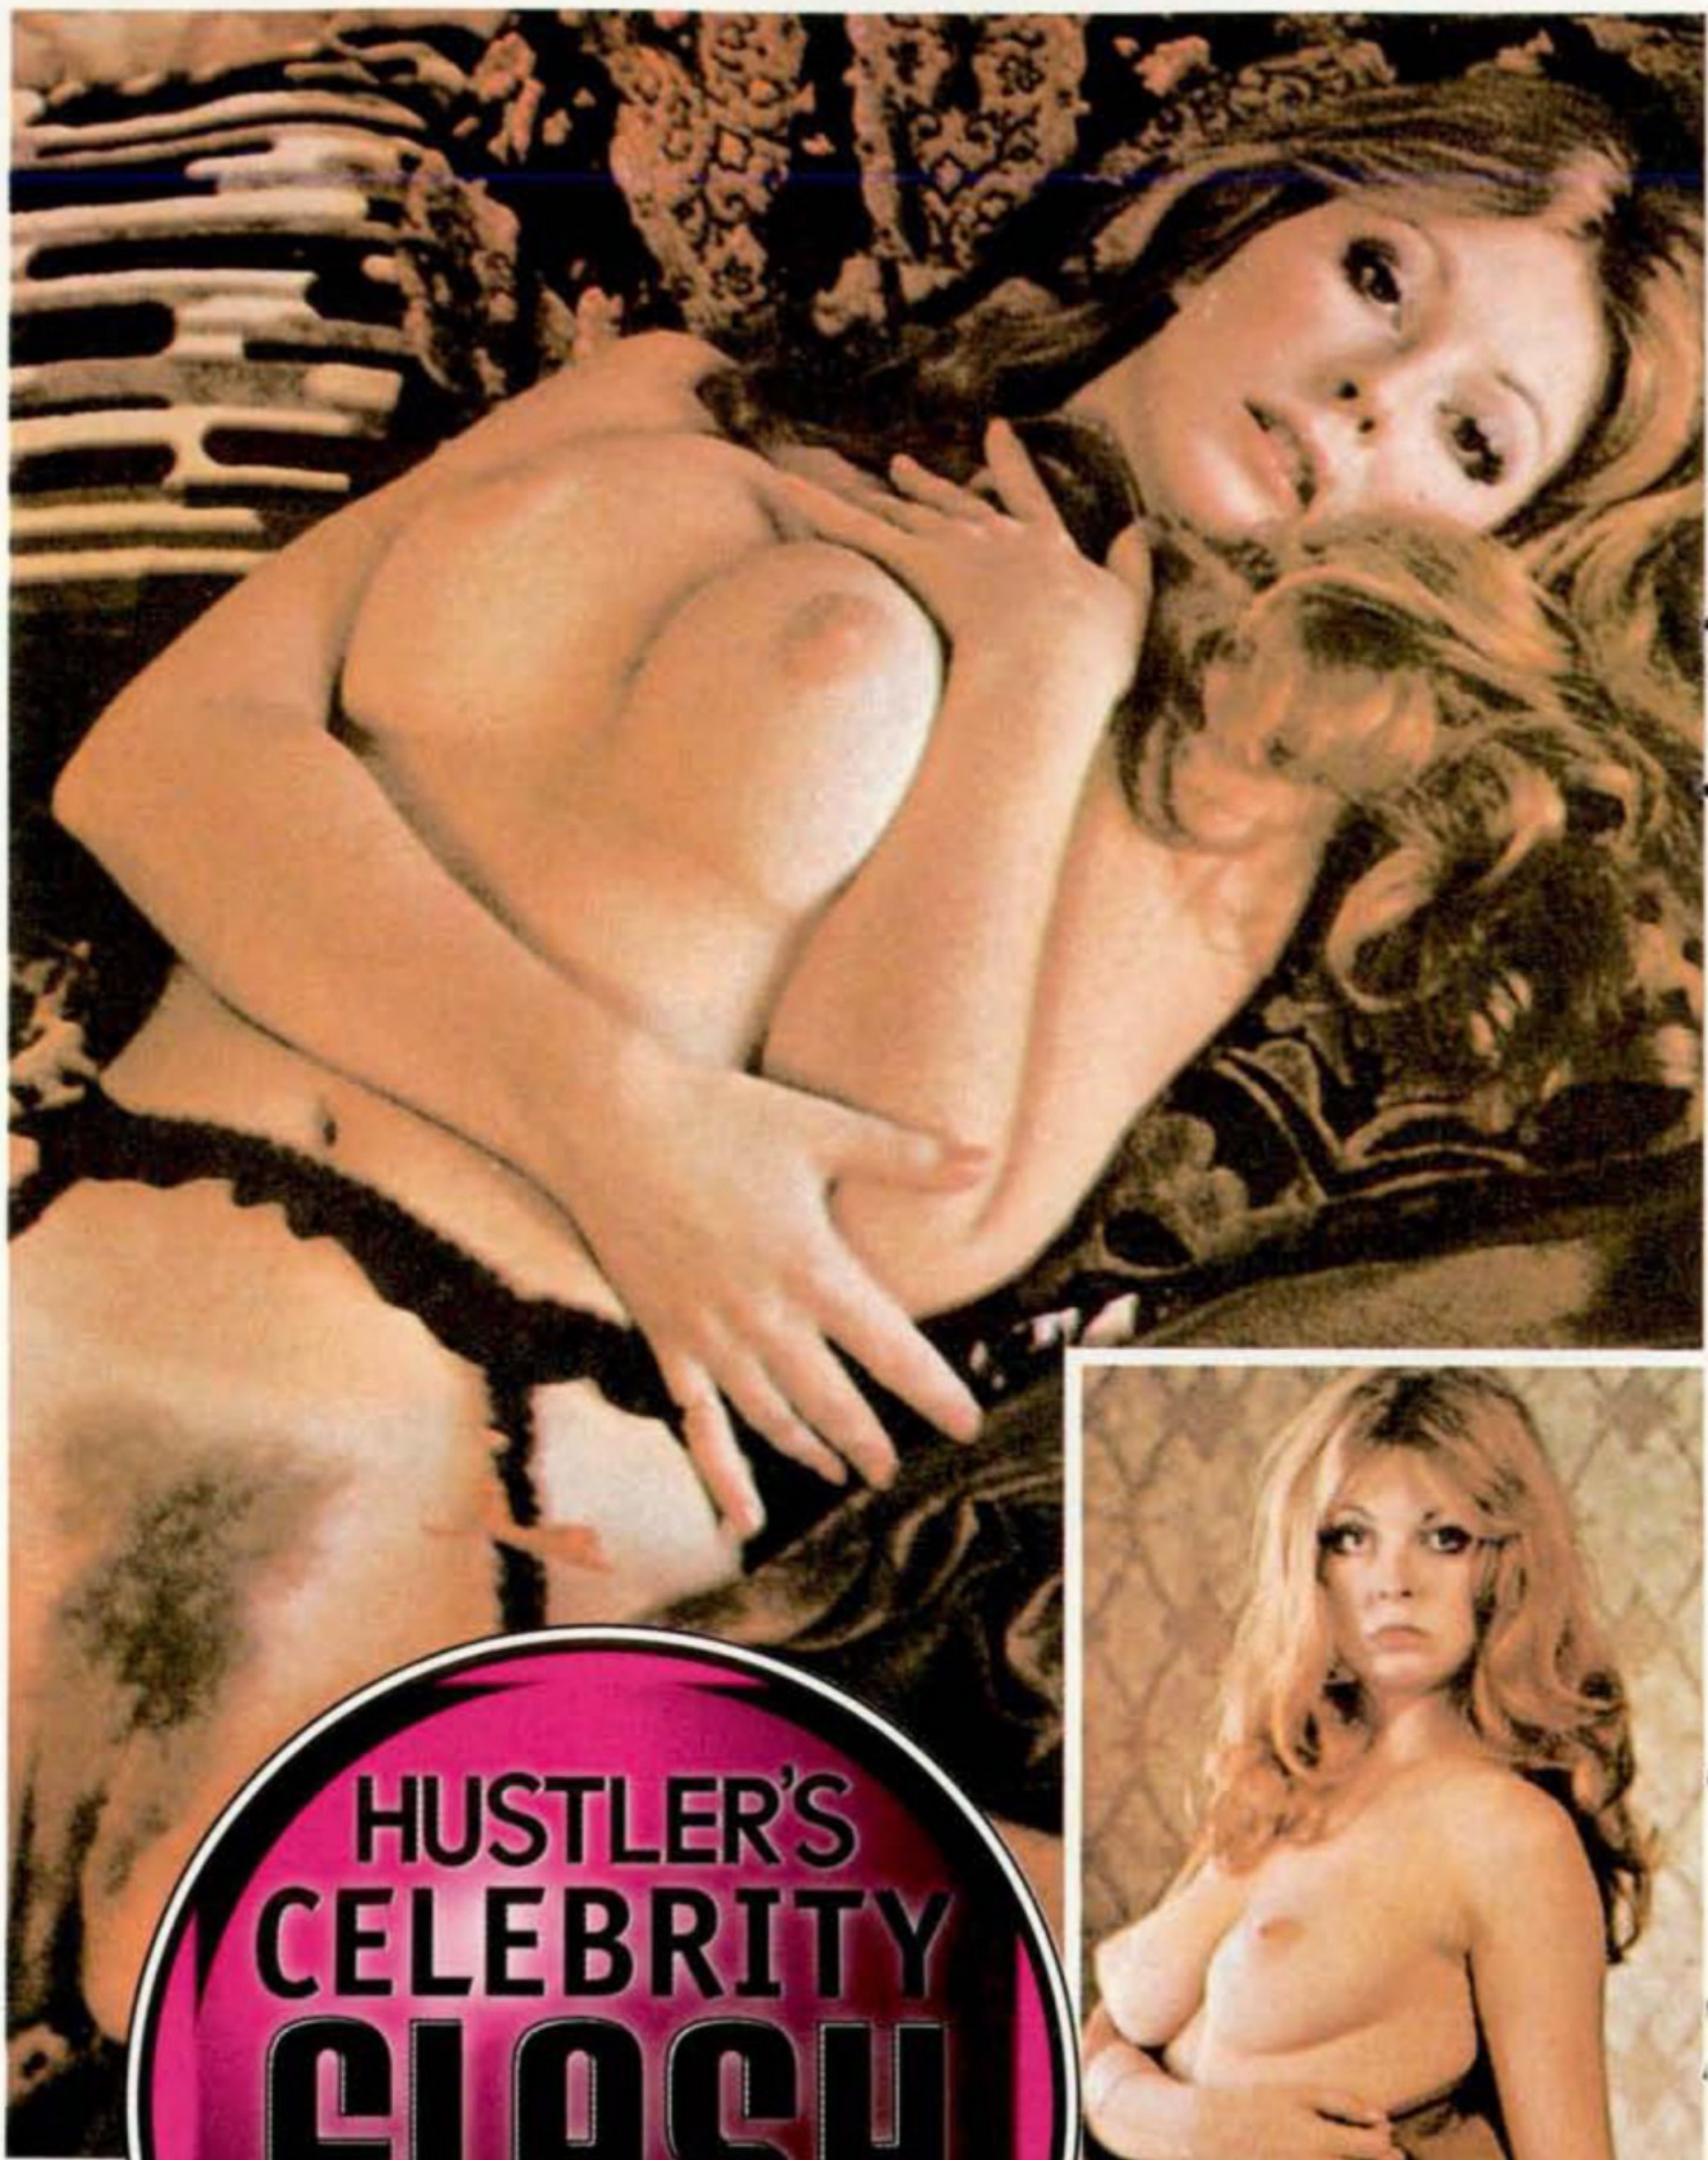

Pamela Lee

As a Marilyn Monroe for the 1990s, Pamela Anderson Lee's career skyrocketed after posing nude for *Playboy*. A starring role on *Baywatch* catapulted Anderson Lee into international stardom. Pamela achieved the accolade of hard-core sex queen when her homemade porn tape with husband Tommy Lee went public on December 2,

1997, after a settlement agreement made video sales possible. These are photos from the controversial video. Currently, Pamela has a federal lawsuit pending against the video's distributor, Internet Entertainment Group, claiming she never gave the company permission to market the video. IEG expects to file a suit against the couple for interfering with the distribution, requesting both injunctive relief and monetary damages. With Tommy Lee jailed by accusations of spousal abuse, HUSTLER offers these shots of happier times to include in the Lee family photo album.

**HUSTLER'S
CELEBRITY
FLESH**

elvira

Actress Cassandra Peterson mesmerized late-night viewers with her vampish portrayal of Elvira, Mistress of the Dark. As Elvira, Peterson hosted *Movie Macabre*, her nationally televised horror program. Best remembered for her heaving bust and skintight, black dress, Elvira cashed in on her commercial appeal with several beer advertisements. Peterson came into the public eye the same way all of us came into the world—without any clothes on. Posing for a 1975 layout in *Game* magazine, Cassandra made her admirers stiff without scaring them at all.

Linda Lovelace

Before renouncing pornography and becoming Gloria Steinem's lap dog, Linda Lovelace made a name for herself by appearing in the seminal adult-entertainment classic *Deep Throat*. As a rabid antiporn spokesperson, Lovelace claimed she was forced at gunpoint to star in *Deep Throat*. Pictured above in *Dog Fucker*, Lovelace may have confused the lipstick shoved into her backside with the barrel of a small-caliber weapon. Lovelace initially denied making the bestiality flick. When presented with this irrefutable photo at a press conference, Lovelace admitted to taking dick doggy-style. 🐕
